Ghost Train Through the Andes Michael Jacobs, 2006 It was not until long after his grandmother Sophie had died that Michael Jacobs was eventually permitted to read the lengthy and passionate letters that his grandfather Bethel had written her from nine thousand miles away In these letters Jacobs discovered a remarkable story of hardship deprivation and enduring love His grandfather's work on the railway through the Andes was exhausting and desperately lonely He had

little in common with his fellow workers and became consumed by a mounting despondency from which only his love for Sophie could save him But as the months and years of separation passed the world in which Sophie was blossoming appeared more and more remote from his own Michael Jacobs journey back through time takes him from a rain swept Hull churchyard to desolate Antofagasta in Chile and to the former silver capital of Potos Climbing through ghostly lunar like scenery towards the snow capped summits of the Andes he follows the route of his grandfather s railway across giant rocky plateaux through terrifyingly steep gorges and valleys of tropical lushness and past grim mining townships buffeted by winds rain and snow to reveal an extraordinary love story Arts & Humanities Citation Index ,1996 De beste vriend Chris Carter,2024-07-02

once a product and a victim of violent revolution In tales of Cossack marauders and flashy Odessa gangsters he perfectly captured the raw edgy mood of the first years of the Russian Revolution Masked reckless impassioned charismatic Babel himself was as fascinating as the characters he created At last in renowned author Jerome Charyn Babel has a portraitist worthy of his quicksilver genius Though it traces the arc of Babel s charmed life and mysterious death Savage Shorthand bursts the confines of straight biography to become a meditation on the pleasures torments and meanings of Babel s art Even in childhood Babel seemed destined to leave a mark But it was only when his mentor Maxim Gorky ordered him to go out into the world of revolutionary Russia that Babel found his true voice and subject His tales of the bandit king Benya Krik and the brutal raids of the Red Cavalry electrified Moscow Overnight Babel was a celebrity with throngs of admirers and a train of lovers But with the rise of Stalin Babel became a living ghost Charyn brilliantly evokes the paranoid shadowland of the first wave of Stalin s terror when agents of the Cheka snuffed out artists like candle flames Charyn s chilling account of the circumstances of Babel s death hidden and lied about for decades by Stalin s agents finally sets the record straight For Jerome Charyn Babel is the writer who epitomizes the vibrancy violence and tragedy of literature in the twentieth century In Savage Shorthand Charyn has turned his own lifelong obsession with Babel into a dazzling and original literary work
