Freitag, 2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition The Photographic Legacy of Frances Benjamin Johnston Maria Elizabeth Ausherman, 2022-08-15 One of the first women to work in an emerging field dominated by men Frances Benjamin Johnston 1864 1952 achieved acclaim in the late nineteenth century as an accomplished photographer Her career spanned nearly seventy years during which she became respected for her portraiture artistic studies photojournalism and garden and architectural photography She was instrumental in defining the medium and inspiring women to train in and appreciate photography Though the socially well connected Johnston was popular among prestigious celebrities of the day she worked as the official White House photographer for five administrations it is her monumental nine state survey of southern American architecture that stands as her most significant contribution to the history and development of photography both as art and as documentary Drawing upon Johnston s original papers and photographs from the Library of Congress Maria Ausherman s examination of this extraordinary photographer s career shows both the early origins of her style and vision and her attempts to change society through her art Photographers Peter E. Palmquist, 2000 **Guide to Reference in Genealogy and Biography** Mary K. Mannix, Fred

Burchsted,2015-01-14 Profiling more than 1400 print and electronic sources this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography **The First Americans** Library of Congress,William H. Goetzmann,1991 From Edward S Curtis renowned sepia toned portraits to Adam Clark Vroman s glimpses of the sacred Hope Snake Dance these images were all meant to be sold to publishers of books and magazines to tourists in curio shops and to art lovers in photographic studios **Encyclopedia of Nineteenth-Century Photography** John Hannavy,2013-12-16 The Encyclopedia of Nineteenth Century Photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century It sets out to be the standard definitive reference work on the subject for years to come Its coverage is global an important first in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication The Encyclopedia presents new and ground breaking research alongside accounts of the major established figures in the nineteenth century arena Coverage includes all the key people processes equipment movements styles debates and groupings which helped photography develop from being a solution in search of a problem when first invented to the essential communication tool creative medium and recorder of everyday life which it had become by the dawn of the twentieth century The sheer breadth of coverage in the 1200 essays makes the Encyclopedia of Nineteenth Century Photography an essential reference source for academics students researchers and libraries worldwide **Researching Photographers** University of Arizona. Center for Creative Photography,1984 Artist Biographies Master Index Barbara McNeil,1986 Gale Biographical index series no 9 Art Information and the Internet Lois Swan Jones,2013-12-16 In the first book of its kind art information expert Lois Swan Jones discusses how to locate visual and textual information on the Internet and how to evaluate and supplement that information with material from other formats print sources CD ROMS documentary videos and microfiche sets to produce excellent research results The book is divided into three sections Basic Information Formats Types of Websites and How to Find Them and How to Use Web Information Jones discusses the strengths and limitations of Websites scholarly and basic information resources are noted and search strategies for finding pertinent Websites are included Art Information and the Internet also discusses research methodology for studying art historical styles artists working in various media individual works of art and non Western cultures as well as art education writing about art problems of copyright and issues concerning the buying and selling of art This title will be periodically updated *Sadakichi Hartmann* Sadakichi Hartmann,2023-12-22 Brilliant and controversial art critic Sadakichi Hartmann wrote copiously about American and European art and the shaping of American culture during the decades from 1890 to 1910 Jane Weaver has recovered and assembled over fifty of Hartmann s critical writings from influential though often obscure turn of the century journals These reviews and theoretical essays not only provide some of the earliest known criticism of important artists and photographers of the period but also make Hartmann s fundamental and uniquely American definition of modernism available to students of art and cultural history A

most useful adjunct to the text is a complete bibliography of Hartmann's writings on art as well as an annotated checklist of all the artists treated by Hartmann in this book Sadakichi Hartmann 1867-1944 half German half Japanese learned the American cast of mind and heart as a beloved young disciple of the aged Walt Whitman Reflecting the poet's zealous vision Hartmann's piercing commentaries on the art centers of Boston and New York offer unparalleled documentation of the years before and after 1900 Brilliant and controversial art critic Sadakichi Hartmann wrote copiously about American and European art and the shaping of American culture during the decades from 1890 to 1910 Jane Weaver has recovered and assembled over fifty of Hartmann's critical **American Women Artists, Past and Present** Eleanor Tufts, 1984 *Visual Arts Research* Elizabet Pollard, 1986-08-13 **Art Information** Lois Swan Jones, 1990 **Guide to Reference Materials for Canadian Libraries** Kirsti Nilsen, Alanna Kalnay, Claire England, University of Toronto. Faculty of Library and Information Science, 1992 About itself the 8th edition notes Primarily intended as an instructional guide for library personnel and researchers who work with reference materials the Guide surveys the basic and most familiar or typical resources for general reference work and for work with the disciplines of the humanities social sciences and pure and applied sciences The 7th edition titled Guide to basic reference materials is recommended by ARBA v 16 but is missed by BCL3 and Sheehy A solid work marred by the flimsy paper binding a shockingly bad production decision a bibliography gets repeated use Annotation copyrighted by Book News Inc Portland OR
