The Society of the Sacred Heart in the World of Its Times 1865 -2000 Monique Luirard,2016-03-31 After the death of its founder in 1865 the Society of the Sacred Heart experienced exceptional recruitment and expansion and departure from France of more than 2500 religious at the beginning of the century Its story is that of the thousands of women who joined it to root their lives in its charism In the forty countries where they have been sent they have had to confront liberalism and anti clericalism revolution the effects of Nazism and Marxism and world wars that destroyed their houses and scattered their members After the Second Vatican Council the elimination of cloister opened new fields of apostolic work to the Society This book shows how the congregation developed amid internal crises which did not differ from those in the Church and civil society and how from these crises there emerged little by little a new way to be a Religious of the Sacred Heart

Proceedings of the Convention of Religions in India, 1909 ,1910 The Sung Theology of the English Particular Baptist Revival Joseph V. Carmichael,2020-12-21 Anne Steele 1717 1778 originally wrote her hymns to be sung in the Baptist congregation pastored by her father The foremost female contemporary of hymn writing giants Charles Wesley John Newton and William Cowper her hymns are infused with spiritual sensitivity theological depth and raw emotion She eventually published her hymns under the pseudonym Theodosia which means God s Gift She believed God had given her a gift to share

Steele's work was warmly received in her own day. Pastor and publishing pioneer of the modern English hymnal John Rippon included more than fifty of her hymns in the various topical sections of his wildly successful *Selection of Hymns*. Rippon's hymnal was popular on both sides of the Atlantic but was especially influential during the nineteenth century revival and renewal of English Particular Baptists. This book introduces Steele's hymns in the context of her life and times and of Rippon's hymnal. It illustrates that Steele's approach to hymn writing is a model of biblical spirituality. Each hymn as printed in Rippon's hymnal and thus sung by congregations and used as devotional literature is considered. The sung theology of these congregations is a gift to the church universal and worth rediscovering in the twenty-first century. *An Exposition of the Prophet Ezekiel* William Greenhill, 1839
