Summary The book opens with a scene of violence and it goes downhill from there A little scrapper of a boy named Jimmie is fighting against hoodlums from Devil's Row with the help of some other neighborhood street urchins representing Rum Alley And we're not talking about hair pulling we're talking about stone throwing clothes shredding and bloody faces Then an older boy named Pete comes along but rather than saving Jimmie he sort of eggs him on But he's got his back Home is even grimmer than the gravel heaps of Rum Alley for Jimmie because Mom is a raging alcoholic Dad is a brute and siblings Maggie and Tommie just seem like they have targets on their foreheads It's complete mayhem in the house A few years later Tommie is dead and so is Dad Jimmie has become a bully and a monster himself hating everything in his path and itching for the next fight He's a teamster with road rage long before the term is invented and he'll make mincemeat out of anyone who crosses his path Along comes that Pete fellow again the one who helped Jimmie and now he's a strapping well dressed dandy of a fellow At least in Maggie's eyes anyway They begin to date which Maggie sees as a prime opportunity to get away from the terribleness that is her life in the tenement Pete loves him some entertainment so he and Maggie attend all sorts of fancy again to her vaudeville type theatrical events where the audience is full of other hard working immigrants Beats being at home being beaten by Mom that's for sure Mom and Jimmie are not impressed by the whole Pete Maggie love connection though Doesn't matter if you are poor you still have moral standards and that Maggie well she's making the family look bad by spending all sorts of time with that Pete So they kick her out of the apartment Now she has no choice but to be with Pete Nice call Jimmie attempts to defend the family honor by beating Pete up while Pete is at work so that's not cool The good times between Pete and Maggie come to a screeching halt As sure as the day is long Pete leaves Maggie for Nellie an old flame who clearly has more sophistication than Maggie which isn't hard wide eyed na f that Maggie is Now Maggie has nowhere to go Mom is busy maligning her with the neighbors sweet mom eh so it's the streets for Maggie hence the subtitle of the book Crane does a little smoke and mirrors trick by showing us a prostitute wandering the streets but not telling us directly that it's Maggie We know better though Unfortunately the scene doesn't end well as a creep of a guy with bloodshot eyes and grimy hands follows the girl 17 17 down to the river You do the math We find Pete drunk as a skunk with a bunch of ladies including that Nellie They all take advantage of his generosity and then leave him passed out on the floor Jimmie comes home to Mom flatly reporting that Maggie is dead Mom throws a spectacular fit as neighbors make feeble attempts to console her The book ends with Mom promising to forgive Maggie Um too little too late Ma **Maggie, a Girl of the**

Milne Holton: According to the naturalistic principles, a character is set into a world where there is no escape from one's biological heredity. Additionally, the circumstances in which a person finds oneself will dominate one's behavior, depriving the individual of responsibility.
