Lucifer And The Angel:

Lucifer Kenneth Gullett,2017-02-27 Lucifer s name is mentioned only once in scripture yet he remains a powerful evil influence over the world This has been the case from the time of Adam and Eve to today and will remain so until final judgment is executed upon the Earth What is Lucifer s ultimate goal How can we fight such a daunting adversary when angels themselves with their supernatural strength dare not contend with him Furthermore since the Bible tells us that Lucifer is the god of this world what kind of merchandise does he use in tempting us to sin The scripture is clear in its description of who he is and what he intends Being the fallible beings that we are how can we resist the evil temptations that can draw us away from the True God of heaven who is the Creator of all things It is God Who separated the light from the darkness according to Genesis chapter one and it is He who separates good and evil through His living Word Jesus Christ therefore it s in Him alone that we have hope and salvation not in Lucifer nor in ourselves This work is intended to reveal who Lucifer our great adversary really is his attributes merchandise and his goals But foremost through this work the true King of Kings and Lord of Lords will also be revealed

Paradise Lost is a story about Satan Michael Gabriel and Lucifer represented a kind of angel that made heaven complete In heaven there were servants guardians and entertainers Each kind of angel made heaven a kingdom Besides the fact that heaven was a kingdom it was also a paradise There was room for art entertainment and inspiration However that did not happen Lucifer was an angel that was made very beautiful In fact more beautiful than all the other angels While other angels worked and earned a name Lucifer fell in love with status See once an angel had a name it was very well known This process made heaven a very orderly place If some angels did not come through with their given duties heaven was not in order Ranks were just a kind of classification Heaven became a mess on behalf of those angels that made heaven a delightful place Lucifer broke free out the angels that actually worked This rupture was a chain to separate one third of the angels Lucifer's idea was to take credit for what was accomplished However rank only characterized of what one angel was able to do Lucifer was very confused because he not understand paradise He thought the kingdom could be scaled When Lucifer saw God as king he felt jealousy Lucifer did not accomplish enjoyment in his role as an entertainer He became ambitious to knowledge rather than being an artful muse Instead of bedazzling God he rebelled and tricked all those who would listen His plan to obtain a rank lead them leave to heaven The return of these angels of art and music bleed fear in the heart of another third of angels which followed Michael As they fought each other God was left with only one third of angels like Gabriel Satan's defeat was easy because valor in rank wasn't what they were up against Satan fought angels with greater capabilities Michael and his angels worked as labor servants so they won Lucifer the head of all Satan's angels was apprehended by Michael after that fight for escaping battle and causing all that trouble
