Macho Is This What I Really Want:

Macho Bateman Mahoney, Py Bateman, Bill Mahoney, 1986-01-01 Real Boys' Voices William Pollack, Todd Shuster, 2000-09-20 In my travels throughout this country I have discovered a glaring truth America's boys are absolutely desperate to talk about their lives says Dr William Pollack author of the bestseller Real Boys Now in Real Boys Voices Pollack lets us hear what boys today are saying even as he explores ways to get them to talk more openly with us Boys long to talk about the things that are hurting them their harassment from other boys their troubled relationships with their fathers their embarrassment around girls and confusion about sex their disconnection from and love for their parents the violence that haunts them at school and on the street their constant fear that they might not be as masculine as other boys In Real Boys Voices we hear verbatim what boys from big cities and small towns including Littleton Colorado have to say about violence drugs sports school parents love anger body image becoming a man and much much more Real Boys Voices takes us into the daily worlds of boys not only to show how society's outdated expectations force them to mask many of their true emotions but also to let us hear how boys themselves describe their isolation depression longing love and hope How can you get behind the mask of masculinity many boys wear How can you tell whether a bad boy is actually a sad boy and how do you spot the danger signals of depression How can you grow closer to the boy you love Pollack explores how to create safe spaces and engage in action talk how to listen so a boy will speak the truth about and be himself In the real boys voices here boys speak eloquently and truthfully about such topics as shame bullying and teasing the pressure to fit in addictions how they see the lives of the men they know the importance of their mothers and fathers their own spiritual and creative experiences friendships with other boys and with girls being gay and coping with divorce and other losses including the death of a friend or parent We also hear what boys from Columbine High School and other places say about fear and violence in their lives Full of insights from and about young and adolescent boys William Pollack's Real Boys Voices is an important illuminating and invaluable book for boys themselves and for all the people in their lives From Real Boys Voices Boys are supposed to shut up and take it to keep it all in Scotty from a small town in New England What I hate about this school is that I am being picked on in the halls and just about everywhere else Cody from a suburb in New England Sometimes people say there are two me's like I have a dual personality The public persona is not really who I am It's a tool to be who everyone wants me to be Raphael from a city in the West If you see abuse coming just walk out of the room or walk out of the house or go somewhere go to a friend's house go for a walk take your dog for a run whatever Just try to get away from that situation before it actually explodes Paul from a suburb in the West Maybe a couple of times I used to bully some kids I haven't bullied anyone since the shooting I try to be nicer to people even if I don't like them John from Littleton Colorado **MachoPoni: A Prance with Death (Poniworld Chronicles #1)** Lotus Rose, 2010-03-20 MachoPoni must rescue his girlfriend Dust from The Land of the Undead Ponies Unfortunately to do so he must become one of the undead himself Along the way he encounters a pony with a

mohawk the Chill Aid Man who's filled with blood and the CuddleBears who have porcupine quills and like to give deadly hugs The illustrations are included inside the book This first volume of the dementedly funny 80's nostalgia series The Poniworld Chronicles introduces us to MachoPoni He's a purple pony who tries to act tough but has a heart of gold And his heart has a soft spot for a female pony named Dust He's loved her ever since they were children though many would call him a fool for doing so Because most ponies would call Dust cruel and manipulative But the part of her that MachoPoni fell in love with is a part deep inside that she doesn't show to others These books are darkly humorous twisted parodies that maybe children shouldn't be allowed to read They're truly children's books for adults and teens delivered with a twisted sense of humor The Poniworld Chronicles MachoPoni A Prance With Death Mein Poni Kampf A Biography of the Leader of the Nazi Ponies My Brootal Poni A Very Butch Poni Tale Dust in Your Eyes An Erotic Poni Tale M'tley H'erd the Pony Glam Metal Band Dust on the Wind Journey to Redemption Octopony How the Alien Pony Princess Fell in Love

Real Boys' Voices William S. Pollack, Todd Shuster, 2001-05-01 What real boys have to say A lot of people use words like psycho or wacko to refer to people who are feeling glum or think they might want to take their own life I think these sorts of slang terms create further isolation in a teen and that's not what you want to do to a teen who already feels alone Alexander 18 from a small town in the South A guy is supposed to be strong tall and fast and have the qualities of an ideal athlete At the same time he's supposed to be smart He's expected to be nearly perfect Chandler 14 from a suburb in the Northwest What I hate about this school is that I am being picked on in the halls and just about everywhere else Cody 14 from a suburb in New England In Real Boys Dr William Pollack explored the issues that most boys in our nation face today In this fascinating follow up bestseller Pollack goes right to the source boys ages 10 to 20 evoking the secret struggles and passions of America's adolescent males in their own words Their voices are searingly honest and eager to be heard revealing how society's outdated expectations force them to mask their feelings of isolation depression longing love and hope We hear from boys and young men in big cities and small towns including survivors of the Columbine High School massacre who share compelling extraordinarily candid stories about bullying drugs sports school parents sex love and much more Pollack also offers ways to start a dialog and illustrates through templates what to do in many situations This is an eye opening book for teenage boys and girls but with its insights and strategies for dealing with their issues especially invaluable for all the people in their lives

Negotiating Work, Family, and Identity among Long-Haul Christian Truck Drivers Rebecca L. Upton, 2016-08-12 This book draws upon ethnographic and qualitative research in the United States to demonstrate the means through which long haul truck drivers navigate work and family tensions in ways that resonate across categories of race class gender and religion It examines how Christianity and constructions of masculinity are significant in the lives of long haul drivers and how truckers work to construct narratives of their lives as good moral individuals in contrast to competing cultural narratives which suggest images of romantic rule free renegade lives on the open road Based upon ethnographic fieldwork interviews observations of long haul truckers and

participation in a CDL school this rich ethnography highlights how Christian trucking opportunities provide avenues through which balance is struck between work and family masculinity and other identities Embedded in larger social discourse about the meaning of masculinity and similar to evangelical perspectives such as those of the Promise Keepers Christian truckers often draw upon older ideas about responsible breadwinning fatherhood in their discourse about being good fathers while on the road This discourse is in some conflict with the lived experiences of Christian truckers who simultaneously find themselves confronted by more contemporary cultural narratives of the work family balance and expectations of what it means to be a good worker or a good trucker The book offers new insight in the field of work and family studies and an extremely relevant voice in the broader contemporary discourse in the United States on the meaning of fatherhood and religion in the 21st century
