Longer Thou Livest Enough Is As Good A:

Interludes and Early Modern Society, 2007-01-01 The essays in this collection contributed by an internationally distinguished group of scholars bring up to date many aspects of the criticism of the English Interludes The development of these plays was a significant part of the history of the growth of English drama in the sixteenth century to the extent that they may be regarded as its main stream Arising by means of a felicitous combination of the development of printing and the growth of a professional theatre plays of this type quickly became a forum for the presentation and exploration of many contemporary themes They became a useful means of disseminating a wide variety of opinions and public concerns as well as exhibiting at times the intellectual brilliance of the Renaissance The essays here are concentrated upon power particularly in its religious and political aspects gender and theatricality The political and religious upheavals of the Reformation under the Tudor monarchy form a background as well as a focus at times In particular the position of women in sixteenth century society is examined in essays on several plays There is also discussion of the development of theatrical techniques as playwrights worked closely with small acting companies to reach a wide audience ranging from the royal court to the common streets This was achieved as a number of essays make clear through a variety of entertaining theatrical devices

The Turn of the Soul, 2012-01-06 The religious upheavals of the early modern period and the fierce debate they unleashed about true devotion gave conversion an unprecedented urgency With their rich variety of emotive aesthetic and rhetoric means of expression literature and the visual arts proved particularly well adapted means to address explore and represent the complex nature of conversion At the same time many artists and authors experimented with the notion that the expressive character of their work could cultivate a sensory experience for the viewer that enacted conversion Indeed focusing on conversion as one of early modern Europe s most pressing religious issues this volume demonstrates that conversion cannot be separated from the creative and spiritual ways in which it was given meaning Contributors include Mathilde Bernard John R Decker Xander van Eck Shulamit Furstenberg Levi Lise Gosseye Chlo Houston Philip Major Walter Melion Bart Ramakers E Natalie Rothman Alison Searle Lieke Stelling Jayme Yeo and Federico Zuliani

Nonsense and Other Senses Elisabetta Tarantino with the collaboration of Carlo Caruso, 2020-07-24 This book deals with a topic that is gaining increasing critical attention the literature of nonsense and absurdity The volume gathers together twenty one essays on various aspects of literary nonsense according to criteria that are deliberately inclusive and eclectic Its purpose is to offer a gallery of nonsense practices in literature across periods and countries in the conviction that important critical insights can be gained from these juxtapositions Most of the cases presented here deal with linguistic nonsense but in a few instances the nonsense operates at the higher level of the interpretation of reality on the part of the subject or of the impossibility thereof The contributors to the volume are established and younger scholars from various countries Chronologically the chapters range widely from Dante to V clav Havel and offer a large span of national literatures Czech English Finnish French German

Italian Japanese and literary genres poetry prose and drama inviting the readers to trace their own pathway and draw their own lines of connection One point that emerges with particular force is the notion that what distinguishes literary nonsense is its somehow regulated nature Literary nonsense thus sounds like a deliberate last ditch attempt to snatch order from the jaws of chaos the speech of the Fool as opposed to the tale told by an idiot It is this kind of post Derridean retrieval of choice as the defining element in semantic transactions which is perhaps the most significant insight bequeathed by the study of nonsense to the analysis of poetry and literature in general

God Speed the Plough Andrew McRae,2002-09-12 An interdisciplinary analysis of the history and literature of the land in early modern England

Shakespeare and Textual Studies Margaret Jane Kidnie,Sonia Massai,2015-11-12 A cutting edge and comprehensive reassessment of the theories practices and archival evidence that shape editorial approaches to Shakespeare s texts

The Devil and the Sacred in English Drama, 1350-1642 John D. Cox,2000-10-17 John Cox tells the intriguing story of stage devils from their earliest appearance in English plays to the closing of the theatres by parliamentary order in 1642 The book represents a major revision of E K Chambers ideas of stage devils in *The Medieval Stage* 1903 arguing that this is not a history of gradual secularization as scholarship has maintained for the last century but rather that stage devils were profoundly shaped from the outset by the assumptions of sacred drama and retained this shape virtually unchanged until the advent of permanent commercial theatres near London The book spans both medieval and Renaissance drama including the medieval Mystery cycles on the one hand through to plays by Greene Marlowe Shakespeare 1 and 2 Henry VI Jonson Middleton and Davenant An appendix lists all known devil plays in English from the beginning to 1642

