Moscow Mule with Tequila Randy Woodward,2020-12-30 The traditional Moscow Mule is made with vodka lime juice and ginger beer Over the years people experimented with different liquors that can be used to make the cocktail Presently there are 16 variations of Moscow Mule depending on the liquors used to make it Not to mention the number of variations based on the additional ingredients and garnishes The Mexican Mule is no different It is a Moscow Mule made with tequila It has more ingredients than the classic Moscow Mule because aside from the tequila used in place of the vodka it also has orange liqueur and jalape o slices for that authentic Mexican taste

Mint Moscow Mule Randy Woodward,2020-12-29 Mint the one herb that makes food boost its aroma and flavor such as ice cream cookies salads dips sauces pesto pasta tea and meat dishes to name a few Of course the world of drinks and cocktails are also in need of the mighty mint to spice things up One example would be the Moscow Mule Traditionally a Moscow Mule is made with vodka freshly squeezed lime juice and ginger beer The story behind this drink is pretty famous and one of the most clear ones among the other drinks The concoction was created by a bunch of guys who were in dire need to sell off their vodka ginger

beer and copper mugs and it became a success and the rest is history As of today there are already countless variations of this awesome cocktail because of its refreshing nature its ease of preparation and its iconic look When you watch videos on how to make Moscow mules the cocktail would be presented with a sprig of mint leaves acting as a garnish only Sure it adds to the aesthetics but the problem is mint is such a powerful ingredient and it should be in the cocktail not just a mere decoration And yes the ginger beer may already be the kick factor in the drink but sometimes you kind of get used to it and perhaps you want something a little extra and that s what the mint is for
