Madaline Love And Survival In Antebellum New Orleans:

Madaline Madaline Selima Edwards, Dell Upton, 1996-01-01 The private diaries of Madaline Edwards the kept mistress of New Orleans businessman Charles Bradbury reflect her growing ambivalence over the price of the choices she made in a society that often painfully enforced unfair women s roles UP

Brothels, Depravity, and Abandoned Women Judith Kelleher Schafer, 2009-04-01 Winner of the 2009 Gulf South Historical Association Book Award When a priest suggested to one of the first governors of Louisiana that he banish all disreputable women to raise the colony s moral tone the governor responded If I send away all the loose females there will be no women left here at all Primitive mosquito infested and disease ridden early French colonial New Orleans offered few attractions to entice respectable women as residents King Louis XIV of France solved the population problem in 1721 by emptying Paris s La Salp tri re prison of many of its most notorious prostitutes and convicts and sending them to Louisiana Many of these women continued to ply their trade in New Orleans In **Brothels Depravity and Abandoned Women** Judith Kelleher Schafer examines case histories from the First District Court of New Orleans and tells the engrossing story of prostitution in the city prior to the Civil War Louisiana law did not criminalize the selling of sex until the Progressive Era although the law forbade keeping a brothel Police arrested individual public women on vague charges for being lewd and abandoned or vagrants The city s wealthy and influential landlords some of whom made huge profits by renting their property as brothels wanted their tenants back on the streets as soon as possible and they often hired the best criminal attorneys to help release the women from jail The courts in turn often treated these public women leniently exacting small fines or sending them to the city s workhouse for a few months As a result prosecutors dropped almost all prostitution cases before trial Relying on previously unexamined court records and newly available newspaper articles Schafer ably details the brutal and often harrowing lives of the women and young girls who engaged in prostitution Some watched as gangs of rowdy men smashed their furniture some endured beatings by their customers or other public women enraged by fits of jealousy others were murdered Schafer discusses the sexual exploitation of children sex across the color line violence among and against public women and the city s feeble attempts to suppress the trade She also profiles several infamous New Orleans sex workers including Delia Swift alias Bridget Fury a flaming redhead with a fondness for stabbing men and Emily Eubanks and her daughter Elisabeth free women of color known for assaulting white women Although scholars have written much about prostitution in New Orleans Storyville era few historical studies on prostitution in antebellum New Orleans exist Schafer s rich analysis fills this gap and offers insight into an intriguing period in the history of the oldest profession in the Crescent City

The Affair of the Veiled Murderess Jeanne Winston Adler, 2011-03-01 Troy New York 1853 Two Irish immigrants a man and a woman die shortly after drinking beer poured by a neighbor Was it poisoned And if so was their slayer the beautiful mistress of an important Democratic politician Many Trojans soon answer yes to both questions but others question the guilt of the glamorous accused Rumored to be the once respectable Miss Charlotte Wood a former student at Emma Willard's elite Troy Female Seminary and the runaway wife of a British lord her identity remains in doubt and the air of mystery is only heightened by her decision to remain hidden behind a veil during her trial which earns her the nickname The Veiled Murderess As the affair widens to include the antebellum social and political worlds of Troy and Albany the blossoming scandal threatens important people on both sides of the Atlantic Drawing on newspapers court documents and other records of the time Jeanne Winston Adler attempts to come to an understanding of the truth behind the strange affair of the veiled murderess In the process she addresses a number of topics important to our understanding of nineteenth century life in New York State including the changing roles of women the marginal position of the Irish and the contentious political firmament of the time

A Perfect War of Politics John M. Sacher, 2007-04-01 Though antebellum Louisiana shared the rest of the South's commitment to slavery and cotton the presence of a substantial sugarcane industry large Creole and Catholic populations numerous foreign and northern immigrants and the immense city of New Orleans made it perhaps the most unsouthern of southern states John M Sacher's A Perfect War of Politics explores why Louisiana joined its neighbors in seceding from the Union in early 1861 and offers the first comprehensive study of the state's antebellum political parties and their interaction with the electorate Sacher shows that although civic participation expanded beyond the elite from 1824 to 1861 Louisiana remained a white men's democracy Ultimately he explains an obsession with defending white men's liberty led Louisiana's politicians to support secession Sacher's welcome study provides a fresh grass roots perspective on the political causes of the Civil War and confirms the dominant role regional politics played in antebellum Louisiana

