Modern China A History:

Modern China, a History Edwin E. Moise, 1986 Modern China, a History Edwin E. Moise, 1986 **Modern China** Rana Mitter, 2016-02-25 China today is never out of the news from international finance to human rights controversies global coverage of its rising international presence and the Chinese economic miracle It seems to be a country of contradictions a peasant society with some of the world's most futuristic cities heir to an ancient civilization that is still trying to find a modern identity This Very Short Introduction offers the reader an entry to understanding the world's most populous nation giving an integrated picture of modern Chinese society culture economy politics and art In this new edition Rana Mitter addresses China's current global position accounting for the country's growth in global significance over the past decade ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

China Michael Dillon, 2021-07-15 In this complete guide to modern China Michael Dillon takes students through its social political and economic changes from the Qing Empire through the civil war and the Communist state to its incarnation as a hybrid capitalist superpower Key features of the new edition include A brand new chapter on the Xi Jinping premiership Coverage of the recent developments in Hong Kong Unique analysis of Tibet and Xinjiang Teaching aides including biographies of leading figures timelines and a glossary Clearly and compellingly written this textbook is essential for any student of the history or politics of modern China **Modern China** Edwin E. Moise, 2013-08-21 The past hundred years in China have seen almost continuous transformation and upheaval From Confucianist monarchy to warlordism from fanatically doctrinaire socialist tyranny to almost doctrineless social capitalism China has experienced political cultural and economic disintegration reunion and revolution on an unprecedented scale Beginning with the overthrow of the Emperor in 1911 Moise guides us through a century of ever unfolding drama with characteristic clarity and balance Examining the effects of the communist revolution he argues that in the early days Mao Zedong established the most effective government China had ever known and that even during the bizarre excesses and blood letting of the Cultural Revolution there were still issues that were dealt with in a rational and effective manner Moving on to the developments since the death of Mao in 1976 in a section fully revised and updated for this new edition Moise gives a nuanced account of the two sides of China its spectacularly successful programme of capitalist economic development and its continuing dictatorship He contends that dictatorship is now much less total than it was until the mid 70s although dissenters are still persecuted their very existence is evidence of a significant loosening of repression However there is a heavy price being paid for the Chinese economic miracle The environmental effects of this boom already stretch well beyond the borders of China Modern China sends us a clear message the rapid and fundamental change that has framed the last century has not slowed or stalled but acts as a pointer to the near certainty of

significant further change To understand Chinas future we must understand its past Edwin E Moise is Professor of History at Clemson University South Carolina and a specialist in the history of China and Vietnam His previous works include *Land Reform in China and North Vietnam* 1983 and *Tonkin Gulf and the Escalation of the Vietnam War* 1996 *History of Modern China* R.S. Chaurasia,2004 This Book Studies All Aspects Of Chinese History From The Very Beginning To Date It Is Written In Very Easy Language And Lucid Style It Depicts As To How China Has Become One Of The Most Dominant Powers Of The World The Book Highlights Chinese Culture Its Religion Its View Of War And Military Its Attitudes Towards Other Cultures And The Development Of Society From Prehistoric To Modern Times Role Of Communist Party Of China Basic Features Of Constitution Of China And Details Of Communist Rule Of China Have Been Given In Detail The Topics Covered Are A Brief Survey Of Chinese History Its Educational System Career Political Ideas Of Mao Tse Tung Sino Soviet Relations Before And After Indo China Border Conflict China S Relations With U S A And Western Powers And With Third World Countries And U N O Sino Indian Relations And Tibet China After Mao And China S 21St Century Progress And Development Position Of Present China And Its Comparison With India Taiwan And Its Relation With Macao And Hong Kong Thus This Book Will Prove Very Useful For Students Of B A Hons And M A And For Various Competitive Examinations And For General Readers **Modern China: the Story of a Revolution** Orville Schell,Joseph Esherick,1972 Traces the history of China and its relationship with the West from the thirteenth century visit of Marco Polo to the present day **The Making of Modern China** Owen Lattimore,Eleanor Holgate Lattimore,1944 A History of Modern China Kenneth Scott Latourette,1954

Modern China David Nelson Rowe,2003 *China: A History* Harold Miles Tanner,2009-03-13 A deep and rigorous yet eminently accessible introduction to the political social and cultural development of imperial Chinese civilisation this volume develops a number of important themes such as the ethnic diversity of the early empires that other editions omit entirely or discuss only minimally Includes a general introduction chronology bibliography illustrations maps and an index *The History of Modern China* Zhiyue Bo,2014-09-02 China whose recorded history extends back several thousand years was once the most advanced civilization on earth But after centuries of self imposed isolation the so called Middle Kingdom found itself lagging behind the world s industrialized countries Defeated militarily by the Western powers and Japan during the second half of the 19th century China went through a series of reforms and revolutions before the emergence of the People s Republic of China PRC in 1949 Internal political struggles stifled the PRC s development during its early decades but a reform program that began in the late 1970s has transformed China into an economic powerhouse and an increasingly important player on the international stage The History of Modern China offers a comprehensive account of China s historical evolution from a prosperous empire to a semi colonial nation and finally to an independent Communist state This volume also provides an in depth analysis of the interplay between China and the outside world as well as among China s various political forces **The Oxford Illustrated History of Modern China** Jeffrey N. Wasserstrom,2016-06-16 This lavishly illustrated

