Loving Pioneers:

A Victorian Educational Pioneer's Evangelicalism, Leadership, and Love Pauline A. Phipps, 2022-11-15 This book examines the relatively unknown English late Victorian educational pioneer Constance Louisa Maynard 1849 1935 whose innovative London based Westfield College produced the first female BAs in the mid 1880s An atypical and powerful woman Maynard is also notable for her unique knowledge of psychology and patriotic Evangelicalism both of which profoundly shaped her ambitions and passions In contrast to most history about an individual's life this book builds a fascinating life story based upon evidence and clues from minutia The focus is on nine enigmatic actions motivated by Maynard in her quests for educational leadership global conversion and same sex love Maynard's acts that she called mistakes caused deep enmities with administrators and college women Yet amid her trials and conflicts Maynard made key decisions about her public and private life Moreover her so called mistakes reveal astonishing new insights into a past mindset and the rapidly changing world in which Maynard lived *Pioneers* Phillip Mann, 2011-09-29 Blue Genes Ape like and with one arm replaced by a claw the not quite human Angelo and his beautiful female partner Ariadne are genetically bred rescuers programmed to travel vast distances through space in suspended animation to bring back Pioneers explorers sent out from Earth generations ago to settle other planets The latest mission is to rescue Pioneer Murray from the planet La Plage and to return to Earth where as usual decades have passed while they have been travelling between the stars But Earth itself has gone through a catastrophic collapse from which its burnt out civilization is trying to recover And amongst the remnants of a sterile and despairing humanity there is less room than ever before for such strange creatures as Angelo Combining rich and weird alien environments with exciting deep space adventure *Pioneers* is a brilliant novel of love and alienation in a strange and poignant future **Loving God's Wildness** Jeffrey Bilbro, 2015-04-30 Analyzing writings ranging from the Puritans to the present day *Loving God's Wildness* traces the effects of Christian theology on America's ecological imagination revealing the often conflicted ways in which Americans relate to and perceive the natural world **Invitation To Love** Ivonne Delaflor, 2005 Follow the Sanatan Dharma the Eternal Religion of Prema Divine Love and the one and only that can only be found in your heart And remember YOU must guide others to it through love simplicity and truth That is the only way That is the unspoken eternal and nameless way Always remember that no time is ever wasted except for the time that one is not loving Move out of the house of ignorance There are better places to live Ring ring Wake up The Buddha nature and Christ like energy within are ready to be reawakened in all Become like a child Enter the kingdom of heaven The Christ and Buddha nature are within So where is the kingdom Excerpted from *Invitation to Love* 108 Reminders for the Enlightened Ones The greatest blessing in my life was the gift of being in the physical presence of Babaji in Herrekhan in 1980 One day he said that he would be leaving his body I asked him if he would still come to me if I asked He simply looked at me and smiled knowingly and said Of course Recently my work healing moved to a new level Some of the recent miracles have been so powerful as to leave me shaky I

could only turn to God to keep myself stable and humble and so I asked for his advice Well he has answered my request And I imagine he will answer the prayers of many others through the writings of Ivonne Delaflor In them I recognize his voice his humor his teaching Thank you Babaji And thank you Ivonne for being such an open channel Dan Brul Guchu Ram Singh www.breathmastery.com

The Life and Loves of E. Nesbit Eleanor Fitzsimons, 2019-10-08 A Sunday Times Best Book of the Year The informative and entertaining first major biography of the trailblazing controversial children's author The Washington Post Born in 1858 Edith Nesbit is today considered the first modern writer for children and the inventor of the children's adventure story In *The Life and Loves of E Nesbit* award winning biographer Eleanor Fitzsimons uncovers the little known details of her life introducing readers to the Fabian Society cofounder and fabulous socialite who hosted legendary parties and had admirers by the dozen including George Bernard Shaw Through Nesbit's letters and archival research Fitzsimons reveals E to have been a prolific lecturer and writer on socialism and shows how Nesbit incorporated these ideas into her writing thereby influencing a generation of children an aspect of her literary legacy never before examined Fitzsimons's riveting biography brings new light to the life and works of this remarkable writer and woman Meticulous and invaluable exceptionally illuminating and detailed The Wall Street Journal Fitzsimons handily reassembles the hundreds of intricate idiosyncratic parts of the miraculous E Nesbit machine The New York Times Book Review I've always loved the work of E Nesbit *The Railway Children* and *Five Children and It* are my favorites but I knew nothing about the extraordinary surprising life of this great figure in children's literature so gripping that I read it in two days Gretchen Rubin 1 New York Times bestselling author of *The Happiness Project* A charming lively and old fashioned biography highly readable Publishers Weekly A terrific book Neil Gaiman