The Struggle for Equality Orville Vernon Burton, Jerald Podair, Jennifer L. Weber, 2011-12-15 This collection of essays organized around the theme of the struggle for equality in the United States during the nineteenth and twentieth centuries also serves to honor the renowned Civil War historian James McPherson Complete with a brief interview with the celebrated scholar this volume reflects the best aspects of McPherson's work while casting new light on the struggle that has served as the animating force of his lifetime of scholarship With a chronological span from the 1830s to the 1960s the contributions bear witness to the continuing vigor of the argument over equality Contributors

Exploring Everyday Landscapes Annmarie Adams, Sally Ann McMurry, 1997 Drawn from two conferences of the Vernacular Architecture Forum one held in Charleston in 1994 and the other in Ottawa in

1995 Back cover **The Confederate Belle** Giselle Roberts, 2003 While historians have examined the struggles and challenges that confronted the Southern plantation mistress during the American Civil War until now no one has considered the ways in which the conflict shaped the lives of elite young women otherwise known as belles In *The Confederate Belle* Giselle Roberts uses diaries letters and memoirs to uncover the unique wartime experiences of young ladies in Mississippi and Louisiana In the plantation culture of the antebellum South belles enhanced their family's status through their appearance and accomplishments and later by marrying well During the American Civil War a new patriotic womanhood superseded the antebellum feminine ideal It demanded that Confederate women sacrifice everything for their beloved cause including their men homes fine dresses and social occasions to ensure the establishment of a new nation and the preservation of elite ideas about race class and gender As menfolk answered the call to arms southern matrons had to redefine their roles as mistresses and wives Southern belles faced a different yet equally daunting task After being prepared for a delightful bellehood young ladies were forced to reassess their traditional rite of passage into womanhood to compromise their understanding of femininity at a pivotal time in their lives They found themselves caught between antebellum traditions of honor and of gentility a binary patriotic feminine ideal and wartime reality

BOOK JACKET Book jacket Lt. Spalding in Civil War Louisiana Michael D. Pierson, 2016-11-02 In July 1862 Union Lieutenant Stephen Spalding wrote a long letter from his post in Algiers Louisiana to his former college roommate Equally fascinating and unsettling for modern readers the comic cynicism of the young soldier's correspondence offers an unusually candid and intimate account of military life and social change on the southern front A captivating primary source Spalding's letter is reproduced here for the first time along with contextual analysis and biographical detail by Michael D Pierson Lt Spalding in Civil War Louisiana lifts the curtain on the twenty two year old's elitist social attitudes and his consuming ambition examining the mind of a man of privilege as he turns to humor to cope with unwelcome realities Spalding and his correspondent James Peck both graduates of the University of Vermont lived in a society dominated by elite young men with advantages granted by wealth gender race and birth Caught in the middle of the Civil War Spalding adopts a light hearted tone in his letter both to mask his most intimate thoughts and fears and distance himself from those he perceives as social inferiors His jokes show us an unpleasantly stratified America with blacks women and the men in the ranks subjected to ridicule and even physical abuse by an officer with more assertiveness than experience His longest story a wild escapade in New Orleans that included abundant drinking and visits to two brothels gives us a glimpse of a world in which men bonded through excess and indulgence More poignantly tactless jests about death told as his unit suffers its first casualties reveal a man struggling to come to terms with mortality Evidence of Spalding's unfulfilled aspirations like his sometimes disturbing wit allows readers to see past his entitlement to his human weaknesses An engrossing picture of a charismatic but flawed young officer Lt Spalding in Civil War Louisiana offers new ways to look at the society that shaped him **Rethinking Southern Violence** Gilles

