Diamond,2008-02-28 Is love blind when it comes to gender For women it just might be This unsettling and original book offers a radical new understanding of the context dependent nature of female sexuality Lisa M Diamond argues that for some women love and desire are not rigidly heterosexual or homosexual but fluid changing as women move through the stages of life various social groups and most important different love relationships This perspective clashes with traditional views of sexual orientation as a stable and fixed trait But that view is based on research conducted almost entirely on men Diamond is the first to study a large group of women over time She has tracked one hundred women for more than ten years as they have emerged from adolescence into adulthood She summarizes their experiences and reviews research ranging from the psychology of love to the biology of sex differences Sexual Fluidity offers moving first person accounts of women falling in and out of love with men or women at different times in their lives For some gender becomes irrelevant I fall in love with the person not the gender say some respondents Sexual Fluidity offers a new understanding of women s sexuality and of the central importance of love Current Research on Bisexuality Ronald Fox,2013-04-03 Current Research on Bisexuality is an

important resource on recent psychological and sociological findings in bisexual studies The authors provide research findings and case studies that add to our understanding of bisexual identity bisexuality and relationships bisexuality and ethnicity and attitudes toward bisexual people This book examines research findings literature reviews and a wealth of resources that currently exist on bisexuality and bisexual issues This book will bring you up to date on bisexual identity development bisexuality in college students cross orientation friendships of bisexual women bisexual married women and

men and their spouses bisexuality and heterosexually married couples monogamous as well as open bisexual relationships the interrelationship of bisexuality race and ethnicity attitudes toward bisexual women and bisexual men Current Research on Bisexuality also contains a comprehensive reader's guide to the current social science literature about bisexuality This bibliography brings together a wide range of nonfiction books journal articles book chapters theses and dissertations on bisexuality with a focus in the theoretical research clinical and community perspectives that have developed in the last twenty years This reading list is essential for students educators researchers and practitioners in psychology counseling social work psychiatry education sociology and anthropology Current Research on Bisexuality provides new knowledge of the life experiences of bisexual people With this book you will find a basis for further research and education about bisexuality in the greater context of ongoing research education and advocacy regarding lesbian gay bisexual and transgender issues

Sexual Citizenship David Evans, 2013-01-11 This enthralling and provocative book provides a new grounding for the understanding of sexual rights It argues that all varieties of sexuality under capitalism are materially constructed out of the complex interrelationship between the market and the state The examples of different sexual rights and lack of rights that it examines include the experience of male homosexuals bisexuals transvestites transsexualists and children Meticulous focused and challenging it will be required reading for anyone interested in modern human sexualities *Bisexuality* Thomas Geller, 1990 *Love and Intimate Relationships* Norman M. Brown, Ellen S. Amatea, 2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work *Love and Intimate Relationships* investigates the life cycle of relationships influences that affect them theories behind them and ways to improve them Dozens of stories from students themselves case examples and over 150 tables figure and the cartoons of Don Edwing of *Mad Magazine* help bring the material alive The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject *Love and Intimate Relationships* helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology marriage counseling human relations and sexuality and interpersonal relationships *A Companion to Lesbian, Gay, Bisexual, Transgender, and Queer Studies* George E. Haggerty, Molly McGarry, 2015-06-29 *A Companion to Lesbian Gay Bisexual Transgender and Queer Studies* is the first single volume survey of current discussions taking place in this rapidly developing area of study Recognizing the multidisciplinary nature of the field the editors gather new essays by an international team of established and emerging scholars Addresses the politics economics history and cultural impact of sexuality Engages the future of queer studies by asking what sexuality stands for what work it does and how it continues to structure discussions in various academic disciplines as well as contemporary politics **Territories of the Soul** Nadia Ellis, 2015-08-27 Nadia Ellis attends to African diasporic belonging as it comes into being through black expressive culture Living in the diaspora Ellis asserts means existing between claims to land and imaginative flights unmoored from the earth

that is to live within the territories of the soul Drawing on the work of Jose Mu oz Ellis connects queerness utopian potential with diasporic aesthetics Occupying the territory of the soul being neither here nor there creates in diasporic subjects feelings of loss desire and a sensation of a pull from elsewhere Ellis locates these phenomena in the works of C L R James the testy encounter between George Lamming and James Baldwin at the 1956 Congress of Negro Artists and Writers in Paris the elusiveness of the queer diasporic subject in Andrew Salkey s novel *Escape to an Autumn Pavement* and the trope of spirit possession in Nathaniel Mackey s writing and Burning Spear s reggae Ellis use of queer and affect theory shows how geographies claim diasporic subjects in ways that nationalist or masculinist tropes can never fully capture Diaspora Ellis concludes is best understood as a mode of feeling and belonging one fundamentally shaped by the experience of loss

Sexual Citizenship David Trevor Evans,1993 This provocative book provides a new grounding for the understanding of sexual rights It examines the ways in which sexuality is constructed with reference to the rights and lack of rights of homosexuals transvestites children and others

