Younger You Kara N. Fitzgerald, 2022-01-18 Based on the groundbreaking study that shaved three years off a subjects age in just eight weeks discover a proven accessible plan to prevent diseases and reduce your biological age It s true getting older is inevitable and your chronological age can only move in one direction But you also have a biological age which scientists can measure by assessing how your genes are expressed through epigenetics Exciting new research shows

that your bio age can actually move in reverse and Dr Kara Fitzgerald's groundbreaking rigorous clinical trial proved it's possible. By eating delicious foods and establishing common sense lifestyle practices that positively influence genetic expression, study participants reduced their bio age by just over three years in only eight weeks. Now Dr Fitzgerald shares the diet and lifestyle plan that shows you how to influence your epigenetics for a younger you. In *Younger You*, you'll learn it's not your genetics that determines your age and level of health; it's your epigenetics. How DNA methylation powerfully influences your epigenetic expression. The foods and lifestyle choices that most affect DNA methylation. Simple swaps to your daily routines that will add years to your life. The full eating and lifestyle program with recipes and meal plans to reduce your bio age and increase vitality. How to take care of your epigenetic expression at every life stage from infancy through midlife and your later decades. We don't have to accept a descent into disease and unwellness as we age as inevitable when you reduce bio age, you reduce your odds of developing all the major diseases including diabetes, cancer, and dementia. With assessment tools for determining your bio age, recipes and plans for putting it all into practice, *Younger You* helps you repair years of damage, ward off chronic disease, and optimize your health for years to come. *Younger for Life* Anthony Youn, 2024-01-02

A NATIONAL BESTSELLER. From bestselling author and beloved social media star Dr Anthony Youn comes a revolutionary step by step guide to reversing the effects of aging at any stage in life. Growing older is a blessing. But the slow decline and the loss of functionality associated with aging has led us to treat the process like a disease. These negative effects of aging, however, are not inevitable. Rather, they're largely the result of environmental and lifestyle factors that when properly addressed can be reversed through a process called Autojuvenation. Dr Youn, one of America's most trusted surgeons, offers a groundbreaking new approach to turning back the clock naturally. In this step by step guide, he shows us how through simple changes in diet, activity, and skin care, we can look younger than ever before. Readers will learn how to reverse the aging process by combining intermittent fasting with autojuvenation, promoting foods, how to develop a simple skin care routine to look younger for life. Best practices for sleep hygiene, yoga, exercise, mindset, and natural dental care. A simple three week program to jump start the autojuvenation process to look and feel your best. Packed with accessible, innovative tips and techniques, this must-read guide shows us the simple changes you can make to live longer, look better, stay healthier, and feel amazing for life.
