Psychology Encounters Judaism Joel Klein, 1979-01-01 **Religious Objects as Psychological Structures** Moshe Halevi Spero, 1992-06-15 The second aspect of his argument is that these two distinct but parallel lines allow one to conceptualize the revolutionary possibility of transference displacements the shift of religious symbology not only from interpersonal relationships onto the God concept Freud's model but also from an objective human God relationship onto interpersonal relationships Judaism's Encounter with Other Cultures Gerald J. Blidstein, 1997-05 The issue of Judaism's relationship to secular learning and wisdom is one of the most basic concerns of Jewish intellectual history The authors collected in this study discuss both sides of the issue and collectively offer an eloquent and convincing case for the perpetuation of Judaism's dialogue with the outside world *A Psychology-Judaism Reader* Reuven P. Inter-religious Education Kath Engebretson, Marian de Souza, Gloria Durka, Liam Gearon, 2010-08-17 This Handbook is based on the conviction of its editors and contributing authors that understanding and acceptance of as well as collaboration between religions has essential educational value The development of this Handbook rests on the further assumption that interreligious education has an important role in elucidating the global demand for human rights justice and peace Interreligious education reveals that the creeds and holy books of the world's religions teach about spiritual systems that reject violence and the individualistic pursuit of economic and political gain and call their followers to compassion for every human being It also seeks to lead students to an awareness that the followers of religions across the world need to be and to grow in dialogical relationships of respect and understanding An essential aim of interreligious education is the promotion of understanding and engagement between people of different religions and therefore it has great potential to contribute to the common good of the global community Interreligious education has grown from the interfaith movement whose beginning is usually identified with the World Parliament of Religions held in Chicago in 1893 This was the first time in history that leaders of the eastern and western religions had come together for dialogue and to consider working together for global unity

Jews, Christians and Muslims in Encounter Edward Kessler, 2013 This book reflects on one of the most pressing challenges of our time the current and historical relationships that exist between the faith traditions of Judaism Christianity and Islam Kessler's writings shed light on common purpose as well as how to manage difference *The Soul in Anguish* Lionel Corbett, 2015-09-30 The Soul in Anguish Psychotherapeutic Approaches to Suffering presents a variety of approaches to psychotherapeutic work with suffering people from the perspectives of both Jungian and psychoanalytic psychology An important theme of the book is that suffering may be harmful or helpful to the development of the personality Our culture tends to assume that suffering is invariably negative or pointless but this is not necessarily so suffering may be destructive but it may lead to positive developments such as enhanced empathy for others wisdom or spiritual development The book offers professionals in any helping profession various frameworks within which to view suffering so that the individual's suffering does not seem to be random or meaningless Cognitive behavioral approaches the approach of the Diagnostic and Statistical Manual of the American Psychiatric Association and the promise of evidence based strategies may or may not be applicable to the unique circumstances of the suffering individual These approaches also ignore the unconscious sources of much suffering its implications for the ongoing development of the personality and the nuances of the therapeutic relationship We cannot objectify or measure suffering suffering is best viewed from within the individual's perspective because people with the same diagnosis suffer in unique ways The Soul in Anguish is a groundbreaking meticulously researched study from an outstanding Jungian analyst and scholar It provides illuminating ways into the transformative potential of suffering and how it can be dealt with in the consulting room Charting the soul's agonies with great compassion and profound sensitivity Dr Corbett skillfully delineates clinical philosophical and spiritual concepts of suffering that testify to

the endurance of the human spirit This book is an enlightening read for anybody with a passionate concern for the human soul Ursula Wirtz PhD Jungian Analyst Author of *Trauma and Beyond The Mystery of Transformation* With extraordinary candor *The Soul in Anguish* brings its readers face to face with one of the most difficult topics in life suffering This remarkable exploration of the range of suffering especially as encountered in psychotherapy mines for meaning and finds both its positive and negative expressions Transcending the categorical pathological descriptions of the DSM *The Soul in Anguish* reveals the archetypal nature of the experience of suffering Dr Lionel Corbett offers healing to mind soul and body in this uplifting engagement with what is usually either avoided in most treatments or only touched upon i e anguish This book reimagines our pain and anguish to bring about the possibility of a true psychological and soulful grasp of suffering No therapist should miss the opportunities of Dr Corbett s rich study Joe Cambray Ph D Past President IAAP Author DR LIONEL CORBETT trained in medicine and psychiatry in England and as a Jungian Analyst at the C G Jung Institute of Chicago His primary interests are the religious function of the psyche the development of psychotherapy as a spiritual practice and the interface of Jungian psychology and contemporary psychoanalytic thought Dr Corbett is a professor of depth psychology at Pacifica Graduate Institute He is the author of numerous papers and three books *The Sacred Cauldron Psychotherapy as a Spiritual Practice* *Psyche and the Sacred* and *The Religious Function of the Psyche* He is the co editor of *Jung and Aging* *Depth Psychology Meditations in the Field* and *Psychology at the Threshold* **Journal of Psychology and Judaism** ,1992
