The Shelter of God's Promises Sheila Walsh,2011-02 Gifted Bible teacher and inspiring Women of Faith speaker Walsh offers powerful heart filled teaching on 10 bedrock promises of God providing the foundation for daily confidence joy and hope     *The Great Tithing Scam* A. Bruce Wells,2006-07 Some have said that the word scam is too strong for a book that argues against the church s most sacred cow but scam is exactly the right word because tithing has been put forth as a duty that will earn that which Christ suffered and died to freely give us Not only is it wrong to suggest that tithing will do what Christ died to do such as open heaven or make one right with God but such teaching is an insult to His sacrifice and in reality an enemy to the Cross even as circumcision was in the early church Our ministers have been naively leading the church back under the Old Testament Law and its curse with imagined tithing promises that have gone way beyond even that which Malachi promised Under the guise of obedience faithfulness and stewardship we ve been duped into believing we must prove ourselves without realizing that practicing the Law tithing blocks us from becoming sons and heirs according to Galatians 4 5 Do you know that The book of Malachi was never intended to be instruction to the New Testament church All the ordinances in Malachi including tithing were nailed to Jesus cross according to Colossians chapter 2 Tithing is part of the Law according to Matt 23 23 Malachi 3 7 and Hebrews 7 18 The practice of tithing the Law can expose you to the curse of the Law causing incurable sicknesses debt death and many other problems according to the Apostle Paul in Galatians 3 10 The practice of tithing actually removes you from the state of grace and places you back the category of sinner Hebrews 5 4 Tithing causes you to frustrate the grace of God and causes Christ to profit you nothing Galatians 2 21 and 5 2 Making tithing a practicetoday actually causes the New Testament to become another gospel according to Paul in Galatians 1 6 Order *The Great Tithing Scam* today and find out what else tithing will or won t do     *Stop Asking Why Are You Single* Indiana Tuggle,2014-04-06 Do you question why you are single Does not having a relationship prevent you from enjoying life to the fullest Are you ready to uncover the inner battles and barriers preventing you from obtaining the abundant life God promised you in this season In this Faith filled guide learn how to Stop comparing yourself to others and be grateful for what God has

already done in your life Recognize what hinders your praise and the importance of praise Forgive let go of the past and recognize your worth Relinquish your wants and submit to the will of God Discover the tricks the enemy uses to discourage you from discovering your purpose Recognize true happiness is in your identity in Christ Live in the moment and acknowledge God's presence in your life Enjoy who you are and where you are with God Currently single and celibate for over 5 years I understand the impatience and frustration one can experience when desiring a mate yet having to wait I was unhappy and my misery affected not only my career but everyone around me Not now was not the answer I was expecting when questioning my singleness to God But what I uncovered was issues of low self esteem anger and unforgiveness stemming from unresolved issues of sexual molestation unhealthy relationships and domestic violence Allowing God to heal me opened my eyes to the true beauty of singleness      Life Now Jansher,2024-07-30 The capability of today's man has become so narrow that it is painful to imagine Today's human life is reduced to working eating sleeping and reproducing First they placed today's man in a certain place then gave him the wrong values National values patriotism ideological values They caught him at a certain point They closed all avenues for him They took away his chances Today's man knows nothing about life He sees nothing of creation Today's man never knows how far the beauty of nature and divine creation is spread He knows nothing Because his whole life is spent fighting over things that are all lies and illusions his life is wasted fighting and struggling with his comrades He never gets anywhere That is why he is in agony Then few people take advantage of the facilities and the nations beat each other over the head they are busy enjoying life and creation The sole mission of humanity today is to provide land for certain groups to live on Human slavery today has become so brilliant that it has almost assumed the color of sanctity and godliness In the name of knowledge and education he learns the art of slavery in the first half of his life and in the second half he does his slavery They call it alive      The Mustard Seed Osho,2010-02-01 This timely book explores the wisdom of the Gnostic Jesus who challenges our preconceptions about the world and ourselves Based on the Gospel of Thomas the book recounts the missing years in Jesus' life and his time in Egypt and India learning from Egyptian secret societies then Buddhist schools then Hindu Vedanta Each of Jesus' original sayings is the seed for a chapter of the book each examines one aspect of life birth death love fear anger and more counterpointed by Osho's penetrating comments and responses to questions from his audience      **Spirituality** Rick Richardson,2002-07-23 In this study guide Rick Richardson offers you the opportunity to learn more about spirituality and how it can be developed in your life A Willow Creek Resource      Why, God, Why? Karen Jensen,2013 Pastor Karen Jensen knows firsthand what it is like to experience personal tragedy In this book she shares with readers that it's OK to ask why but it's not OK to camp out there      **Rising Above To God's Ways!** Samantha Personett,2017-12-05 Walk with Author Samantha Personett on her journey in nature where she found hope strength and most of all freedom once again to serve Jesus Christ without the bondage of mankind's ideals As she started to really look to God for answers in her life she noticed it was away from people and out in nature God's creation She

