---

Her Character, Conduct and Greed.—Was She a Literary Thief?

---

BY W. H. BUEB.

Madame H. P. Blavatsky was a learned woman; she could write Greek and Hebrew. I corresponded with her in 1877 and paid her personally for a copy of "Isis Unveiled." In one of her letters she said: "My only curse is, that I know English so imperfectly. I am going to study it now that I have nothing better to do." Having read her books (two large volumes,) I inferred that she had an editor, for the English of "Isis Unveiled" is excellent. In 1892 I learned that Dr. Alexander Wilder, was the editor of the work, and was credibly informed that he did not believe she

**Madame Blavatsky and the Romance of Sorcery** Sax Rohmer, 2005-12 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

*The Romance of Sorcery* Sax Rohmer, 2015-03-18 An intriguing tour of the dark arts throughout the ages introduces such luminaries as Nostradamus, Dr. John Dee, Cagliostro, and Madame Blavatsky. Engaging and informative history encompassing astrology, alchemy, witchcraft, and demonology. *The Romance of Sorcery* Sax Rohmer, 1914 *Northrop Frye's Notebooks on Romance* Northrop Frye, 2004-01-01 Romance was a theme that ran through much of Northrop Frye's corpus, and his notebooks and typed notes on the subject are plentiful. This unpublished material, written between 1944 and 1989, traces a remarkable re-evaluation in his thinking over the course of time. As a young scholar, Frye insisted that romance was an expression of cultural decadence; however, in his later years, he thought of it as the structural core of all fiction. The unpublished material Michael Dolzani has gathered for *Northrop Frye's Notebooks on Romance* shows how the pattern and conventions of romance inform the writing of history, anthropology, psychology, philosophy, and theology. While Frye is best known for his writing on myth and biblical scholarship, he himself eventually conceived of romance as the true and equal contrary to myth and scripture: a secular scripture whose message is de te fabula, this story is about you. Given the current popular revival of romance in fiction and film, the appearance of Frye's unpublished work on romance is of profound importance. **American Journal of Pharmacy**, 1924 *A Guide to Magic, Witchcraft and the Paranormal* Sax

Rohmer, 2019-01-04 First published in 2005, the shadow side of Sax Rohmer is revealed in this long, unobtainable volume. Widely known as the author of the popular Fu Manchu books, he was also a dedicated scholar of the occult and an adept in the mystic arts. Written for the layman, his only non-fiction work is this guide to the realm of magic in its many forms, beginning with the birth of sorcery in ancient Egypt. The Moslem djinns, the sibylls, the philosophy of the Magi, modes of divination, and magic of the Brahmins are all examined, as are the manifestations of sorcery in Europe, including witchcraft at the French royal court and the infamous witch trials of Scotland. The stories of key figures such as Apollonius of Tyana, Nostradamus, Dr. John Dee, and Cagliostro are recounted in detail, and there is a comprehensive index from alchemy to zodiac. Rohmer aims to bridge the gulf that has opened as a result of modernity between revealed religion and the ancient truths that need to be sought anew. There is no better general introduction to magic, sorcery, and the paranormal. **Cult Fiction** C.

Bloom, 1996-10-04 Here is an exploration of pulp literature and pulp mentalities, an investigation into the nature and theory of the contemporary mind in art and in life. Here too the violent, the sensational, and the erotic signify different facets of the modern experience played out in the gaudy pages of kitsch literature. Clive Bloom offers the reader a chance to investigate

the underworld of literary production and from it find a new set of co ordinates for questions regarding publishing and reading practices in America and Britain ideas of genre problems related to commercial production concerns regarding high and low culture the canon and censorship as well as a discussion of the rhetoric of current critical debate Concentrating on remembered authors as well as many long disregarded or forgotten Cult Fiction provides a theory of kitsch art that radically alters our perceptions of literature and literary values whilst providing a panorama of an almost forgotten history the history of pulp

**Madame Blavatsky** Marion Meade,2014-04-01 The life and times of Helena Blavatsky the controversial religious guru who cofounded the Theosophical Society and kick started the New Age movement Recklessly brilliant Helena Petrovna Blavatsky scandalized her 19th century world with a controversial new religion that tried to synthesize Eastern and Western philosophies If her contemporaries saw her as a freak a charlatan and a snake oil salesman she viewed herself as a special person born for great things She firmly believed that it was her destiny to enlighten the world Rebelliously breaking conventions she was the antithesis of a pious religious leader She cursed smoked overate and needed to airbrush out certain inconvenient facts like husbands lovers and a child Marion Meade digs deep into Madame Blavatsky s life from her birth in Russia among the aristocracy to a penniless exile in Europe across the Atlantic to New York where she became the first Russian woman naturalized as an American citizen and finally moving on to India where she established the international headquarters of the Theosophical Society in 1882 As she chased from continent to continent she left in her aftermath a trail of enthralled followers and the ideas of Theosophy that endure to this day While dismissed as a female messiah her efforts laid the groundwork for the New Age movement which sought to reconcile Eastern traditions with Western occultism Her teachings entered the mainstream by creating new respect for the cultures and religions of the East for Buddhism and Hinduism and interest in meditation yoga gurus and reincarnation Madame Blavatsky was one of a kind Here is her richly bizarre story told with compassion insight and an attempt to plumb the truth behind those astonishing accomplishments

**The Yellow Peril: Dr. Fu Manchu and the Rise of Chinaphobia** Christopher Frayling,2014-10-14 An entirely new perspective on current scaremongering about China s global ambitions and on the Western media s ignorance of Chinese culture A hundred years ago a character who was to enter the bloodstream of 20th century popular culture made his first appearance in the

world of literature In his day he became as well known as Count Dracula or Sherlock Holmes he was the evil genius called Dr Fu Manchu described at the beginning of the first story in which he appeared as the yellow peril incarnate in one man Why did the idea that the Chinese were a threat to Western civilization develop at precisely the time when China was in chaos divided against itself the victim of successive famines and utterly incapable of being a peril to anyone even if it had wanted to be Even the author of the Dr Fu Manchu novels Sax Rohmer acknowledged that China as a nation possess that elusive thing poise And what do the Chinese themselves make of all this Is it any wonder that they remember what we have carelessly forgotten the opium wars the unfair treaties that ceded Hong Kong and the New Territories and the stereotyping of Chinese people in allegedly factual studies Here cultural historian Christopher Frayling takes us to the heart of popular culture in the music hall pulp literature and the mass market press and shows how film amplifies our assumptions **The Athenaeum** James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1915 **The New Republic** Herbert David Croly, 1915 **Athenaeum and Literary Chronicle** James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1886 **Ancient Egypt in the Popular Imagination** David Huckvale, 2014-01-10 Ancient Egypt has long been a source of fascination in Western popular culture Movies such as The Mummy 1932 1959 Biblical epics like The Ten Commandments 1923 1956 and pharaonic films like Cleopatra 1934 1963 and The Egyptian 1954 have all recreated the glamour and allure of Egyptian art and civilization for Western audiences This work traces how these and other films were inspired by writers like Bram Stoker and Sir Arthur Conan Doyle and by the art of Victorian painters Similarly it shows how the soundtracks to such films belong to a Romantic musical tradition stretching back beyond Verdi and Mozart Exploring these artistic endeavors addresses the question of whether the fantasy of ancient Egypt represents racist misunderstandings of a far more significant reality or a way for Western culture to understand itself
