Magda Goebbels:

Magda Goebbels Anja Klabunde,2003 During the past twenty years innumerable books about the Third Reich have been published but little attention has been paid to the women who lived alongside the Nazi leaders Magda Goebbels 1901 1945 is arguably the most contradictory and the most intriguing among them What made a beautiful and intelligent woman go from being deeply in love with the ardent Zionist leader Victor Chaim Arlosoroff to marrying Joseph Goebbels Hitler s minister of propaganda and a ferocious anti Semite Indeed in the eyes of many people she was the First Lady of the Reich owing to Hitler s lifelong attachment to her How could the devoted mother of six the poster child of family values during the Third Reich turn into Medea and poison these six children Anja Klabunde s thoroughly researched and remarkable biography for the first time brings together these stunning facts

Hitler's Theology Rainer Bucher,2011-06-30 Hitler s Theology investigates the use of theological motifs in Adolf Hitler s public speeches and writings and offers an answer to the question of why Hitler and his theo political ideology were so attractive and successful presenting an alternative to the discontents of modernity The book gives a systematic reconstruction of Hitler s use of theological concepts like providence belief or the almighty God Rainer Bucher argues that Hitler s ab use of theological ideas is one of the main reasons why and how Hitler gained so much acquiescence and support for his diabolic enterprise This fascinating study concludes by contextualizing Hitler s theology in terms of a wider theory of modernity and in particular by analyzing the churches struggle with modernity Finally the author evaluates the use of theology from a practical theological perspective This book will be of interest to students of Religious Studies Theology Holocaust Studies Jewish Studies Religion and Politics and German History

Nazi Wives James Wyllie,2020-11-03 An in depth look at the personal lives psychological profiles and marriages of the wives of officers in Hitler

s inner circle Compelling The Washington Post Goering Goebbels Himmler Heydrich Hess Bormann names synonymous with power and influence in the Third Reich Perhaps less familiar are Carin Emmy Magda Margaret Lina Ilse and Gerda These are the women behind the infamous men complex individuals with distinctive personalities who were captivated by Hitler and whose everyday lives were governed by Nazi ideology Throughout the rise and fall of Nazism these women loved and lost raised families and quarreled with their husbands and each other all the while jostling for position with the Fuhrer himself Until now they have been treated as minor characters their significance ignored as if they were unaware of their husbands murderous acts despite the evidence that was all around them the stolen art on their walls the slave labor in their homes and the produce grown in concentration camps on their tables James Wyllie s Nazi Wives explores these women in detail for the first time skillfully interweaving their stories through years of struggle power decline and destruction into the post war twilight of denial and delusion A chilling and richly detailed group portrait of the women who married Third Reich leaders Publishers Weekly Hitler's Court Heike B. Görtemaker, 2022-01-12 This revelatory history examines the loyal inner circle that followed and enabled Hitler s rise to power and continued on after WWII Hitler was not a lonely aloof dictator Throughout his rise in the NSDAP he gathered a loyal circle around him and was surrounded by people who celebrated flattered and intrigued him Who belonged to this inner circle around Hitler What function did this court fulfill And how did it influence the perception of history after 1945 Using previously unknown sources Heike G rtemaker explores Hitler s private environment and shows how this inner circle made him who he was Hitler s inner circle the Berghof Society was his private retreat But the court was more than that It provided him with the support he needed to take on the role of F hrer at all while at the same time allowing him to use its members as political front men Most of all it represented a conspiratorial community whose lowest common denominator was anti Semitism In this book Heike G rtemaker asks new questions about the truth behind Hitler s inner circle and for the first time also examines the circle without leaders the networking of the inner circle after 1945 The Lost Life of Eva Braun Angela Lambert, 2014-09-02 Eva Braun is one of history s most famous nonentities She has been dismissed as a racist feathered headed shop girl yet sixty two years after her death her name is still instantly recognizable She left her convent school at the age of seventeen and met Hitler a few months later She became his mistress before she was twenty How did unsophisticated little Fraulein Braun twenty three years his junior hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide Were they really lovers and what were the background influences and psychological tensions of the middle class Catholic girl from Munich who shared his intimate life How can her ordinariness and apparent decency be reconciled with an unshakeable loyalty to the monster she loved She left almost no personal material or documents but her private diary and photograph albums show that her life with Hitler far from being a luxurious sinecure caused her emotional torture His chauffeur called her the unhappiest woman in Germany The F hrer humiliated her in public while the top Nazis wives living in his privileged enclave on a Bavarian

