Once Were Warriors Alan Duff, 1995-02-01 A view of urban Maori life and a world of frustration resentment and waste

Kisses in the Nederends Epeli Hau'ofa, 1995-06-01 In the best Rabelaisian tradition this brilliant satire weaves a tale of improbabilities around the seat of the last great taboo Oilei Bomboki wakes one morning with an excruciating pain that sends him anxiously searching for a cure Unsuccessful treatments at the hands of various healers and doctors culminating in a bizarre operation lead the desperate Oilei to seek the help of Babu Vivekanand sage yogi and conman Through Babu s teachings Oilei learns to love and respect the source of his own complaint By turns savage and absurdly comic this brilliant satire allows Hau ofa to comment on aspects of life in a small Pacific community perched precariously between traditional and modern ways

Tales of the Tikongs Epeli Hau'ofa, 1994-07-01 In this lively satire of contemporary South Pacific life we meet a familiar cast of characters multinational experts religious fanatics con men simple villagers corrupt politicians In writing about this tiny world of flawed personalities Hau ofa displays his wit and range of comic resource amply exercising what one reviewer called his gift of

Think of a Garden and Other Plays John Kneubuhl, 1997-04-01 By his own reckoning John Kneubuhl was the world's greatest Swiss Welsh Samoan playwright The son of a Samoan mother and an American father Kneubuhl's multicultural heritage produced a distinctive artistic vision that formed the basis of his most powerful dramatic work Born and raised in Samoa Kneubuhl attended school in Honolulu and studied under Thornton Wilder at Yale Returning to Hawaii in the mid 1940s Kneubuhl won acclaim as a playwright with the Honolulu Community Theater then moved on to Los Angeles to write for television Twenty years later he was back in Samoa lecturing on Polynesian history and culture and writing plays including the trilogy offered here Unlike much of Kneubuhl's earlier work these plays are touchingly personal in their exploration of alienation and cultural identity Think of a Garden the first play of the trilogy and the last written before the playwright's death in 1992 has been called the most Samoan of Kneubuhl's plays a candid look at the writer's bicultural upbringing that artfully weaves together family memory history and mysticism Think of a Garden makes the work of one of the Pacific's preeminent playwrights available for the first time to a wide audience of theatre enthusiasts literature specialists and others interested in Pacific themes Deep River Talk Hone Tuwhare, 1994-01-01 An anthology by a Maori poet from New Zealand In Dour Note on a Sunny Winter's Morning he writes I am unacquainted with the world's sadnesses knowing only its specificities on the pain of separation the aftermath of joyful couplings that were unproclaimed of births that

are unadvertised and a million more looking like death with never a listing on tomb or tabloid obelisk *Night is a Sharkskin Drum* Haunani-Kay Trask, 2002-07-31 *Night Is a Sharkskin Drum* is a lyrical evocation of Hawaii by a Native poet whose ancestral land has been scarred by tourism the American military and urbanization Grounded in the ancient grandeur and beauty of Hawaii this collection is a haunted and haunting love song for a beloved homeland under assault **Pacific Islands Writing** Michelle Keown, 2007 Beginning with an overview of European representations of the Pacific Michelle Keown presents a broad ranging introduction to the postcolonial literatures of the Pacific from the late 1960s through to the new millennium focusing mainly on writing in English but also exploring the growing corpus of francophone and hispanophone Pacific writing *The Publishers Weekly*, 1995 [Jonah - My Story](#) Jonah Lomu, 2012-08-13 He was rugby's first truly international celebrity and he remains one of the game's greatest heroes A decade after the publication of his blockbuster autobiography Jonah Lomu opens up like never before about life after the All Blacks In this deeply moving sometimes explosive update to *Jonah My Story* the big man talks candidly of his life and his loves of reconciliation and betrayal and of the tragic illness that has been the one constant in his life since he first thundered on to the world's sporting stage It's 10 years since he played his final match for the All Blacks but still Jonah Lomu remains the most recognisable rugby face on the planet In this much awaited update to his 2004 best selling biography Jonah talks about the highs and lows of that last decade with candour and honesty Packed with astonishing revelations including the split with his long time manager the breakdown of his marriage and the deeply moving reconciliation with his father Jonah is also open about his ongoing health problems He details his brave battle with nephrotic syndrome which eventually led to a kidney transplant and talks about his current health situation which sees him again in complete renal failure and requiring a second transplant Despite the cruel hand Jonah Lomu has been dealt he remains cheery and optimistic sharing the good times along with the bad including his joy at becoming a father and how his two young sons have helped save him from the dark times **Mānoa**, 1995 [Pacific Well-Being](#) Jione Havea, 2024-03-29 This book makes space 1 for Pasifika contributions to academic conversations on critical topics and 2 for influencing the conversations to account for and thus reflect Pasifika ways and modes The critical topic that runs through the chapters is well being and the contributors were located at the time of writing in Pasifika Aotearoa Fiji Kioa Kiribati Samoa Tonga and Tuvalu but there are many more Pasifika voices and concerns than are represented in this work Nonetheless the ways in which this work seeks to influence the conversations on well being reflect the intersectional modes of thinking that native Pasifika Islanders share The essays are placed into three intersecting clusters well being of bodies and islands well being of traditions and theologies and well being of imaginations and worldviews The rationale for this arrangement is that the well being of Pasifika requires attention to the present bodies and islands to the past traditions and theologies and to the future imaginations and worldviews The chapters address Pasifika questions and concerns and they are placed so that the conversations they spark can take place free of the traps of Western

theories and disciplines with Pasifika accents and rhythms