The Big Top on the Big Screen Teresa Cutler-Broyles,2020-01-27
Circuses and film are a natural pairing and the new essays making up this volume begin the exploration of how these two forms of entertainment have often worked together to create a spectacle of onscreen alchemy The films discussed herein are an eclectic group ranging from early silent comedies to animated 21st century examples in which circuses serve as liminal or carnivalesque spaces wherein characters and by extension audience members can confront issues as far reaching as labor relations sensuality identity ethics and more The circus as discussed in these essays encompasses the big top the midway the sideshow and the freak show it becomes backdrop character catalyst and setting and it is welcoming malicious or terrifying Circus performers are family friends foe or all of the above And film is the medium that brings it all together This volume starts the conversation about how circuses and film can combine to form productive exciting spaces where almost anything can happen

Literacy Research for Political Action and Social Change Mollie V. Blackburn,Caroline T. Clark,2007
This book and its contributors all of whom view literacy research as explicitly political and potentially transformative provide images and approaches that show how work with in the local can and must be connected to global issues in order to effect political action Researchers and educators are urged to take activist stances that directly affect and address the needs of all people across lines of race class ethnicity sexuality and gender The book is organized into three parts each focusing on different aspects of literacy research for political action These include theoretical considerations and methodological approaches that support this work a reconsideration of the roles of participants as collaborators in this kind of literacy research and finally examples of projects specifically aimed at addressing global issues through local research for political action

Handbook of the New Sexuality Studies Steven Seidman,Nancy Fischer,Chet Meeks,2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines the expanding book market has been filled with specialist oriented texts which are often theoretically focused and

contain too many summaries for an undergraduate audience Addressing this imbalance this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of this emerging field Its central premise is to explore the social character of sexuality the role of social differences such as race or nationality in creating sexual variation and the ways sex is entangled in relations of power and inequality Through this novel approach the field of sexuality is considered for the first time in multicultural global and comparative terms and from a truly social perspective This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some of the most innovative work being done Each contribution clearly conveys the latest research with examples Ideal for students of gender and sexuality studies this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies

Bisexuality and the Challenge to Lesbian Politics Paula C Rust,1995-10 The subject of bisexuality continues to divide the lesbian and gay community At pride marches in films such as Go Fish at academic conferences the role and status of bisexuals is hotly contested Within lesbian communities formed to support lesbians in a patriarchal and heterosexist society bisexual women are often perceived as a threat or as a political weakness Bisexual women feel that they are regarded with suspicion and distrust if not openly scorned Drawing on her research with over 400 bisexual and lesbian women surveying the treatment of bisexuality in the lesbian and gay press and examining the recent growth of a self consciously political bisexual movement Paula Rust addresses a range of questions pertaining to the political and social relationships between lesbians and bisexual women By tracing the roots of the controversy over bisexuality among lesbians back to the early lesbian feminist debates of the 1970s Rust argues that those debates created the circumstances in which bisexuality became an inevitable challenge to lesbian politics She also traces it forward predicting the future of sexual politics

Bisexuality Beyond Binaries Lisa Speidel,2025-03-31 This book brings together a collection of diverse contributors to discuss bisexual erasure and biphobia and how this intersects with racism sexism ableism and transphobia Amplifying the voices of a group often unheard and erased this book explores and celebrates the experiences stories and complexities of bisexual identity providing tools to help dismantle the dehumanization of erasure move beyond the gender binary and increase visibility of multiple bisexualities Beginning by outlining key definitions labels and context each chapter addresses an identity or experience that intersects with bisexual identity such as disability masculinity femininity gender diverse identities media religion dating apps porn non monogamy intimate partner violence aging kink and sex work Each chapter begins with theoretical research before illuminating the personal narratives of bisexual people especially people of color that reflect the negative impact of bisexual erasure as well as the joy beauty and resilience of bisexuality Engaging and powerful this book will help sex therapists students and educators enhance their inclusive and supportive practices It will also be of immense

interest to bisexual people so they may see diverse realities celebrating stories of resistance and joy *Hindsight: An Autobiography* Charlotte Wolff, 2019-08-16 Hindsight is the memoir of an outsider a stateless person a Jew and as Wolff called herself a conscious lesbian Love for women had been her inclination since she could remember and she writes that no one in her family questioned it In Hindsight she describes her girlfriends from Danzig of 1910 with the same candor as adult lovers she meets in Germany France and England She gives a vivid account of the years she spent as a physician and party girl in Weimar Berlin her friendship with Walter and Dora Benjamin and her interest in chiromancy the study of hands and sexology Wolff writes movingly about Jewish identity and history medicine psychotherapy and her life as a 20th century lesbian She is particularly insightful about how statelessness affects the psyche She probes her attraction to glamorous friends such as the fashion journalist Helen Hessel Kathe of Jules and Jim and Baladine Klossowska mother of the painter Balthus in Paris She describes the wartime refugee colony of Sanary France and the Quakers Surrealists Thomas and Heinrich Mann and Maria and Aldous Huxley whom she met there When she moves to London in 1936 her medical degree is not recognized and she reads hands for a living including the hands of Virginia Woolf Sybille Bedford and the Duchess of Windsor before becoming a researcher at University College London Though reluctant to become what she called a professional lesbian Wolff began to join same sex political groups in the 1960s after researching her book Love Between Women published in 1971 Germans invited her to Germany and she ends her book with a detailed account of her triumphant return to Berlin at the age of 80 By turns discursive narrative and confessional this is a unique woman s contribution to the social history of Jews medicine and psychotherapy
