Lower Piedmont Country H.C. Nixon,1984 **Lower Piedmont Country** Herman Clarence Nixon,1946 **Lower Piedmont Country** Herman Clarence Nixon,1984-05-01 This classic examination of the Southern hill country surveys the history politics religion economy and folkways of the region as the author knew them in the Great Depression and World War II

The Southern Way of Life Charles Reagan Wilson,2022-11-30 How does one begin to understand the idea of a distinctive southern way of life a concept as enduring as it is disputed In this examination of the American South in national and global contexts celebrated historian Charles Reagan Wilson assesses how diverse communities of southerners have sought to define the region s identity Surveying three centuries of southern regional consciousness across many genres disciplines and cultural strains Wilson considers and challenges prior presentations of the region advancing a vision of southern culture that has always been plural dynamic and complicated by race and class Structured in three parts The Southern Way of Life takes readers on a journey from the colonial era to the present from when complex ideas of southern civilization rooted in slaveholding and agrarianism dominated to the twenty first century rise of a modern multicultural southern living As Wilson shows there is no singular or essential South but rather a rich tapestry woven with contestations contingencies and change

The New South, 1945-1980 Numan V. Bartley,1995 First published in 1955 to wide acclaim

T Harry Williams P G T Beauregard is universally regarded as the first authoritative portrait of the Confederacy s always dramatic often perplexing general Chicago Tribune Chivalric arrogant and of exotic Creole Louisiana origin Beauregard participated in every phase of the Civil War from its beginning to its end He rigidly adhered to principles of war derived from his studies of Jomini and Napoleon and yet many of his battle plans were rejected by his superiors who regarded him as excitable unreliable and contentious After the war Beauregard was almost the only prominent Confederate general who adapted successfully to the New South running railroads and later supervising the notorious Louisiana Lottery This paradox of a man who fought gallantly to defend the Old South and then helped industrialize it is the fascinating subject of Williams superb biography

Rivers of History Harvey H. Jackson,1995-07-30 Jackson weaves a seamless tale stretching from the Native American river settlements to the paper mills and hydroelectric plants of the late twentieth century Southern Historian

Inside Alabama Harvey H. Jackson,2003 An insider s perspective in a conversational yet unapologetic style on the events and conditions that shaped modern day Alabama

Katherine Anne Porter Janis P. Stout,1995 Katherine Anne Porter s life closely paralleled that of her century not only in its span 1890 1980 but in its interests and contradictions A communist sympathizer who became a quasi fascist a cosmopolitan who embraced southern agrarianism a femme fatale whose writings nonetheless evince feminist feeling Porter embodied often at their extremes the major currents of her time and ours In this new biography Janis P Stout argues that these inconsistencies can be viewed as part and parcel of modernism itself Drawing on Porter s rich and voluminous correspondence as well as published works Stout here sets out to

craft an intellectual biography of a woman who by her own admission was not really an intellectual Stout reveals the extent of Porter's involvement in events of public significance and her interactions with prominent figures from President Alvaro Obregon of Mexico in 1920 to Hermann Goering in Berlin in 1931 to Robert Penn Warren Eudora Welty Allen Tate and others in the 1930s and 1940s to members of the Lyndon Johnson White House in the 1960s Against the backdrop of world war and cold war Porter's conflicting views on politics race religion and feminism reflected Porter's ambivalence toward her own Texas roots

But for Birmingham Glenn T. Eskew, 2000-11-09 Birmingham served as the stage for some of the most dramatic and important moments in the history of the civil rights struggle In this vivid narrative account Glenn Eskew traces the evolution of nonviolent protest in the city focusing particularly on the sometimes problematic intersection of the local and national movements Eskew describes the changing face of Birmingham's civil rights campaign from the politics of accommodation practiced by the city's black bourgeoisie in the 1950s to local pastor Fred L. Shuttlesworth's groundbreaking use of nonviolent direct action to challenge segregation during the late 1950s and early 1960s In 1963 the national movement in the person of Martin Luther King Jr. turned to Birmingham The national uproar that followed on Police Commissioner Bull Connor's use of dogs and fire hoses against the demonstrators provided the impetus behind passage of the watershed Civil Rights Act of 1964 Paradoxically though the larger victory won in the streets of Birmingham did little for many of the city's black citizens argues Eskew The cancellation of protest marches before any clear cut gains had been made left Shuttlesworth feeling betrayed even as King claimed a personal victory While African Americans were admitted to the leadership of the city the way power was exercised and for whom remained fundamentally unchanged

Taming Alabama Paul M. Pruitt, 2010-07-20 Taming Alabama focuses on persons and groups who sought to bring about reforms in the political legal and social worlds of Alabama Most of the subjects of these essays accepted the fundamental values of nineteenth and early twentieth century white southern society and all believed or came to believe in the

transforming power of law As a starting point in creating the groundwork of genuine civility and progress in the state these reformers insisted on equal treatment and due process in elections allocation of resources and legal proceedings To an educator like Julia Tutwiler or a clergyman like James F Smith due process was a question of simple fairness or Christian principle To lawyers like Benjamin F Porter Thomas Goode Jones or Henry D Clayton devotion to due process was part of the true religion of the common law To a former Populist radical like Joseph C Manning due process and a free ballot were requisites for the transformation of society

Sloss Furnaces and the Rise of the Birmingham District W. David Lewis, 1994-10-30 Sloss Furnaces and the Rise of the Birmingham District contradicts earlier interpretations of southern industrialization by showing that Birmingham which became a leading symbol of the New South was in fact deeply rooted in the antebellum plantation system and its peculiar institution slavery As Lewis demonstrates southern businessmen pursued their own indigenous model of economic growth and were selective in how they imported capital machinery and technical expertise from outside the region The racial crises that erupted in Birmingham during the 1960s can be traced in part to labor intensive developmental strategies that were present from the birth of a city that might have become a bastion of industrial slavery if the South had won the Civil War
