The Columbia Guide to American Indians of the Southwest Trudy Griffin-Pierce, 2010-01-22 A terrific guide for the novice that offers a wealth of valuable information This book is academic yet written in an approachable style Maureen T Schwarz author of *Blood and Voice The Life Courses of Navajo Women Ceremonial Practitioners* The Columbia Guide to American Indians History and Culture Also Include The Columbia Guide to American Indians of the Lorella Fowler The Columbia Guide to American Indians of the Southeast Theda Perdue and Michael D Green A major work on the history and culture of Southwest Indians The Columbia Guide to American Indians of the Southwest tells a remarkable story of cultural continuity in the face of migration displacement violence and loss The Native peoples of the American Southwest are a unique group for while the arrival of Europeans forced many Native Americans to leave their land behind those who lived in the Southwest held their ground Many still reside in their ancestral homes and their oral histories social practices and material artifacts provide revelatory insight into the history of the region and the country as a whole Trudy Griffin Pierce incorporates her lifelong passion for the people of the Southwest especially the Navajo into an absorbing narrative of pre and postcontact Native experiences She finds that even though the policies of the U S government were meant to promote assimilation Native peoples formed their own response to outside pressures choosing to adapt rather than submit to external change Griflin Pierce provides a chronology of instances that have shaped present day conditions in the region as well as an extensive glossary of significant people places and events Setting a precedent for ethical scholarship she describes different methods for researching the Southwest and cites sources for further archaeological and comparative study Completing the volume is a selection of key primary documents literary works films Internet resources and contact information for each Native community enabling a more thorough investigation into specific tribes and nations

Farmington Resource Management Plan ,2003 *Hubbell Trading Post* Erica Cottam, 2015-09-22 For more than a century trading posts in the American Southwest tied the U S economy and culture to those of American Indian peoples and in this capacity Hubbell Trading Post founded in 1878 in Ganado Arizona had no parallel This book tells the story of the Hubbell family its Navajo neighbors and clients and what the changing relationship between them reveals about the history of Navajo trading Drawing on extensive archival material and secondary literature historian Erica Cottam begins with an account of John Lorenzo Hubbell who was part Hispanic part Anglo and wholly brilliant and charismatic She

examines his trading practices and the strategies he used to meet the challenges of Navajo exchange customs and a seasonal trading cycle Tracing the trading post s affairs through the upheavals of the twentieth century Cottam explores the growth of tourism the development of Navajo weaving the automobile s advent and the Hubbells relationship with the Fred Harvey Company She also describes the Hubbell family s role in providing Navajo and Hopi demonstrators for world s fairs and other events and in supplying museums with Native artifacts Acknowledging the criticism aimed at the Hubbell family for taking advantage of Navajo clients Cottam shows the family s strengths their integrity as business operators and the warm friendships they developed with customers and with the artists writers archaeologists politicians and tourists attracted to Navajo country by its unparalleled landscapes and fascinating peoples Cottam traces the preservation efforts of Hubbell s daughter in law after the Great Depression and World War II fundamentally altered the trading post business and concludes with the post s transition to its present status as a National Park Service historic site

America's Military Adversaries John C. Fredriksen,2001-12-05 This work chronicles the lives and accomplishments of over 200 enemies who have fought plotted spied on and in some instances defeated U S forces over the past three centuries Books on American military heroes abound But this book is the first to focus on America s talented enemies the generals admirals Indian chiefs and warriors submarine captains fighter pilots and spies who opposed the United States with military force or other means Often these military leaders were among the best minds of their times For more than two centuries the new nation s most constant military opponents were the Native Americans led by such capable chiefs as American Horse and Little Wolf Under D Iberville Canada s French colonialists became formidable foes but they were soon surpassed by the rigorously disciplined redcoats of Great Britain under Howe and Cornwallis Ironically the most effective enemies in the history of the United States were not the leaders of foreign military forces like Mexico s Santa Anna Japan s Yamamoto or Vietnam s Vo Nguyen Giap They arose from among its own citizens during the Civil War the bloodiest conflict in American history

Native American Sovereignty on Trial Bryan H. Wildenthal,2003-04-24 A survey of Native American tribal law and its place within the framework of the U S Constitution from colonial times to today s headlines Using five major court cases Native American Sovereignty on Trial examines American Indian tribal governments and how they relate to federal and state governments under the U S Constitution From the foundational U S Supreme Court opinions of the 1830s to the California State Gaming Propositions of 1998 and 2000 the impact and legacy of these court cases are fully explored The actual text of key treaties court decisions and other legal documents pertaining to the five tribal controversies are featured and analyzed Clearly presented this in depth review of essential legal issues makes even the most difficult and complex judicial doctrines easy to understand by students and nonlawyers This concise volume tracing the evolution of Native American sovereignty will supplement coursework in law political science U S history and American Indian studies

