Asumah, Ibipo Johnston-Anumonwo, 2002-08-09 Diversity Multiculturalism and Social Justice is a multidisciplinary reader for undergraduates taking courses in a wide variety of topics in Multicultural and Diversity Studies International Studies Minority and Ethnic Studies Women's Studies African American Studies African Studies and Africana Studies Following the introductory chapters where concepts in diversity multiculturalism and social justice are defined and explained in light of Iris M Young's Five Faces of Oppression the authors present their original works which consist of local and case studies from Africa and the United States to fill in some gaps in the literature on cross national perspectives on diversity and multicultural issues The book is informed by the contributors interdisciplinary training in international studies political science and geography and it is enriched by their teaching research and community based experiences It is a well conceptualized and accessible volume that will serve as an excellent interdisciplinary supplement to discipline specific text books **Lost to the State** Elena Khlinovskaya Rockhill, 2010-12-01 Childhood held a special place in Soviet society seen as the key to a better future children were imagined as the only privileged class Therefore the rapid emergence in post Soviet Russia of the vast numbers of vulnerable social orphans or children who have living relatives but grow up in residential care institutions caught the public by surprise leading to discussions of the role and place of childhood

in the new society Based on an in depth study the author explores dissonance between new post Soviet forms of family and economy and lingering Soviet attitudes revealing social orphans as an embodiment of a long standing power struggle between the state and the family The author uncovers parallels between post Soviet and Western practices in child welfare and attitudes towards bad mothers and proposes a new way of interpreting kinship where the state is an integral member

**Power, Wealth and Global Equity** Patrick J. McGowan,Scarlett Cornelissen,Philip Nel,2007-02 This textbook on power wealth global order and international relations is designed for students taking introductory courses in international relations and African studies Challenging the intellectual domination of the north this book shows what the world and its patterns of power wealth and privilege look like from an African perspective of transborder political and economic interaction in today s world Students are empowered to become active players on the global stage and to contribute to changing these structures and institutions for the better Up to date advice is provided on how to use the Internet and how to pursue careers in international relations A glossary list of acronyms bibliography index maps and biographies of important people mentioned in the text are also included

**Recounting Migration** Christina R. Clark-Kazak,2011-07-25 Christina Clark Kazak a former international aid worker uses extensive interviews done in Kampala and Kyaka II refugee settlement Uganda to present the narratives of ten young people living as refugees Their accounts reveal both political awareness and individual agency in everyday and extraordinary circumstances The author shows how refugee youth seek to influence decision making processes in families communities and at policy levels through formal and informal mechanisms as well as through non political channels such as education and music She juxtaposes their interpretations of the situations with the discourse and bureaucracy of international aid organizations showing the sometimes radical differences between these perspectives Clark Kazak not only provides insight into the politics of labelling but offers recommendations for future research policy and programs for refugee young people A remarkable and compelling look at the lives of young refugees Recounting Migration challenges stereotypes by giving these migrants a long overdue opportunity to speak for themselves

**NATO for a New Century** Carl C. Hodge,2002-10-30 NATO s military interventions in the Balkans have transformed the alliance As the alliance goes East its members are compelled to rethink NATO s and each member nation s military and political roles Providing a well rounded study of continuing change in the contemporary North Atlantic Treaty Organization this book is constructed around eight essays by European security experts analyzing challenges confronting the Atlantic Alliance as a military alliance and as a collective security organization dealing simultaneously with deterrence enlargement and regional crisis intervention It is intended for senior undergraduate and graduate students in international relations American foreign policy European studies security and strategic studies The evidence is that NATO will undergo many more changes responding to actual and potential threats to Europe s peace These range from a revival of the ethnic conflict in the former Yugoslavia to the proliferation and possible use of nuclear biological and chemical weapons Also discussed is the matter of

NATO's further enlargement and the question of whether this offers more or less security to the alliance membership as are the emerging tensions between the EU and NATO security regimes *UNMIK as an International Governance in Post-war Kosova* Blerim Reka, 2003 *Crisis of Legitimacy and Political Violence in Uganda, 1890 to 1979* Ogenga Otunnu, 2016-12-26 This book demonstrates that societies experiencing prolonged and severe crises of legitimacy are prone to intense and persistent political violence. The most significant factor accounting for the persistence of intense political violence in Uganda is the severe crisis of legitimacy of the state, its institutions, political incumbents and their challengers. This crisis of legitimacy, which is shaped by both internal and external forces, past and present, accounts for the remarkable continuity in the history of political violence since the construction of the state. *Redefining European Security* Carl C. Hodge, 2002-09-11 First published in 1999, Routledge is an imprint of Taylor & Francis, an informa company. **New Tools and New Tests in Comparative Political Economy**, 2000 Some say that democracy is more likely to survive under parliamentary governments. That result is not robust to the use of different variables from the Database of Political Institutions, a large new cross-country database that may illuminate many other issues affecting and affected by political institutions. Cover *U.S. Presidents and Foreign Policy* Carl C. Hodge, Cathal J. Nolan, 2006-12-13 This work is a unique single source for information on the foreign policy, wars, treaties, initiatives and doctrines of all 43 presidents of the United States. From George Washington's isolationism to the Monroe Doctrine of hemispheric right to domination to Teddy Roosevelt's imperialism through George W. Bush's global war against terror, U.S. foreign policy has charted a varied course. As the area where the president has the most freedom of action, foreign policy can and often does change precipitously according to the incumbent's view of the world. No other branch of government rivals the president's role in America's rise from liberal republic to global superpower. This work brings together the scholarship of leading historians and political scientists to present in-depth examination of the foreign policy of each president of the United States. This thorough presentation covers all aspects of international relations, although the work is not primarily interpretive, it does not shy from pointing out both notable successes and failures. The book's 43 essays present quick access to the whole of the history of American foreign policy.