Vandal,2000 Vandal history and political science U de Sherbrooke Canada analyzes the statistics of nearly 5 000 homicides over an 18 year period as well as other sources to provide a picture of the level of physical violence in Louisiana after the Civil War Some of the themes addressed include rural versus urban patterns of violence homicides in a gender perspective and the black response to white violence Annotation copyrighted by Book News Inc Portland OR **Battle Scars** Catherine Clinton,Nina Silber,2006-02-23 This collection addresses how gender scholarship has changed interpretations of the Civil War It examines the study of masculinity and war and deals with issues of health treason religion domesticity and slavery as they affected Northern and Southern men and women during the Civil War era **Beyond Brutal Passions** Mary Anne Poutanen,2015-07-01 During a time of significant demographic geographic and social transition many women in early nineteenth century Montreal turned to prostitution and brothel keeping to feed clothe protect and house themselves and their families Beyond Brutal Passions is a close study of the women who were accused of marketing sex their economic and social susceptibilities and the strategies they employed to resist authority and assert their own agency Referencing newspapers parish registers census returns coroners reports city directories documents of Catholic and Protestant institutions police books and court records Mary Anne Poutanen reveals how these women confronted limited alternatives and how they fought against established authority in the pursuit of their livelihoods She details these women s lives not only as prostitutes but also as wives mothers sisters and daughters who reconstructed the bonds of kinship and solidarity An insightful history of prostitution Beyond Brutal Passions explores the complicated relationships between women accused of prostitution and the society in which they lived and worked [Architecture in the United States](#) Dell Upton,1998 From Native American sites in New Mexico and Arizona to the ancient earthworks of the Mississippi Valley to the most fashionable contemporary buildings of Chicago and New York American architecture is incredibly varied In this revolutionary interpretation Upton examines American architecture in relation to five themes community nature technology money and art 109 illustrations 40 linecuts Map **A Literate South** Beth Barton Schweiger,2019-06-25 A provocative examination of literacy in the American South before emancipation countering the long standing stereotype of the South s oral tradition Schweiger complicates our understanding of literacy in the American South in the decades just prior to the Civil War by showing that rural people had access to a remarkable variety of things to read Drawing on the writings of four young women who lived in the Blue Ridge Mountains Schweiger shows how free and enslaved people learned to read and that they wrote and spoke poems songs stories and religious doctrines that were circulated by speech and in print The assumption that slavery and reading are incompatible which has its origins in the eighteenth century has obscured the rich literate tradition at the heart of Southern and American culture **Louisiana History** Florence M. Jumonville,2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians Jumonville lists more than 6 800 books chapters articles theses dissertations and government documents that describe the rich history of America s 18th state Here are

references to sources on the Louisiana Purchase the Battle of New Orleans Carnival and Cajuns Less explored topics such as the rebellion of 1768 the changing roles of women and civic development are also covered It is a sweeping guide to the publications that best illuminate the land the people and the multifaceted history of the Pelican State Arranged according to discipline and time period chapters cover such topics as the environment the Civil War and Reconstruction social and cultural history the people of Louisiana local parish and sectional histories and New Orleans It also lists major historical sites and repositories of primary materials As the only comprehensive bibliography of the secondary sources about the state *Louisiana History R* is an invaluable resource for scholars and researchers *Confederate Cities* Andrew L. Slap, Frank Towers, 2015-12-01 When we talk about the Civil War we often describe it in terms of battles that took place in small towns or in the countryside Antietam Gettysburg Bull Run and most tellingly the Battle of the Wilderness One reason this picture has persisted is that few urban historians have studied the war even though cities hosted enabled and shaped Southern society as much as they did in the North *Confederate Cities* edited by Andrew L Slap and Frank Towers shifts the focus from the agrarian economy that undergirded the South to the cities that served as its political and administrative hubs The contributors use the lens of the city to examine now familiar Civil War era themes including the scope of the war secession gender emancipation and war s destruction This more integrative approach dramatically revises our understanding of slavery s relationship to capitalist economics and cultural modernity By enabling a more holistic reading of the South the book speaks to contemporary Civil War scholars and students alike not least in providing fresh perspectives on a well studied war
