The Magars of Banyan Hill John Thayer Hitchcock, 1966 Himalayan Anthropology James F. Fisher, 2011-06-24 No detailed description available for Himalayan Anthropology The Family in India George Kurian, 2019-01-29 No detailed description available for The Family in India Covenant and Commonwealth Daniel Elazar, 2018-02-06 At the very beginning of the history of the covenant idea human beings were conceived as entering into a morally grounded and informal pact with God Politically this pact or covenant involves the coming together of basically equal humans who consent with one another through a morally binding pact setting the partners on the road to a new task As a theological and political concept covenant is designed to keep the peace in the face of conflicting human interests needs and demands This pioneering continuation of Daniel J Elazar's work is concerned with political uses of the idea of covenant and the political arrangements that flow from it Covenant and Commonwealth is the second in a series of volumes exploring the covenantal tradition in Western politics The first Covenant and Polity in Biblical Israel analyzed how the Bible set forth ideas of covenant in ancient Israel and the Jewish political tradition In this volume those themes are taken a step further to examine covenant as a political idea and tradition along with the culture and behavior that they produced The book focuses on the struggle in Europe to produce a Christian covenantal commonwealth a struggle that climaxed in the Reformed Protestantism of the sixteenth and seventeenth centuries It also briefly examines covenant and hierarchy in Islam and other premodern polities that shape our present The third volume in this series will examine the progressive secularization of the covenant idea in the seventeenth and eighteenth centuries Covenant and Commonwealth is a fundamental and original contribution to the scholarship of Western civilization It ranks with commensurate efforts of Ferdinand Braudel and Joseph Needham As such it will be of deep interest to historians social scientists and theologians of all persuasions **Home Signs** Joshua O. Reno, 2024-03-21 An intimate account of an anthropologist s relationship with his non verbal son and how it has shaped and transformed his understanding of closeness and communication Home Signs grew out of the anthropologist Joshua Reno s experience of caring for and trying to communicate with his teenage son Charlie who cannot speak To manage interactions with others Charlie uses what are known as home signs gestures developed to meet his need for expression ranging from the wiggle of a finger to a subtle sideways glance Though he is nonverbal he is far from silent in fact he is in constant communication with others In this intimate reflection on language disability and togetherness the author invites us into his and Charlie's shared world Combining portraits of family life and interviews with other caregivers Reno upends several assumptions especially the idea that people who seem not to be able to speak for themselves need others to speak on their behalf With its broad exploration of nonverbal communication in both human and nonhuman contexts Home Signs challenges us to think harder about what it means to lead a normal life and to connect with another person **Historical Dictionary** of Nepal Nanda R. This title was originally published in 1976 Routeing Democracy in the Himalayas Vibha Arora, N. Jayaram, 2020-11-29 Historically treated as an amorphous borderland and marginal to the understanding of democratic politics and governance in South Asia Southeast Asia and northern Asia the Himalayan region in the last 50 years has become an active political laboratory for experiments in democratic structures and institutions In turn it has witnessed the evolution of myriad political ideologies movements and administrative strategies to accommodate and pacify heterogeneous ethnic national identities Routeing Democracy in the Himalayas highlights how through an ongoing process of democratisation the Western liberal ideologies of democracy and decentralisation have interacted with varied indigenous politico cultural ideas and institutions of an ethnic nationally diverse population It also reviews how formal democracy regular elections local self governing structures protection of the rights of minorities and indigenes freedom of expression development of mass media and formation of ethnic homelands all have furthered participatory democracy empowered the traditionally marginalised groups and ensured sustainable development to varying degrees The book provides ethnographic and historical vistas of democracy under formation at work being contested

