Morton, Chuck Death, 2018-05-29 The comic strips of Colin B Morton and Chuck Death deliver an irreverent heartfelt and devastatingly funny history of rock and roll Like Monty Python at its best their version is surreal and ridiculous yet somehow everything in it rings true According to Morton and Death the bass player in Led Zeppelin was Jean Paul Sartre And despite having been able to think up brilliant titles for their first three albums Led Zeppelin were stuck for what to call the fourth one so they put a load of prunes on the front In strip after strip Morton Death pinpoint the absurdities and oddities of rock history In the process they often come closer to its truth than conventional accounts do as well as being far more entertaining As for the drawings their caricatures of rock stars from Mick Jagger to Frank Zappa Johnny Rotten to Courtney Love are in themselves worth the price of admission Herd Register American Jersey Cattle Club, 1896 **Forest and Stream** , 1895