volume explores the history of China during a period of dramatic shifts and surprising transformations from the founding of the Qing Dynasty 1644 1912 through to the present day The Oxford Illustrated History of Modern China promises to be essential reading for anyone who wants to understand this rising superpower on the verge of what promises to be the Chinese century introducing readers to important but often overlooked events in China's past such as the bloody Taiping Civil War 1850 1864 which had a death toll far higher than the roughly contemporaneous American Civil War It also helps readers see more familiar landmarks in Chinese history in new ways such as the Opium War 1839 1842 the Boxer Uprising of 1900 the rise to power of the Chinese Communist Party in 1949 and the Tiananmen protests and Beijing Massacre of 1989 This is one of the first major efforts and in many ways the most ambitious to date to come to terms with the broad sweep of modern Chinese history taking readers from the origins of modern China right up through the dramatic events of the last few years the Beijing Games the financial crisis and China's rise to global economic pre-eminence which have so fundamentally altered Western views of China and China's place in the world

China: A History (Volume 2) Harold M. Tanner, 2010-03-15 Available in one or two volumes this accessible yet rigorous introduction to the political social and cultural history of China provides a balanced and thoughtful account of the development of Chinese civilization from its beginnings to the present day Each volume includes ample illustrations a full complement of maps a chronological table extensive notes recommendations for further reading and an index Volume 1 From Neolithic Cultures through the Great Qing Empire 10 000 BCE 1799 Volume 2 From the Great Qing Empire through the People's Republic of China 1644 2009

Modern China and the West Hsiao-yen PENG, Isabelle Rabut, 2014-04-30 In *Modern China and the West Translation and Cultural Mediation* the authors investigate the significant role translation plays in the act of cultural mediation They pay attention to transnational organizations that bring about cross cultural interactions as well as regulating authorities in the form of both nation states and ideologies which dictate what and even how to translate Under such circumstances is there room for individual translators or mediators to exercise their free will To what extent are they allowed to do so The authors see translation as a shaping force While intending to shape or reshape certain concepts through the translating act translators and cultural actors need to negotiate among multifarious institutional powers that coexist including traditional and foreign Contributors include Françoise Kreissler Angel Pino Shan Te-hsing Nicolai Volland Joyce C H Liu Huang Ko-wu Isabelle Rabut Xiaomei Chen Zhang Yinde Peng Hsiao-yen Sebastian Hsien-hao Liao and Pin-chia Feng

China: A Historical Geography of the Urban Yannan Ding, Maurizio Marinelli, Xiaohong Zhang, 2017-11-20 This book offers a unique contribution to the burgeoning field of Chinese historical geography Urban transformation in China constitutes both a domestic revolution and a world historical event Through the exploration of nine urban sites of momentous change over an extended period of time this book connects the past with the present and provides much needed literature on city growth and how they became complex laboratories of prosperity The first part of this book puts Chinese urban changes into historical perspective and probes the

relationship between nation and city focusing on Shanghai Beijing and Changchun Part two deals with the relationship between history and modernity concentrating on Tunxi a traditional trade center of tea New Villages in Shanghai and street names in Taipei and Shanghai Part three showcases the complexities of urban regeneration vis vis heritage preservation in cities such as Datong Tianjin and Qingdao This book offers an innovative interdisciplinary and international perspective which will be of interest to students and scholars of Chinese urban studies as well Chinese politics and society *The Search for Modern China* Jonathan D. Spence, 2013 This rich gathering of primary source documents puts students in direct contact with the major characters and events in modern Chinese history Revised to reflect updates to *The Search for Modern China* third edition this outstanding collection displays a strong blend of social history pieces dealing with everyday life family social networks and culture and political history critical proclamations treaties laws and other public acts Many documents are translated into English for the first time and are available only in this book *Modern China* Bruce A. Elleman, S. C. M. Paine, 2019-02-18 Now in a fully updated edition this accessible text provides a balanced history of modern China in a global context Through years of living and research in China Taiwan Japan and Russia the authors are deeply qualified to understand China's internal dynamics as well as its foreign relations over centuries Arguing that modern Chinese history cannot be understood without a deep appreciation of the outside factors that have influenced the country the authors focus on China's near neighbors especially Japan and Russia They also emphasize the tragic role of almost endless warfare throughout Chinese history Providing a unique comparative approach the authors bridge the cultural divide separating Chinese history from Western readers trying to understand it Specifically geared to the teaching requirements of the semester system the book is divided into four parts and a total of twenty eight chapters corresponding either to two chapters per week in a fourteen week semester or one chapter per week in a two semester course Modern China and Japan Conrad Schirokauer, 1982 Concentrates on the main currents of modern Chinese and Japanese history from the seventeenth century to the present Balances social and political facets as well as Far Eastern thought religion and the arts **China: A History (Volume 1)** Harold M. Tanner, 2010-03-15 Available in one or two volumes this accessible yet rigorous introduction to the political social and cultural history of China provides a balanced and thoughtful account of the development of Chinese civilization from its beginnings to the present day Each volume includes ample illustrations a full complement of maps a chronological table extensive notes recommendations for further reading and an index Volume 1 From Neolithic Cultures through the Great Qing Empire 10 000 BCE 1799 Volume 2 From the Great Qing Empire through the People's Republic of China 1644 2009

Reviewing **Modern China A History**: Unlocking the Spellbinding Force of Linguistics