and even being undermined showing how democratisation thematically stitches the independent Himalayan nations and the Indian Himalayan states into a distinctive regional political mosaic Combining new perspectives from comparative sociology political anthropology and development studies the volume will be useful for policy makers as well as specialists researchers and students in sociology anthropology area studies development studies and Tibet and Himalayan studies Identity James S. Duncan, 2025-11-18 Originally published in 1982 Housing and Identity Cross Cultural Perspectives represents an attempt by scholars in a number of different disciplines to bring a common social psychological perspective to bear on the study of the house and its relation to the self and the nature of the social order. The house it is argued is an extremely important aspect of the built environment embodying not only personal meanings but expressing and maintaining the ideology of prevailing social orders. The essays draw upon material from a wide variety of intellectual cultural and historical contexts High Religion Sherry B. Ortner, 2020-09-01 An eminent anthropologist examines the foundings of the first celibate Buddhist monasteries among the Sherpas of Nepal in the early twentieth century a religious development that was a major departure from folk or popular Buddhism Sherry Ortner is the first to integrate social scientific and historical modes of analysis in a study of the Sherpa monasteries and one of the very few to attempt such an account for Buddhist monasteries anywhere Combining ethnographic and oral historical methods she scrutinizes the interplay of political and cultural factors in the events culminating in the foundings Her work constitutes a major advance both in our knowledge of Sherpa Buddhism and in the integration of anthropological and historical modes of analysis At the theoretical level the book contributes to an emerging theory of practice an explanation of the relationship between human intentions and actions on the one hand and the structures of society and culture that emerge from and feed back upon those intentions and actions on the other It will appeal not only to the increasing number of anthropologists working on similar problems but also to historians anxious to discover what anthropology has to offer to historical analysis In addition it will be essential reading for those interested in Nepal Tibet the Sherpa or Buddhism in general **Himalayan Households** Thomas Earl Fricke, 1994 Available for the first time in English this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government s responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Toyko District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi s investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to

efforts to transform Japanese ways of remembering the war Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers **Kham** David E. Watters, 2009-10-01 First published in 2002 this is a comprehensive grammatical documentation of Kham a previously undescribed language from west central Nepal belonging to the Tibeto Burman language family The language contains a number of grammatical systems that are of immediate relevance to current work on linguistic theory including split ergativity a mirative system and a rich class of derived adjectivals Its verb morphology has implications for the understanding of the history of the entire Tibeto Burman family The book based on extensive fieldwork deals with all major aspects of the language including segmental phonology tone word classes noun phrases nominalizations transitivity alterations tense aspect modality non declarative speech acts and complex sentence structure It provides copious examples throughout the exposition and includes three short native texts and a vocabulary of more than 400 words many of them reconstructed for Proto Kham and Proto Tibeto Burman Hindus of the Himalayas Gerald Duane Berreman, 1972 Gerald Berreman's ethnographic study of a hill village in India is widely regarded as a classic in the field of social anthropology In this new edition Berreman returns to this village after ten years to record the ethnographic continuity and change in village lifestyle A new prologue addsimportant insights to the bases for the ethnographic descriptions and analyses by outlining the research conditions of this study A new epilogue records Berreman's findings after revisiting the village focusing on the trends found in the village and the surrounding region to draw implications forthe country at large Rituals of Ethnicity Sara Shneiderman, 2015-02-02 Rituals of Ethnicity is a transnational study of the relationships between mobility ethnicity and ritual action Through an ethnography of the Thangmi a marginalized community who migrate between Himalayan border zones of Nepal India and the Tibetan Autonomous Region of China Shneiderman offers a new explanation for the persistence of enduring ethnic identities today despite the increasing realities of mobile hybrid lives She shows that ethnicization may be understood as a process of ritualization which brings people together around the shared sacred object of identity The first comprehensive ethnography of the Thangmi Rituals of Ethnicity is framed by the Maoist state civil conflict in Nepal and the movement for a separate state of Gorkhaland in India The histories of individual nation states in this geopolitical hotspot as well as the cross border flows of people and ideas between them reveal the far reaching and mutually entangled discourses of democracy communism development and indigeneity that have transformed the region over the past half century Attentive