Spider Woman Walks this Land Kelli Carmean,2002 General readers and undergraduate students who are interested in archaeology are often put off by the mass

of detail they find in any but the most introductory account Therefore Carmean anthropology and archaeology Eastern Kentucky U offers an account of archaeological work and findings on the Navajo Reservation in northern Arizona that discusses some difficult issues but refers readers to other sources for the mass of underlying data Annotation copyrighted by Book News Inc Portland OR

Molded in the Image of Changing Woman Maureen Trudelle Schwarz,2022-03-29 What might result from hearing a particular song wearing used clothing or witnessing an accident Ethnographic accounts of the Navajo refer repeatedly to the influences of events on health and well being yet until now no attempt has been made to clarify the Navajo system of rules governing association and effect This book focuses on the complex interweaving of the cosmological social and bodily realms that Navajo people navigate in an effort alternately to control contain or harness the power manifested in various effects Following the Navajo life course from conception to puberty Maureen Trudelle Schwarz explores the complex rules defining who or what can affect what or whom in specific circumstances as a means of determining what these effects tell us about the cultural construction of the human body and personhood for the Navajo Schwarz shows how oral history informs Navajo conceptions of the body and personhood showing how these conceptions are central to an ongoing Navajo identity She treats the vivid narratives of emergence life origins as compressed metaphorical accounts rather than as myth and is thus able to derive from what individual Navajos say about the past their understandings of personhood in a worldview that is actually a viable philosophical system Working with Navajo religious practitioners elders and professional scholars Schwarz has gained from her informants an unusually firm grasp of the Navajo highlighted by the foregrounding of Navajo voices through excerpts of interviews These passages enliven the book and present Schwarz and her Navajo consultants as real multifaceted human beings within the ethnographic context

Americans at War James R. Arnold,2018-05-18 This unprecedented compilation of eyewitness accounts records the thoughts and emotions of American soldiers spanning nearly 250 years of national history from the American Revolution to the Afghanistan War Understanding primary sources is essential to understanding warfare This outstanding collection provides a diverse set of eyewitness accounts of Americans in combat throughout U S history Offering riveting true stories it includes accounts from participants in the American Revolution the War of 1812 the Indian Wars the Mexican American War the Civil War the Spanish American War and Philippine Insurrection World War I World War II the Korean War the Vietnam War The Persian Gulf War the Afghanistan War and the Iraq War Most eyewitness accounts of war currently available to the public are those of writers who enjoy higher military rank Americans at War addresses this imbalance between officers accounts and enlisted men s accounts by invoking oral history archives Contextual essays and timelines allow the reader to place the accounts in time and place while the entries themselves allow the reader to experience the thoughts and emotions of Americans who engaged in combat

"I Choose Life" Maureen Trudelle Schwarz,2014-10-20 How Navajos navigate the complex world of medicine Surgery blood transfusions CPR and organ transplantation are common biomedical procedures for treating trauma and disease But

for Navajo Indians these treatments can conflict with their traditional understanding of health and well being This book investigates how Navajos navigate their medically and religiously pluralistic world while coping with illness Focusing on Navajo attitudes toward invasive procedures Maureen Trudelle Schwarz reveals the ideological conflicts experienced by Navajo patients and the reasons behind the choices they make to promote their own health and healing Schwarz has conducted extensive interviews with patients traditional herbalists and ceremonial practitioners and members of Native American Church and Christian denominations to reveal the variety of perspectives toward biomedicine that prevail on the reservation and to show how each group within the tribe copes with health related issues She describes how Navajos interpret numerous health issues in terms of local understanding drawing on both their own and biomedical or Christian traditions She also provides insight into how Navajos use ceremonial practice and prayer to deal with the consequences of amputation or transplantation

The Earth Memory Compass Farina King, 2018-10-01 The Din or Navajo have their own ways of knowing and being in the world a cultural identity linked to their homelands through ancestral memory The Earth Memory Compass traces this tradition as it is imparted from generation to generation and as it has been transformed and often obscured by modern modes of education An autoethnography of sorts the book follows Farina King s search for her own Din identity as she investigates the interconnections among Navajo students their people and Din Bik yah or Navajo lands across the twentieth century In her exploration of how historical changes in education have reshaped Din identity and community King draws on the insights of ethnohistory cultural history and Navajo language At the center of her study is the Din idea of the Four Directions in which each of the cardinal directions takes its meaning from a sacred mountain and its accompanying element East for instance is Sis Naajin Blanca Peak and white shell West Dook o oos d San Francisco Peaks and abalone North Dib Nitsaa Hesperus Peak and black jet South Tsoodzi Mount Taylor and turquoise King elaborates on the meanings and teachings of the mountains and directions throughout her book to illuminate how Navajos have embedded memories in landmarks to serve as a compass for their people a compass threatened by the dislocation and disconnection of Din students from their land communities and Navajo ways of learning Critical to this story is how inextricably Indigenous education and experience is intertwined with American dynamics of power and history As environmental catastrophes and struggles over resources sever the connections among peoplehood land and water King s book holds out hope that the teachings guidance and knowledge of an earth memory compass still have the power to bring the people and the earth together
