Lucifer's Hope the Guv James L. Clark, 2002 Unlike humans Lucifer is ineligible for redemption and therefore doomed to eternal hell Playing on God's sense of fairness Lucifer appeals to the Archangel Michael for a chance to redeem himself by turning a person he corrupted into a paragon of virtue Against his own wishes Michael makes the deal However since moral perfection is impossible for anyone he decrees that Lucifer must attain redemption by seeing that his subject does not break nine of the Ten Commandments politically The agreement is struck and the target of Lucifer's effort will be the corrupt wealthy governor of Kentucky who is gearing up for reelection and is hopelessly paranoid about his opponents Besides engaging in the usual local corruption the Guv worms his way into a deal to bring riverboat gambling to the state Lucifer dispatches an imp disguised as a political consultant to infiltrate the campaign and influence the governor toward political righteousness The imp and the governor's spokeswoman share a romantic attraction which is also resolved in this rollicking metaphysical muckraking of Kentucky politics Lucifer's Sketchbook Ofer Mazar, 2013-07 Lucifer's Sketchbook is the five decade long autobiography of Jennifer Svensen a troubled child who turns into an angry teenager provocative and controversial supermodel and glamorous fashion house owner and designer She battles lost love guilt and remorse due to a regretful past as she struggles to navigate her life onto safer paths Jennifer was born in Norway in 1966 to an acclaimed international supermodel and a mediocre musician The result of a one night stand her parents tie the knot in an attempt to save face but soon discover that family and the local media are unforgiving They escape to America Raised in Beverly Hills by jet setter parents and deprived of parental love and attention Jennifer is angry at the world This strikingly beautiful reckless soul is in constant search for love and adrenaline intoxication Smart and constantly battling an aching conscience she keeps trying to win the man she loves by hurting herself and everyone around her This provocative novel explores young love taken to a new level It offers a glimpse into the American fashion scene that few will ever experience except through the pages of the tabloids Dr Ofer Mazar is a career diplomat He served as Israel's consul to Thailand Norway and Italy and currently serves at the Consulate General of Israel in Los Angeles He lives with his family in Beverly Hills This is his third novel published in the U S His other two are Fate's Open Arms and Fate's Perfect Justice Publisher's website <http://sbpra.com/OferMazar> Lucifer's Apostles Col Braithwaite, 2024-02-23 On the outskirts of the southern suburbs of Sydney a satanic cult is performing sadistic rituals that had been discovered in an ancient grimoire In the ritual eleven women must be kidnapped and sacrificed on specific days after the summer solstice After each sacrifice the woman's naked body must be laid in sight of a religious place of worship casting a curse on each denomination targeted The leader of the cult known as the High Priestess believes in her deranged mind that the sacrifices will bring Satan and his army into our world The cult has purchased a property outside of Barton Park where a large shed has been erected to hold the cult's congregations A house

has been converted to accommodate the abducted women who must be humiliated and degraded before one is sacrificed every two days before the year's first full moon. The women are chained to the floor with little to no chance of escape from the well-guarded house of hell. A task force is set up in the suburb of Southern Palms to catch the killers. The team led by Detective Tank Dodge consists of detectives, a forensic pathologist, an investigator, a profiler, and a computer analyst. Unknown to the team is that they have moles in their ranks who keep the satanic cult informed of any impending threat. His beautiful young wife Barbara is busy carving out her own career in the music industry. Leading separate yet intertwining lives, Ian becomes disillusioned with the ethics of his world and gravitates to the less ridged lifestyle enjoyed by Barbara. This eventually gives him a different perspective on his role in world politics. Ian considers himself a small cog in the company that employs him, a company that uses wealth and corruption to manipulate world politics in its pursuit of power. Determined to instill change, he moves upwards in the company ranks, striving for a position high enough to dictate policy. Only when close to the seat of power does he realize how impossible this task he's set himself will be. In the darkness of his perceived failure, he's enlisted by a powerful organization allied to his goals. His faith restored and reinvigorated, he moves forward to win a major battle in this ongoing war, although his victory is paid for with the ultimate sacrifice, but his legacy lives on.
