Longest Tunnel The True Story Of The Great Escape

Alan Burgess

Longest Tunnel The True Story Of The Great Escape:

The Longest Tunnel Alan Burgess,1990 Recounts the escape attempt of seventy six Allied POWs three of whom made it to safety and describes the trial of the Gestapo who killed recaptured POWs **The Longest Tunnel** Alan Burgess,1990 A carefully researched account of how 76 British and American officers escaped from Stalag Luft III Known as the Great Escape this is one of the best known escape stories of World War II Only three escapees reached freedom and over 50 were executed on Hitler s orders **The Longest Tunnel** Alan Burgess,1991 **The True Story of the Great Escape**

Jonathan F. Vance,Simon Pearson,2019-08-30 The real history behind the classic war movie and the men who plotted the daring escape from a Nazi POW camp Between dusk and dawn on the night of March 24th 25th 1944 a small army of Allied soldiers crawled through tunnels in Germany in a covert operation the likes of which the Third Reich had never seen The prison break from Stalag Luft III in eastern Germany was the largest of its kind in the Second World War Seventy nine Allied soldiers and airmen made it outside the wire but only three made it outside Nazi Germany Fifty were executed by the Gestapo In this book Jonathan Vance tells the incredible story that was made famous by the 1963 film The Great Escape It is a classic tale of prisoners and their wardens in a battle of wits and wills The brilliantly conceived escape plan is overshadowed only by the colorful daring and sometimes very funny crew who executed it literally under the noses of German guards From the men s first days in Stalag Luft III and the forming of bonds among them to the tunnel building amazing escape and eventual capture Vance s history is a vivid compelling look at one of the greatest exfiltration missions of all time Shows the variety and depth of the men sent into harm s way during World War II something emphasized by the population of Stalag Luft III Most of the Allied POWs were flyers with all the technical tactical and planning skills that profession requires Such men are independent thinkers craving open air and wide open spaces which meant that an obsession with escape was almost inevitable John D Gresham **The Great Escape** Mike Meserole,2017-09-01 When a group of American and English soldiers were taken to a Nazi prison as prisoners of war the first thing on their minds was breaking free The Great Escape is their incredible true story There have been plenty of escapes throughout history but nothing even comes close to The Great Escape This almost unbelievable story follows a group of English and American soldiers captured by the Nazis in World War II when they were taken to the inescapable Nazi prison or Stalag Luft III as prisoners of war Over weeks and months the men improvised to make use of every resource around them Their incredible ingenuity and never give up attitude led to them pulling off extreme feats of planning to create a tunnel nearly 350 feet long Their escape to freedom eventually grew so large they equipped it with trolleys and even lit it with electric lights Finally on the night of March 24 1944 nearly 100 men attempted their daring escape through the tunnel What was their fate Did they all make it This is one tale of escape you can t miss THE LONGEST TUNNEL:THE TRUE STORY OF WORLD WAR IT'S GREAT ESCAPE. Alan Burgess,1990 **The Great Escape** Ted Barris,2013-09-16 A unique retelling of WWII s most

dramatic escape told through first hand recollections of the soldiers who experienced it On the night of March 24 1944 80 Commonwealth airmen crawled through a 336 foot long tunnel and slipped into the forest beyond the wire of Stalag Luft III a German POW compound near Sagan Poland The event became known as The Great Escape an intricate breakout more than a year in the making involving as many as 2 000 POWs working with extraordinary coordination intelligence and daring Yet within a few days all but three of the escapees were recaptured Subsequently 50 were murdered cremated and buried in a remote corner of the prison camp But most don't know the real story behind The Great Escape Now on the eve of its 70th anniversary Ted Barris writes of the key players in the escape attempt those who got away those who didn't and their families at home Barris marshals groundbreaking research into a compelling firsthand account For the first time The Great Escape retells one of the most astonishing episodes in WWII directly through the eyes of those who experienced it Joint Winner of the Libris Award for Non Fiction Book of the Year 2014 Globe and Mail Bestseller Toronto Star Bestseller

Dreams of Flight Dana Polan, 2021-11-09 Introduction Engineering The great escape from book to film and in between Tunneling in The great escape style theme and structure After lives Appendix It really happened **The Great Escape from Stalag Luft III** Tim Carroll, 2010-06-15 The true story of one of the most heroic feats of World War II the daring prison camp breakout that inspired the classic film The Great Escape Stalag Luft III was one of the Germans escape proof prison camps specially built by Hermann Goring to hold Allied troops But on March 24 1944 in a courageous attempt by two hundred prisoners to break out through a series of tunnels seventy six Allied officers managed to evade capture and create havoc behind enemy lines in the months before the Normandy Invasion This is the incredible story of these brave men who broke free from the supposedly impenetrable barbed wire and watchtowers of Stalag Luft III and who played an important role in Allied intelligence operations within occupied Europe The prisoners developed an intricate espionage network relaying details of military deployment bombings and raids Some of them were involved in other daring escape attempts including the famous Wooden Horse episode also turned into a classic film and the little known Sachsenhausen breakout engineered by five Great Escapers sent to die in the notorious concentration camp on Hitler's personal orders Tragically fifty of those involved in the Great Escape were murdered by the Gestapo Others were recaptured only a few made it all the way to freedom This dramatic account of personal heroism is a testament to their ingenuity and achievement a stirring tribute to the men who never gave up fighting Includes eight pages of photographs and illustrations excerpts from Goring's testimony during postwar investigations and a list of the men who escaped *The True Story of the Wooden Horse* Robert J. Laplander, 2014-04-30 This in depth historical study reveals fascinating new insight into the famous Wooden Horse escape of three Allied POWs from a Nazi prison camp In 1943 three British prisoners of war plotted a daring and ingenious escape from Stalag Luft III by making use of a hollowed out gymnastic vaulting horse A year before the events of The Great Escape which would take place at the same camp Lieutenants Michael Codner Eric Williams and Oliver Philpot executed the plan

that Williams later recounted in his classic memoir *The Wooden Horse*. Now Robert Laplander presents a revealing new account in this comprehensive study of Stalag Luft III and the many attempts at escape that occurred there during the Second World War. As Laplander explains, Williams' memoir was impeded by both a lack of necessary historical scope and regulations of the Crown. In *The True Story of the Wooden Horse*, Laplander makes use of newly released official documents and eye witnesses' reports. Supplemented by illustrations including shots of a full scale replica of the vaulting horse, this volume presents an exhaustive account of the escape in its entirety, set in the context of the camp's history.

Unveiling the Magic of Words: A Report on "**Longest Tunnel The True Story Of The Great Escape**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Longest Tunnel The True Story Of The Great Escape**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