Shakespeare's Shakespeare John Meagher,2015-12-17 In this work of scholarship and creativity Meagher argues that Shakespeare has been misunderstood because of a failure to recognize his own directions as a playwright Through an examination of several of his plays Meagher uncovers Shakespeare as artist director and actor

Shakespeare and Protestant Poetics Jason Gleckman,2019-10-29 This book explores the impact of the sixteenth century Reformation on the plays of William Shakespeare Taking three fundamental Protestant concerns of the era double predestination conversion and free will it demonstrates how Protestant theologians in England and elsewhere re imagined these longstanding Christian concepts from a specifically Protestant perspective Shakespeare utilizes these insights to generate his distinctive view of human nature and the relationship between humans and God Through in depth readings of the Shakespeare comedies *The Merry Wives of Windsor* *Much Ado About Nothing* *A Midsummer Night s Dream* and *Twelfth Night* the romance *A Winter s Tale* and the tragedies of *Macbeth* and *Hamlet* this book examines the results of almost a century of Protestant thought upon literary art

The Broadview Anthology of Tudor Drama Alan Stewart,2021-02-19 English drama between the late fifteenth century and the late sixteenth centuries is as diverse as it is engaging this anthology brings together eighteen of the most interesting and important dramatic works from the period The plays have been chosen to give a broad view of the drama produced in Tudor

England They testify to the eclectic tastes of sixteenth century audiences ranging from morality plays Mankind Everyman to comedies inspired by the Roman plays of Terence and Plautus Ralph Roister Doister to tragedies inspired by the plays of Seneca Gorboduc Cambises In later plays morality plots rub shoulders with slapstick comic business The Longer Thou Livest The More Fool Thou Art The Three Ladies of London and classical gods intervene in the affairs of England's regions Gallathea While some of the plays offer pure entertainment others have a clear political agenda King Johan is presented as a prototype for English resistance to Rome's Catholicism Gorboduc's decision to abdicate and divide his kingdom highlights the vexed question of the English succession under a childless queen Other plays comment more obliquely on contemporary events Play of the Four Elements reflects on England's nascent maritime expeditions to the New World while The Three Ladies of London comments topically on immigrant overcrowding in England's port towns and the dangers of England's trade in the Mediterranean Some plays push the boundaries of what the theatre can do in staging violence Cambises and questioning gender roles Gallathea Designed for undergraduate use the anthology includes extensive explanatory annotations and a substantial introduction to each play spelling and punctuation have been partially modernized in the interests of making the texts more accessible to students In all this the anthology follows principles similar to those developed for Christina M Fitzgerald's and John T Sebastian's Broadview Anthology of Medieval Drama several of the plays from that anthology are also included here while the rest have been newly edited for this volume under the supervision of General Editor Alan Stewart

The Huntington Library Quarterly Henry E. Huntington Library and Art Gallery, 1946

This Engaging World of E-book Books: A Detailed Guide Revealing the Pros of E-book Books: A World of Convenience and Versatility E-book books, with their inherent portability and simplicity of access, have freed readers from the limitations of physical books. Gone are the days of lugging bulky novels or meticulously searching for particular titles in shops. Kindle devices, stylish and portable, effortlessly store an wide library of books, allowing readers to indulge in their preferred reads whenever, everywhere. Whether commuting on a busy train, lounging on a sun-kissed beach, or just cozying up in bed, E-book books provide an unparalleled level of convenience. A Literary World Unfolded: Exploring the Wide Array of E-book Longer Thou Livest Enough Is As Good A Longer Thou Livest Enough Is As Good A The Kindle Store, a virtual treasure trove of bookish gems, boasts an extensive collection of books spanning diverse genres, catering to every readers taste and preference. From gripping fiction and mind-stimulating non-fiction to classic classics and modern bestsellers, the E-book Store offers an unparalleled variety of titles to explore.