Freedom's Racial Frontier Herbert G. Ruffin, Dwayne A. Mack, 2018-03-15 Between 1940 and 2010 the black population of the American West grew from 710 400 to 7 million With that explosive growth has come a burgeoning interest in the history of the African American West an interest reflected in the remarkable range and depth of the works collected in *Freedom's Racial Frontier* Editors Herbert G Ruffin II and Dwayne A Mack have gathered established and emerging scholars in the field to create an anthology that links past current and future generations of African American West scholarship The volume's sixteen chapters address the African American experience within the framework of the West as a multicultural frontier The result is a fresh perspective on western U S history centered on the significance of African American life culture and social justice in almost every trans Mississippi state Examining and interpreting the twentieth century while mindful of events and developments since 2000 the contributors focus on community formation cultural diversity civil rights and black empowerment and artistic creativity and identity Reflecting the dynamic evolution of new approaches and new sites of knowledge in the field of western history the authors consider its interconnections with fields such as cultural studies literature and sociology Some essays deal with familiar places while others look at understudied sites such as Albuquerque Oahu and Las Vegas Nevada By examining black suburbanization the Information Age and

gentrification in the urban West several authors conceive of a Third Great Migration of African Americans to and within the West The West revealed in Freedom's Racial Frontier is a place where black Americans have fought and continue to fight to make their idea of freedom live up to their expectations of equality a place where freedom is still a frontier for most persons of African heritage

Outdoor Learning: Past and Present Rosaleen Joyce, 2012-02-16 The book breaks new ground by placing outdoor learning in a theoretical historical and social context of changing understandings of children childhood and the use of the outdoors The book's approach is based on the premise that ideas phase in and out of use depending on social and political contexts This perspective will help people to think about how present day attitudes regarding outdoor learning came to be where they came from and to question their newness The author argues that outdoor learning needs to be looked at in a historical context so that you can understand the contribution of previous educational thinkers on today's views and practices The main historical thinkers considered include Comenius Pestalozzi Froebel and Margaret McMillan as well as the views of more modern contributors and the Forest Schools in the UK Joyce makes it possible to look more critically at today's approaches and influences on outdoor learning She considers how children are regarded today within these approaches and whether these constructs are in the children's best interests Key features of this book include A reflective approach to practice Effective training for practitioners in their use of the outdoors recognising the different approaches required from those used in the indoor classroom This book is essential reading for all early years practitioners

O! South Africa Daniel J. Theron, 2011-07 This book covers a concise history of South Africa to the present beginning with unintended colonization by Holland due to a shipwreck near the southern tip of Africa Between these two markers it touches just briefly on subjects covered more extensively by the author in his book *Out of Ashes the Boers Struggle for Freedom During the English War 1899-1902* Then it proceeds with the country's political developments In South Africa as all over the world where possible settlements began with husbandry and agriculture Having been born on and grown up on a farm the author is salvaging the history of farming methods with the ox the horse the mule and farming implements all of which have now long ebbed away into the distant past The apartheid era is covered The impractical aspect of the theory is well understood but the author is fair and also exposes the frequently distorted and ignorant opinions that took hold in the western world lasting until today The world did not know and if it did it ignored the massive educational programs for millions and that were it not for the apartheid governments South Africa with all its mineral riches needed in the world with Russian involvement would be another Cuba today Throughout pictures that are indeed worth much more than a thousand words highlight what is beyond words alone

Pioneer Collections, 1900 *The Poetical Works of Mrs. Leprohon (Miss R. E. Mullins)*. Mrs. Leprohon (Rosanna Eleanor), 1881

The Secret Language of Trees Barrett Williams, ChatGPT, 2025-04-10 Uncover the hidden world of trees where whispers through the leaves tell stories of life connection and survival The Secret Language of Trees invites you on a journey through the vibrant and often overlooked communication networks that exist within forests Embark on a

revealing exploration into how trees express themselves Beginning with their silent intelligence and unique ability to connect with one another discover how trees create intricate social structures They form families nurture young saplings and establish roles within their communities displaying a level of cooperation and competition that mirrors human societies Delve into the rich tapestry of communication methods used by trees from chemical signals to sound waves and even shifts in color and light Learn how these magnificent organisms forge alliances with fungi and soil microbes forming vast underground networks that are essential to their health and resilience Explore the wondrous symbiotic relationships trees maintain with various creatures from bees to birds weaving a complex web of mutual benefit that enhances the diversity and stability of their environment Grasp how trees act as nature's timekeepers adapting to the changes in climate and season with remarkable precision Through their sheer presence trees sculpt ecosystems influence weather patterns and support biodiversity Marvel at their resilience in the face of adversity as they withstand harsh conditions and regenerate after disturbances The Secret Language of Trees also delves into the deep connections humans have with forests from cultural and spiritual symbols to inspiring art and literature Discover the pressing threats they face today and learn how you can be a part of the movement to protect and restore these majestic giants This is not just a book it's an invitation to see trees in a new light to understand their vital role on our planet and to join the effort in safeguarding their future Take a step into their world and discover the profound lessons they offer

