Made to Count Life Planner Bob Reccord, Randy Singer, Claude V. King, 2004 Random Thoughts on Life, Love, Laughter and Living for Jesus Dave Maynard, 2021-09-22 This book was a long time coming God had to take me through a lifetime of learning to prepare me for writing this book There are three areas that He impressed upon me to write about The first was to write about the life lessons that He has taught me Things like how to be a better more loving husband how to take control of my life by planning for and accomplishing things and how to use the gifts He has given me The second was to make apologetics understandable Apologetics is rationally and credibly defending the faith I've has a passion for this ever since I've been a believer Christianity is not just subjectively true It's objectively true It is factually true and can be proven so beyond a reasonable doubt The third was to highlight some of the lesser known Christians and how God used them to make a difference in our world I hope the lessons contained in this book will bless you as they have blessed me in learning them But even more than that I hope they will draw you closer to Jesus **Experiencing God (2008 Edition)** Henry T.
