## **Mad Mike A Life Of Michael Calvert:**

**Mad Mike** David Rooney,2006 His success in Burma followed by his time with the SAS in Europe made Calvert one of the best known soldiers in the army However Calverts life fell apart when he was convicted of gross indecency and dismissed from the service To the end of his days he maintained that it was a setup This work talks about this person *Mad Mike* David Rooney,1990-12-31 This penetrating biography tells the story of his life including his exploits in Norway and the early Commandos It also uncovers new evidence revealing that his court martial was unjust **Mad Mike** David Rooney,1990-12-31 This penetrating biography tells the story of his life including his exploits in Norway and the early Commandos It also uncovers new evidence revealing that his court martial was unjust Templer and the Road to Malayan Independence Leon Comber,2016-05-13 Dr Comber s account of General Templer s administration in Malaya as High Commissioner and Director of Operations 1952 54 during the Malayan Emergency departs from the usually accepted orthodox assessment of his time in Malaya by focusing on the political and socioeconomic aspects of his governance rather than the military In doing so Dr Comber has relied mainly on primary and other first hand sources including the confidential reports sent from Malaya by the Australian Commission to the Australian government in Canberra and the private papers of some of the leading Malayan politicians of the time with whom Templer had dealings which have been deposited in the ISEAS Library Singapore many of which have not been used before The evidence and facts that Dr Comber marshals in this study reflect well the reservations that were often felt about General Templer s authoritarian form of government While he was a good general and had an impressive military record his administration in Malaya was marred by a lack of understanding of the background to Malaya s history and the subtleties that are inherent in its culture and way of life which would have enabled him to come to terms more easily with the aspirations of the Malayan people for self government and independence
