Mackintosh Furniture:

Mackintosh Furniture Michael Crow, 2017-12-04 Recreate Mackintosh's Signature Style Architect and designer Charles Rennie Mackintosh designed hundreds of pieces of furniture throughout his career. Ranging in style from Arts & Crafts to Art Nouveau to Modern, his furniture occupies an interesting place in history and had tremendous influence on American and European furniture design. *Mackintosh Furniture Techniques* Shop Drawings for 30 Designs is a guide to recreating Mackintosh's work. The measured drawings in this book were painstakingly rendered using known dimensions from architectural drawings and those extrapolated from catalog and auction photos. You'll find comprehensive views for each design and complete materials lists as well as historical notes and construction and finishing advice to help you through each build. The book features Shop drawings for 30 Mackintosh furniture designs including chairs, tables, bookcases, desks, and many other forms. 2 complete step-by-step projects: a taboret and a nightstand showcasing some of Mackintosh's signature furniture details. Historical and cultural insight into Mackintosh's impact on architecture and furniture design. Practical advice on wood selection, construction hardware, sources, and finishing techniques. Helpful tools and techniques advice. Often emulated, Mackintosh's furniture remains popular after more than a century. Now for the first time ever, fans of his work will have access to drawings and details to help recreate some of his most enduring designs. *Mackintosh Furniture* Roger Billcliffe, 1984 In a career of only twenty-five years, Charles Rennie Mackintosh designed well over 300 pieces of furniture, the majority in two relatively short periods: 1897-1905 and 1916-1919. This book gives an unprecedented overview of Mackintosh's body of work and illustrates with over 400 photographs all of his major pieces as well as the interiors for which they were produced. The range of works presented here is quite remarkable, featuring not only the elongated chairs for which Mackintosh is most remembered but also tables, bookcases, beds, bathroom fittings, and even a pulpit and an organ. The pieces here range stylistically from the more routine late Victorian pieces of his earliest period through the white-painted Spook School furniture of 1901-03 to the geometrical severity of Mackintosh's work for W.J. Bassett-Lowke in 1916-19. *Mackintosh Furniture* is a comprehensive look at a designer whose influence has only recently begun to fully realize itself and is a must for both students and aficionados of design. **Charles Rennie Mackintosh: the Complete Furniture, Furniture Drawings & Interior Designs** Roger Billcliffe, 1986 **Furniture** Judith Miller, 2005-09-19 Whether you want to identify, date, or evaluate your own pieces, *Furniture* is the only comprehensive full-color reference guide for you.