was able to just open her mind and heart to God and thank him for everything in his creation She remembers feeling so overwhelmed that he made all this beauty for her and all of mankind She remembers back walking on the shores of Lake Michigan at Weko Beach That day the wind and the fresh air were so exhilarating the vas water before her God met her there freeing her from a lifetime of weights and burdens from the church s traditions and rules that kept her from being the free Christian that God wanted her to be She began to look beyond mankind s ways and started to Rise Above to God s Ways Her life would be changed forever No more worrying about what others wanted for her in the church but what God wanted and no more carrying the guilt around of her divorce as God no longer wanted her to stay in a relationship involving alcohol and drugs She is living a new wonderful life as a Christian and she hopes that after you read this book you will find freedom in your walk with God forever and for always Your own personal journey with God awaits you If you are a leader in a church God wants you to use wisdom when teaching and look to the ways of Jesus when he walked this earth as our example This book will encourage you to never give up in your walk with God Forgetting what is behind and straining toward what is ahead I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus Philippians 3 13 and 14

**When You Are in a Strait-Jacket** REV.DR.JAMES D. PETERS JR.,2012-09-18 The book contains sixteen sermons from the book of Job I take something as horrible as Jobs condition and I compare it with something as totally constraining as a straitjacket The book traces Job through the many seasons of his situation and will help people realize that while they may indeed have some extremely difficult times they too can find some hope and solace with God as did Job **Ryan's Rock**

David L. Buche,2009-02 [HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE](#) Dr. Amos Adeniyi,2014-08-28 The idea to write fictional letters to marital couples on how to use God s lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don t take their wedding vows

seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41 50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody s name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what s in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don t fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn t The idea is we don t have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don t need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor s handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of

peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom     **I Am with You Always** Benedict Groschel,2010-01-01 Though the devotional life is sometimes brushed offas unimportant in comparison to a theological understanding of Christ Groeschel warns that such dismissal threatens to make distant unknown and obscure the Savior who said I am with you always Instead the answer is to draw near to Jesus in devotion and with authentic expressions of that devotion which themselves help paint the image of Christ found concretely in revelation onto the minds and into the daily life of the devout

## Adopting the Melody of Phrase: An Emotional Symphony within **On Asking God Why**

In a global eaten by displays and the ceaseless chatter of fast interaction, the melodic beauty and emotional symphony created by the prepared term frequently fade into the backdrop, eclipsed by the constant noise and interruptions that permeate our lives. Nevertheless, nestled within the pages of **On Asking God Why** a marvelous literary treasure full of raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, that fascinating masterpiece conducts visitors on a psychological journey, skillfully unraveling the concealed songs and profound influence resonating within each carefully constructed phrase. Within the depths of the emotional analysis, we shall explore the book is central harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
