Lu Shengzhong The Of Humanity:

Contemporary Chinese Visual Culture , **Out of the Ordinary** Laurie Britton-Newell, 2007-12 This is a unique look at a group of international artists who place craft at the heart of their practice transforming everyday subjects and ordinary materials into works that are out of the ordinary The book features unusual works including the ephemeral ice and chocolate jewellery of Naomi Filmer the almost hidden installations by Yoshihiro Suda thread and lace work of Anne Wilson and scrap metal sculptures by Olu Amoda These innovative artists show that craft is a fundamental concern across many disciplines and that the redirection of materials and traditional techniques and use of scale achieves extraordinary outcomes 中国·当代
Christophe Mao, 2004 The Chinese folk art of paper cutting is ancient but Lu Shengzhong's artistic practice which employs it is thoroughly modern His signature Little Red Figure a slightly devious looking splayed personage is as distinctive as a Haring graffiti man and in Lu's installations just as ubiquitous The artist fills a room with the individually replicated form which seems at once both whimsical and frightening This catalogue of an exhibition at Chambers Fine Art in New York is a work of art itself featuring a red paper cover embossed with scissors and one of the red figures Inside studio shots reveal Lu Shengzhong's involved work process and pages from his cutout books are reproduced This bridge between ancient and contemporary Chinese art is essential for fans of both 中国·当代
