Mackinnon's Machine Sarah Wolf,1991 Heroine is a reference librarian in the Central Library of the University of California San Diego Narrative includes detailed descriptions of the Central Library MacKinnon Boiler and Machine Co v. Central Michigan Land Co, 156 MICH 15 (1909) ,1909 113 **Pulp and Paper Magazine of Canada** ,1917

Sex/Machine Patrick D. Hopkins,1998 As powerful interacting social and physical forces gender and technology shape our experiences cultures and identities sometimes in such comfortable and subtle ways that it takes effort to appreciate them sometimes in such conspicuous and explosive ways that everyone recognizes their importance Delving into these issues is an opportunity to discover how technology promises or threatens to rewrite our ideas about sex sexuality and gender identity

Hearings United States. Congress. House,1948 **The Diversity Machine** Frederick R. Lynch,2017-07-05 Diversity has become the turn of the century buzzword Republican and Democratic leaders ritually chant diversity is our strength and corporate CEOs talk about the need to create a workforce that looks like America Most corporate mission statements now contain a clause on valuing differences and millions of employees have completed or soon will undergo some sort of diversity training Where did all this come from and why Who created diversity programs How do they differ How effective are these policies Can they do more harm than good in organizations and in the wider society During the past decade sociologist Frederick R Lynch studied the rise of a social policy movement that has successfully moved multiculturalism from universities and foundations into the courts mass media and the American workplace The new diversity policies are future oriented and market driven eclipsing old affirmative action debates about overcoming past discrimination against blacks Based on more than six years of field research and hundreds of interviews Lynch tracks the development and impact of different forms of diversity policies at dozens of consultant gatherings in the business and professional literature and through in depth case studies such as the Los Angeles Sheriff s Department and the University of Michigan Ann Arbor He profiles the major consultants who have powered the diversity machine analyzes the benefits and drawbacks of various approaches to workplace diversity and provides numerous you are there samples of workshops seminars and conferences The book is written for the general reader interested in public policy issues social scientists and others interested in the origins and consequences of workplace diversity policies Speech of William Alex. Mackinnon, Esq. M.P. in the House of Commons, on Tuesday, Feb. 14, 1837 William Alexander Mackinnon,1838 **Love in Contemporary Technoculture** Ania

Malinowska,2022-03-31 This Element outlines the environments of loving in contemporary technoculture and explains the changes in the manner of feelings including the experience of senses spaces and temporalities in technologically mediated relationships Synchronic and retrospective in its approach this Element defines affection romance companionship intimacy etc in the reality marked by the material and affective intangibility that has emerged from the rise of digitalism and technological advancement Analysing the re constructions of intimacy it describes our sensual and somatic experiences in

conditions where the human body believed to be extending itself by means of the media and technological devices is in fact the extension of the media and their technologies It is a study that outlines shifts and continuums in the practices of togetherness and which critically rereads late modern paradigms of emotional and affective experiences filling a gap in the existing critical approaches to technological and technologized love Hendricks' Commercial Register of the United States for Buyers and Sellers ,1914 **Power House** ,1917 **Prefatory letter to Sir William Mackinnon, chairman of the Emin Pasha Relief Expedition** Henry Morton Stanley,1890 *Hendricks' Commercial Register of the United States* ,1909 American Lumberman ,1902 **In Darkest Africa: Prefatory letter to Sir William Mackinnon, Chairman of the Emin Pasha Relief Expedition** Henry Morton Stanley,1890 By 1885 Stanley had become deeply interested in the schemes of Mr afterwards Sir William Mackinnon chairman of the British India Steam Navigation Company for establishing a British protectorate in East Equatorial Africa and it was believed that this object could be furthered at the same time that relief was afforded to Emin Pasha governor of the the Equatorial Province of Egypt who had been isolated by the Mahdist rising of 1881 1885 Instead of choosing the direct route Stanley decided to go by way of the Congo as thereby he would be able to render services to the infant Congo State then encountering great difficulties with the Zanzibar Arabs established on the Upper Congo EB Stanley and Tippoo Tib the chief of the Congo Arabs entered into an agreement for the latter to assume governorship of the Stanley Falls station and supply carriers for the Emin relief expedition and then travelled up the Congo to Bangala together They parted ways at Stanley Falls and Stanley started his trip toward Albert Nyanza leaving a rear guard at Yambuya on the lower Aruwimi under the command of Major E M Barttelot Stanley s journey to Albert Nyanza became a hazardous 160 day march through nothing but miles and miles endless miles of forest that claimed the lives of over half of Stanley s men from starvation disease and hostility of the natives Finally upon the arrival at Albert Nyanza Stanley achieved communication with Emin but was troubled by the non arrival of his rear guard He retraced his steps back to Yambuya to find that Tippoo Tib had broken faith Barttelot had been murdered and the camp was in disarray and only one European was left Stanley again set out for Albert Nyanza where Stanley Emin Pasha and the survivors of the rear guard began the return journey to Zanzibar by way of Uganda a trip during which he discovered the Mountains of the Moon Ruwenzori traced the course of the Semliki River discovered Albert Edward Nyanza and the great southwestern gulf of Victorian Nyanza Of Stanley s original 646 men only 246 survived This account of his adventures was wildly popular and published in six languages Abebooks website **Construction** ,1918 **Chemical Engineering Catalog** ,1916 American Sugar Industry ,1912 On Wings of Death David J. Oldman,2013-06-26 A military aviator investigates a suspicious death in a novel of mystery action and intrigue set against the backdrop of the First World War They found the officer hanging in his hut another man who couldn t take the relentless pressure of flying operations it seemed His fellow officers hadn t liked him much anyway Besides what was one more death among the thousands dying on the Western Front Except that this man s family had

connections to Field Marshal Kitchener and no one wanted him distracted on the eve of the big push on the Somme So Investigator Miller is sent to the squadron to tie up the loose ends to tidy the incident away For some reason they think he is well equipped for that sort of thing But it s all Miller can do to keep himself alive flying daily over enemy lines And then he finds the suicide isn t quite as straightforward as it s supposed to be Particularly when a second man turns up dead purportedly shot with his own pistol Set against the backdrop of the Great War and infused with a sense of intrigue and high drama this is a novel of unsettling force With a keen eye for detail David J Oldman evokes the brutality of mud spattered battlefields and aerial combat bringing the reader right up close to the action As events spiral and the war continues to impact upon the investigation On Wings of Death creates a real sense of unease and urgency as it barrels toward an unexpected fascinating conclusion **Sugar** ,1907 American Sugar Industry and Beet Sugar Gazette ,1907
