Montgomery Reader Benjamin Lefebvre, 2014-07-31 Now available in paperback The L M Montgomery Reader assembles rediscovered primary material on one of Canada's most enduringly popular authors spanning the entirety of her high profile career and the years since her death The second volume A Critical Heritage narrates the development of L M Montgomery's critical reputation in the years since her death It traces milestones and turning points such as adaptations for stage and screen posthumous publications and the development of Montgomery Studies as a scholarly field The introduction also considers Montgomery's publishing history in Canada the United States and the United Kingdom at a time when her work remained in print not because it was considered part of a university canon of literature but simply due to the continued interest of readers Each volume in The L M Montgomery Reader is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that traces the interplay between the author and the critic as well as between the private and the public Montgomery Montgomery Stan Sauerwein, 2019-08-29 I set my teeth and said I will succeed I believed in myself and struggled on alone I never told my ambitions and efforts and failures to anyone Down deep down under all discouragement and rebuff I knew I would arrive someday Lucy Maud Montgomery Against the odds and battling severe mental and physical health issues Lucy Maud Montgomery published twenty three books over a thirty year period Her stories are still enjoyed around the world and have been immortalized on film television and stage The spirited story of orphaned Anne was inspired by the natural beauty of Prince Edward Island and Lucy Maud Montgomery's writing still resonates with readers today Updated with the latest research encompassing the last few years of Lucy Maud Montgomery s life and her death by suicide and beautifully illustrated in this new edition with 100 photographs this biography looks beyond the surface at the story of Anne s creator and her often difficult life The Intimate Life of L.M. Montgomery Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer The Intimate Life of L M Montgomery answers these questions The eleven essays illuminate Montgomery s personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery's personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved Anne of Green Gables Focussing on topics such as sexuality

depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery s most intensely guarded secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of The Intimate Life of L M Montgomery is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery's teasing banter presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure This volume fills in many of the blanks surrounding Montgomery s personal life Engaging and erudite it is a boon for scholars and Montgomery fans alike A World of Songs L.M. Montgomery, 2019-01-22 Celebrated as a novelist and made famous by her novel Anne of Green Gables and its sequels L M Montgomery 1874 1942 is far less known for also writing and publishing hundreds of poems over a period of half a century Although this output included a chapbook and a full length collection in which she presented herself primarily as a nature poet most of her poems appeared in periodicals including women s magazines farm papers faith based periodicals daily and weekly newspapers and magazines for children As a shrewd businesswoman she learned to find the balance between literary quality and commercial saleability and continued to publish poetry even though it paid less than short fiction A World of Songs Selected Poems 1894 1921 the second volume in The L M Montgomery Library gathers a selection of fifty poems originally published across a twenty five year period Benjamin Lefebvre organizes this work within the context of Montgomery's life and career claiming her not only as a nature poet but also as the author of a wider range of songs of place of memory of lamentation of war of land and sea of death and of love Many of these poems echo motifs that readers of Montgomery s novels will recognize and many more explore surprising perspectives through the use of male speakers These poems offer today s readers a new facet of the career of Canada s most enduringly popular author **House of Dreams:** The Life of L. M. Montgomery Liz Rosenberg, 2018-06-12 An affecting biography of the author of Anne of Green Gables is the first for young readers to include revelations about her last days and to encompass the complexity of a brilliant and sometimes troubled life Once upon a time there was a girl named Maud who adored stories When she was fourteen years old Maud wrote in her journal I love books I hope when I grow up to be able to have lots of them Not only did Maud grow up to own lots of books she wrote twenty four of them herself as L M Montgomery the world renowned author of Anne of Green Gables For many years not a great deal was known about Maud's personal life Her childhood was spent with strict undemonstrative grandparents and her reflections on writing her lifelong struggles with anxiety and depression her year of mad passion and her difficult married life remained locked away buried deep within her unpublished personal journals Through this revealing and deeply moving biography kindred spirits of all ages who like Maud never gave up the substance of things hoped for will be captivated anew by the words of this remarkable woman L. M. Montgomery Marylou Morano Kjelle, 2013-11 This Prince Edward Island native is the widely recognized author of the beloved Anne of Green Gables series
