Gender and Policing Louise Westmarland, 2002-01-01 Gender and Policing is an innovative study of the real world of street policing and the gender issues which are a central part of this Derived from extensive ethnographic research involving police responses to gangland shootings high speed car chases as well as more routine policing activities this book examines the way police attitudes and beliefs combine to perpetuate a working culture which is dependent upon traditional conceptions of male and female In doing so it challenges previously held assumptions about the way women are harassed manipulated and constrained focusing rather on the more subtle impact of structures and norms within police culture Gender and Policing will be of interest to all those concerned with questions of policing and gender and occupational culture more generally while the theoretical framework developed will provide an important foundation for strategies of reform At the same time the book provides a vivid and richly textured picture of the realities of operational policing in contemporary Britain

Black Lenses, Black Voices Mark A. Reid, 2005-03-25 Black Lenses Black Voices is a provocative look at films directed and written and sometimes produced by African Americans as well as black oriented films whose

directors or screenwriters are not black Mark Reid shows how certain films dramatize the contemporary African American community as a politically and economically diverse group vastly different from film representations of the 1960s Taking us through the development of African American independent filmmaking before and after World War II he then illustrates the unique nature of African American family action horror female centered and independent films such as Eve s Bayou Jungle Fever Shaft Souls of Sin Bones Waiting to Exhale Monster s Ball Sankofa and many more **Killing African Americans**

Noel A. Cazenave,2018-05-16 Killing African Americans examines the pervasive disproportionate and persistent police and vigilante killings of African Americans in the United States as a racial control mechanism that sustains the racial control system of systemic racism Noel A Cazenave s well researched and conceptualized historical sociological study is one of the first books to focus exclusively on those killings and to treat them as political violence Few issues have received as much conventional and social media attention in the United States over the past few years or have for decades now sparked so many protests and so often strained race relations to a near breaking point Because of both its timely and its enduring relevance Killing African Americans can reach a large audience composed not only of students and scholars but also of Movement for Black Lives activists politicians public policy analysts concerned police officers and other criminal justice professionals and anyone else eager to better understand this American nightmare and its solutions from a progressive and informed African American perspective **Filmed Thought**

Robert B. Pippin,2019-12-16 With the rise of review sites and social media films today as soon as they are shown immediately become the topic of debates on their merits not only as entertainment but also as serious forms of artistic expression Philosopher Robert B Pippin however wants us to consider a more radical proposition film as thought as a reflective form Pippin explores this idea through a series of perceptive analyses of cinematic masterpieces revealing how films can illuminate in a concrete manner core features and problems of shared human life Filmed Thought examines questions of morality in Almod var s Talk to Her goodness and na vet in Hitchcock s Shadow of a Doubt love and fantasy in Sirk s All That Heaven Allows politics and society in Polanski s Chinatown and Malick s The Thin Red Line and self understanding and understanding others in Nicholas Ray s In a Lonely Place and in the Dardennes brothers oeuvre In each reading Pippin pays close attention to what makes these films exceptional as technical works of art paying special attention to the role of cinematic irony and as intellectual and philosophical achievements Throughout he shows how films offer a view of basic problems of human agency from the inside and allow viewers to think with and through them Captivating and insightful Filmed Thought shows us what it means to take cinema seriously not just as art but as thought and how this medium provides a singular form of reflection on what it is to be human [Venetian Bind](#)

Lawrence E. Rothstein,2024-05-15 In Venetian Bind Detective Marko Korb and his associate Kelan Su a Chinese American woman must hunt down a murderer and prevent a devastating terrorist attack in the romantic city of Venice Korb a fat egotistical and brilliant detective and Kelan Su a former Chicago police officer licensed attorney and martial arts expert

arrive in Venice to investigate the murder of Stefan Pakuli a former Serbian paramilitary leader and accused war criminal. The daughter of a Bosnian expat who had rescued Korb from Pakuli's clutches during the war is a suspect in the killing. Korb is torn between finding the murderer and his sympathy for the Serbian's killer. The Venetian binds the investigation leads to Pakuli's connection with Italian neo fascists planning a terrorist action in Venice. It takes Korb's genius and the intrepid sleuthing of Su to find the murderer, forestall the terrorist action and protect the daughter of Korb's rescuer.

