Music. Accessions, pt.[1]-94 British museum dept. of pr. books, 1884 *The Creation of Beethoven's 35 Piano Sonatas* Barry Cooper, 2017-04-05 Beethoven's piano sonatas are a cornerstone of the piano repertoire and favourites of both the concert hall and recording studio The sonatas have been the subject of much scholarship but no single study gives an adequate account of the processes by which these sonatas were composed and published With source materials such as sketches and correspondence increasingly available the time is ripe for a close study of the history of these works Barry Cooper who in 2007 produced a new edition of all 35 sonatas including three that are often overlooked examines each sonata in turn addressing questions such as Why were they written Why did they turn out as they did How did they come into being and how did they reach their final form Drawing on the composer's sketches autograph scores and early printed editions as well as contextual material such as correspondence Cooper explores the links between the notes and symbols found in the musical texts of the sonatas and the environment that brought them about The result is a biography not of the composer but of the works themselves