The World That Wasn't Benn Steil, 2025-01-21 From the acclaimed economist historian and author of The Marshall Plan a timely riveting The Washington Post new perspective on the political career of Henry Wallace one that will forever change how we view the making of US and Soviet foreign policy at the dawn of the Cold War Henry Wallace is the most important and certainly the most fascinating almost president in American history As FDR's third term vice president and a hero to many progressives he lost his place on the 1944 Democratic ticket in a wild open convention resulting in Harry Truman becoming president upon FDR's death Books films and even plays have since portrayed the circumstances surrounding Wallace's defeat as corrupt and the results catastrophic Filmmaker Oliver Stone among others has claimed that Wallace's loss ushered in four decades of devastating and unnecessary Cold War Now based on striking new finds from Russian FBI and other archives Benn Steil's The World That Wasn't paints a decidedly less heroic portrait of the man of the events surrounding his fall and of the world that might have been under his presidency Though a brilliant geneticist Henry Wallace was a self-obsessed political figure blind to the manipulations of aides many of whom were Soviet agents and assets From 1933 to 1949 Wallace undertook a series of remarkable interventions abroad each aimed at remaking the world order according to his evolving spiritual blueprint As agriculture secretary he fell under the spell of Russian mystics and used the cover of a plant gathering mission to aid their doomed effort to forge a new theocratic state in Central Asia As vice president he toured a Potemkin Siberian continent guided by undercover Soviet security and intelligence officials who hid labor camps and concealed prisoners He then wrote a book together with an American NKGB journalist

source hailing the region's renaissance under Bolshevik leadership In China the Soviets uncovered his private efforts to coax concessions to Moscow from Chiang Kai shek fueling their ambitions to dominate Manchuria Running for president in 1948 he colluded with Stalin to undermine his government's foreign policy allowing the dictator to edit his most important election speech It was not until 1950 that he began to acknowledge his misapprehensions regarding the Kremlin's aims and conduct Meticulously researched and deftly written *The World That Wasn't* is a spellbinding work that shows how American history and world history could have turned out very differently if just a few things had gone the other way *The Wall Street Journal*

The Poetical Works of Mrs. Leprohon (Miss R. E. Mullins) Rosanna Eleanor Mullins, 2024-05-06 Reprint of the original first published in 1881 *History of Nashville, Tenn* John Wooldridge, 1890 ***The New England Magazine***, 1902

The Government of Iowa Frank Edward Horack, 1921 ***The Poetical Works of Mrs. Leprohon*** Rosanna Eleanor Leprohon, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Pioneer Black Clergywomen* Josephine Whitely-Fields PhD MDiv, 2021-01-29 Black clergywomen are pioneers of the United Methodist Church who continue to significantly contribute to making disciples and spreading the good news of the gospel of Jesus Christ Their stories are inspiring illustrations of the Holy Spirit at work in ordinary people who said yes to ordained ministry Black clergywomen have endured many challenges and injustices in the predominately White male vocation However they have also experienced accomplishments and victories despite the opposition that were made possible by the intervening power of God through prayer hard work perseverance and the efforts of other women and men of various races and cultures in the United Methodist Church other faith persuasions and members of the greater society Black clergywomen have been able to facilitate spiritual numerical and financial growth in Black and White churches under their leadership Black clergywomen have endured many individual institutional and systemic acts of racism sexism and ageism while being subjected to economic discrimination They often fight for equality of others in our society while being denied those same rights in the church Their continuance exemplifies their commitment to be the embodiment of Christ love to all people The United Methodist Church has intensified their commitment to dismantle racism but the question still remains How will the specific dismantling of racism sexism ageism classism and economic discrimination against Black clergywomen be addressed *STORIES* Bishop Linda Lee Rev Dr Josephine Whitely Fields Rev Dr Tara Sutton Bishop Tracy Malone Rev Cheryl Bell Bishop Sharma Lewis Rev Edna Morgan Bishop Cynthia Moore Koikoi Rev Ella DeDeaux *The Couple's Guide to Love and Money* Jonathan Rich, 2003-02-09 We all have expectations about how to spend money where it should come from how much is needed for financial security how important it is and whether or not we can trust other people to be responsible about money When these expectations come up against a partner's competing ideas serious trouble can result Money conflict is after all the most common factor cited as grounds for divorce This practical and insightful guide

helps you and your partner understand your individual money personalities Its techniques will teach you to successfully negotiate and communicate about money merge your money management styles and implement the right money management techniques to achieve financial freedom together Pioneer Settlers of New Mexico Territory Decloris Kay Curtis-Ward,2008-12-01 This work has been done so the next generations will know about their family history and how our True Pioneer Heritage made the United States the greatest country there is to live in
