Baroque Self-Invention and Historical Truth Christopher Braider,2017-03-02 In his monumental study Christopher Braider explores the dialectical contest between history and truth that defines the period of cultural transition called the baroque For example Annibale Carracci s portrayal of the Stoic legend of Hercules at the Crossroads departs from earlier more static representations that depict an emblematic demigod who has already rejected the fallen path of worldly Pleasure for the upward road of heroic Virtue Braider argues that in breaking with tradition in order to portray a tragic soliloquist whose dominant trait is agonized indecision Carracci joins other baroque artists poets and philosophers in rehearsing the historical dilemma of choice itself Carracci s picture thus becomes a framing device that illuminates phenomena as diverse as the construction of gender in baroque painting and science the Pauline ontology of art in Caravaggio and Rembrandt the metaphysics of baroque soliloquy and the dismantling of Cartesian dualism in Cyrano de Bergerac and Pascal Perfect Lies Jennifer Crow,2012-08-01 Are your innermost thoughts robbing you of health and happiness Jennifer Crow knows what that s like She always tried to do everything right so she was shocked when her seemingly perfect life began to fall apart Diagnosed with a dozen chronic health issues she entered a deep depression and spiritual crisis And as everything unraveled Jennifer began to see how the perfect lies she d told herself lies like I must prove myself because my worth depends on what I do and I must gain the acceptance of others because their opinion matters most were literally crippling her body mind and soul In Perfect Lies Jennifer reveals nine key lies that held her back walks us through her journey of miraculous recovery and shares practical techniques for overcoming these same lies in our own lives and finding true freedom instead **A Dog**