Guys and Guns Amok Douglas Kellner, 2015-12-03 From the recent shootings at Virginia Tech University to the tragedies at Columbine and Oklahoma City certain common traits can be traced through all of these events. In *Guys and Guns Amok* media and cultural critic Douglas Kellner provides a fascinating diagnostic reading of these acts of domestic terrorism. Skillfully connecting each case with the current environment for male socialization and the search for identity in an American culture obsessed with guns and militarism Kellner's work is a sobering reflection on these tragedies and the pervasive power of media and popular culture as well as a wake up call for the future.

No Reason Laurence Ference, 2023-11-14 Planes were crashing into the World Trade Center the Pentagon and a farmer's field. The country and the world was in shock. Two months later a series of events began on a more personal level. It could have happened to anyone but it happened to him and his family. Fired for no reason from a longtime job it was like another plane had been commandeered and crashed into his life. Struggling to keep his family safe and provided for shortly after his divorce long term plans were being formulated for revenge. During this process help was needed to save his girlfriend's son from being consumed by the legal system over a child fathered out of wedlock. Enter the world of fighting the lopsided courts and throw in a dilemma with drug traffickers. Resettled in Vermont an encounter at a local bank turns into both a harrowing experience as well as a fortuitous event. Different jobs and a new relationship would help a family dealing with abuse but tangling with escaped convicts in the woods would all help to mold him and his new girlfriend into better people. And then there was their trip to New York City.

Her Best Shot Laura Browder, 2006 The relationship between women and guns and the ways in which the figure of an armed woman has served as a lightning rod for cultural issues are examined in a study that draws on advertising journalism fiction political writings and autobiographies among other sources.

Tribal Warfare Christopher J. Wright, 2006-01-01 *Tribal Warfare* thoroughly investigates a central element of the hit reality television show *Survivor* that the existing literature on reality television has overlooked: class politics. Christopher J. Wright combines textual analysis and survey research to demonstrate that *Survivor* operates and resonates as a political allegory. Using the work of Fredric Jameson this book reveals how *Survivor* frames its characters as haves and have nots. For those new to Jameson Wright breaks down the theorist's complex notion of the political unconscious into easily understandable language. Furthermore using the results of a survey of *Survivor* viewers *Tribal Warfare* demonstrates that viewers divide along gender racial age and most significantly class related lines in their consumption of and reaction to the program. The first book to explore the premise of *Survivor* as society

this unique work serves as both an engaging analysis of a popular television program and a highly readable primer for those new to critical theory **Cinematic Sociology** Jean-Anne Sutherland, Kathryn Feltey, 2010 Sociology Through Film uses feature films to teach central areas in sociology such as culture race ethnicity social class and gender sexuality By using Film to introduce the sociological imagination students will experience social context being studied and reinforce critical thinking skills An introductory chapter includes a discussion of the significance of film in modern society a consideration of the ways that film both reflects and shapes social reality an explanation of how sociologists analyze film and coverage of sociological tools for reading film as text Films will provide an illustrative framework for understanding the social world and therefore the films discussed will not go out of date **Understanding and Preventing Violence** Leighton C. Whitaker, 2000-06-22 More violence has been perpetrated in the 20th century than in the two previous centuries combined Understanding and Preventing Violence Unmasking the Mentality of Human Destructiveness elucidates the mentality of destructive behavior with the hopes that in the future the trend may be reversed through enlightenment But in order to choose to be **Press Summary - Illinois Information Service** Illinois Information Service, 1989 **Sociology** James Fulcher, John Scott, 2011-03-17 Sociology is relevant to current teaching and courses dealing with sociology as a living subject and incorporating the classic traditions of the discipline This new edition has been updated with a range of new case studies and additional chapters