to the competing claims of diverse members of the Thangmi community from shamans to political activists Shneiderman shows how Thangmi ethnic identity is produced collaboratively by individuals through ritual actions embedded in local national and transnational contexts She builds upon the specificity of Thangmi experiences to tell a larger story about the complexities of ethnic consciousness the challenges of belonging and citizenship under conditions of mobility the desire to both lay claim to and remain apart from the civil society of multiple states and the paradox of self identification as a group with cultural traditions in need of both preservation and development Through deep engagement with a diverse cross border community that yearns to be understood as a distinctive coherent whole Rituals of Ethnicity presents an argument for the continued value of locally situated ethnography in a multisited world Cover art Lost Culture Can Not Be Reborn painting by Mahendra Thami Darjeeling West Bengal India Fieldnotes Roger Sanjek, 2019-06-30 Thirteen distinguished anthropologists describe how they create and use the unique forms of writing they produce in the field They also discuss the fieldnotes of seminal figures Frank Cushing Franz Boas W H R Rivers Bronislaw Malinowski and Margaret Mead and analyze field writings in relation to other types of texts especially ethnographies Unique in conception this volume contributes importantly to current debates on writing texts and reflexivity in anthropology Nationalism and Ethnicity in a Hindu **Kingdom** D. Gellner, J. Pfaff-Czarnecka, J. Whelpton, 2012-12-06 With its systematic coverage of different groups this book demonstrates how similar trends of ethnic formation are affecting all parts of Nepal Yet within the boundaries of a single culturally diverse state very different forms of ethnicity have emerged This is a truly thematic collection with a well defined focus on the important contemporary topics of ethnic identity and nationalism The importance of the theme is self evident in a world attempting to come to grips with such problems in virtually all modern states Anyone with an interest in contemporary Nepal should study this volume Nepal is the only officially Hindu kingdom in the world and remains so in spite of a revolution or people's movement in 1990 which overthrew the partyless Panchayat regime and instituted a multiparty constitutional monarchy Since November 1994 it has also had an elected Communist government the first of its kind in South Asia This volume takes a long term view of the various processes of ethnic and national development that have been displayed both before and after 1990 It brings together twelve carefully chosen ethnographic and historical chapters covering all of the major ethnic groups and regions of Nepal Order in Paradox David Holmberg, 2018-10-18 David H Holmberg here examines the social forms ritual practices and history of a western Tamang community of Himalayan Nepal Exploring the central question of ritual complexity Order in Paradox demonstrates how a religious system that contains Buddhist shamanic and sacrificial practices may be understood as a whole Holmberg begins by recounting the history of the Tamang and reexamining the meaning of caste tribe and ethnicity in greater Nepal Holmberg reveals how cultural patterns thought to be uniquely Tamang reflect this people s development of an involuted tribal form of Buddhist religious expression an evolution he interprets as a result in part of the unification of the Nepalese state Holmberg then offers descriptions of the

culture mythic imagination and ritual field of the Tamang Exploring both structural and historical dimensions of Tamang rituals Holmberg shows how they form a system linked to a cultural logic of exchange upon which Tamang society is built He also sheds light on the relationship between gender and ritual considering in detail the close association between femaleness and the shamanic in Tamang culture NTA UGC NET/JRF/SET Sociology 28 Solved Papers (2012-2021) & 10 Practice Sets Prabhat Prakashan, 2022-05-02 Type of Book 2022 Edition NTA UGC NET JRF SET Sociology 28 Solved Papers 2012 2021 10 Practice Sets Subject NTA UGC NET JRF SET Sociology Index Cover 28 Solved Papers December 2012 to 2021 2700 Solved Questions with Answers for Practice 10 Practice Sets Qualities Easy Understandable for Preparation Complete syllabus accommodated with all the recent changes Based On Recently Updated Syllabus Latest Solved Papers Include NTA UGC NET JRF SET Sociology 28 Solved Papers 2012 2021 10 Practice Sets by Team Prabhat This book is designed to help candidates prepare for the National Testing Agency NTA UGC NET JRF SET Sociology exam The book includes 28 solved papers from 2012 2021 along with 10 practice sets and detailed explanations and solutions With its comprehensive coverage and extensive practice material the book is an essential resource for anyone looking to pass the NTA UGC NET JRF SET Sociology exam Key Aspects of the Book NTA UGC NET JRF SET Sociology 28 Solved Papers 2012 2021 10 Practice Sets Exam Preparation The book provides comprehensive coverage of the NTA UGC NET JRF SET Sociology exam and includes solved papers and practice sets to help candidates prepare for the exam Detailed Explanations The book includes detailed explanations and solutions to help candidates understand the concepts and strategies needed to succeed on the exam Team Prabhat The book is published by Team Prabhat a team of experts and educators that aims to provide high quality study material and resources to students and candidates across India Team Prabhat is a team of educators and experts that provides high quality study resources and materials to students and candidates across India With a focus on competitive exams and recruitment tests Team Prabhat has also published several books and resources related to sociology and other subjects NTA UGC NET JRF SET Sociology 28 Solved Papers 2012 2021 10 Practice Sets is their latest work providing a comprehensive guide for passing the NTA UGC NET JRF SET Sociology exam Catalog of Copyright Entries.