mountainside despised her Yet Albert Speer said She has been much maligned She was very shy modest A man s woman gay gentle and kind incredibly undemanding a restful sort of girl And her love for Hitler as she proved in the end was beyond question Eva loved the F hrer not for his power nor because thanks to him she lived in luxury His material gifts were nothing compared with the one thing she really wanted his child She remained invisible and unknown a nonperson They were never seen in public together and she never saw him alone except in the bedroom yet their long relationship was a sort of marriage Angela Lambert reveals a woman the world never knew until the last twenty four hours of her life In the small hours of April 29 1945 as Allied troops raced to capture Berlin and the bunker below the Reichskanzlei where the defeated Nazi leaders were hiding Eva Braun finally achieved her life s ambition by becoming Hitler s wife Next day they both swallowed cyanide and died instantly She was young healthy and thirty three years old Based on detailed new research this is an authoritative biography only the second life of Eva written in English *Rommel's Lieutenants* Samuel W. Mitcham,2008-12-17 Covers Erwin Rommel s World War II battles before he led the legendary Afrika Korps First work to recognize the talented staff officers and company battalion and regimental commanders who supported Rommel One of the most famous soldiers to fight in World War II Erwin Rommel achieved immortality as the Desert Fox in the sands of Africa but his first field command was the 7th Panzer Division the so called Ghost Division During the 1940 campaign in France the unit suffered more casualties than any other German division and at the same time inflicted heavy losses on the Allies taking almost 100 000 prisoners The Ghost Division s success owed much to Rommel s subordinates who aided Rommel more than he admitted in his papers and whom historians have generally overlooked This book remedies that oversight **The Death of Hitler: The Full Story with New Evidence from Secret Russian Archives** Ada Petrova,Peter Watson,2007-03-17 Revealing and well written A significant book Houston Chronicle It is one of the most enduring mysteries of the twentieth century how exactly Adolf Hitler died and what happened to his remains With access to the Russians Hitler Archive this book reveals not only what happened after the Russians captured Hitler s bunker but also why the Soviets felt the details of his death had to be suppressed

Death of Hitler Ada Petrova,Peter Watson,2007-03-17 In this groundbreaking book which reads like a riveting detective story Ada Petrova and Peter Watson provide the answers to these two questions Given access to the Russians hitherto unseen Hitler Archive File I G 23 the so called Operation Myth File they reveal not only the truth of what went on in Berlin in May 1945 after the Russians captured the bunker in which Hitler Eva Braun and their entourage spent their last days but also why the Soviet regime felt the details of the Fuhrer s death had to be kept secret for so long Further they explain how and why his body and those of Braun Josef and Magda Goebbels and the Goebbels six children were secretly buried in Magdeburg East Germany and finally disinterred and cremated in 1970 by order of the then KGB chief Yuri Andropov **Family Politics** Paul Ginsborg,2014-11-28 In this masterly twentieth century history Paul Ginsborg places the family at center stage a novel perspective from which to examine key moments of revolution and dictatorship His groundbreaking book spans 1900

to 1950 and encompasses five nation states in the throes of dramatic transition Russia in revolutionary passage from Empire to Soviet Union Turkey in transition from Ottoman Empire to modern Republic Italy from liberalism to fascism Spain during the Second Republic and Civil War and Germany from the failure of the Weimar Republic to the National Socialist state Ginsborg explores the effects of political upheaval and radical social policies on family life and in turn the impact of families on revolutionary change itself Families he shows do not simply experience the effects of political power but are themselves actors in the historical process The author brings human and personal elements to the fore with biographical details and individual family histories along with a fascinating selection of family photographs and portraits From WWI an indelible backdrop and imprinting force on the first half of the twentieth century to post war dictatorial power and family engineering initiatives to the conclusion of WWII this book shines new light on the profound relations among revolution dictatorship and family
