The Bernsteinzimmer Mystery Gene Lovell,2005-11-28 The Amber Room treasure hunt is different from most searches for riches it actually begins at the end of a war as a quest for blood and bone men desperate criminal men trying to avoid prosecution for war crimes The Allies are trying to capture these men who now seek refuge in the West by slipping by their captors disguised as ordinary citizens Wolves pretending to be sheep rats masquerading mice hence the tag line for their route a Rat Line Our heroes are counterintelligence GI s who have a hard time convincing their superiors that such a Rat Line really exists They even risk court martial to prove their point The war ends and the discouraged Allies turn their attention to more materially rewarding activity finding this immense fortune stolen by the Nazis and hidden in the Soviet Zone of occupation First they have to crack the information out of the Nazi who stole it now a prisoner in Colditz Castle find it then ferret it out of a Europe swarming with refugees communists starving patriots and desperate ideologues Along the way they become woodsmen gypsies and members of a circus But will their disguises pay off *Education Outlook* ,1902

**1941--The Greatest Year In Sports** Mike Vaccaro,2008-06-10 Joe DiMaggio Ted Williams Joe Louis Billy Conn Whirlaway Against the backdrop of a war that threatened to consume the world these athletes transformed 1941 into one of the most thrilling years in sports history In the summer of 1941 America paid attention to sports with an intensity that had never been seen before World War II was raging in Europe and headlines grew worse by the day even the most optimistic people began to accept the inevitability of the United States being drawn into the conflict In sports pages and arenas at home however an athletic perfect storm provided unexpected and uplifting relief Four phenomenal sporting events were underway each destined to become legend In 1941 The Greatest Year in Sports acclaimed sportswriter Mike Vaccaro chronicles this astounding moment in history Fueled by a somber mania for sports a desire for good news to drown out the bad Americans by the millions fervently watched listened and read as Joe DiMaggio dazzled the country by hitting in a record setting fifty six consecutive games Ted Williams powered through an unprecedented 406 season Joe Louis and Billy Conn the heavyweight

and light heavyweight champions battled in unheard of fashion for boxing's ultimate championship and the phenomenal some say deranged thoroughbred Whirlaway raced to three heart stopping victories that won the coveted Triple Crown of horse racing As Phil Rizzuto perfectly expressed You read the sports section a lot because you were afraid of what you'd see in other parts of the paper Gripping and nostalgic 1941 The Greatest Year in Sports focuses on these four seminal events and brings to life the national excitement and remarkable achievement many of these records still stand today as well as the vibrant lives of the athletes who captivated the nation With vast insight Vaccaro pulls back the veil on DiMaggio's anxieties and the building pressure of The Streak and chronicles the brash young confidence Williams displayed as he hammered his way through the baseball season largely in DiMaggio's shadow He takes readers inside the head of Billy Conn a kid who traded in his light heavyweight belt for a shot at the very decent and very powerful Joe Louis and tells the story of the fire breathing racehorse Whirlaway who was known either for setting track records or tearing off in the wrong direction Rich in historical detail and edge of your seat reporting Mike Vaccaro has crafted a lasting important book that captures a portrait of one of America's most trying and extraordinary eras
