The Underground Girls of Kabul Jenny Nordberg, 2015-07-14 An investigative journalist uncovers a hidden custom in Afghanistan that will transform your understanding of what it means to grow up as a girl An astonishingly clear picture of this resourceful if imperfect solution to the problem of girlhood in a society where women have few rights and overwhelming restrictions The Boston Globe In Afghanistan a culture ruled almost entirely by men the birth of a son is cause for celebration and the arrival of a daughter is

often mourned as misfortune A bacha posh literally translated from Dari as dressed up like a boy is a third kind of child a girl temporarily raised as a boy and presented as such to the outside world Jenny Nordberg the reporter who broke the story of this phenomenon for the New York Times constructs a powerful and moving account of those secretly living on the other side of a deeply segregated society where women have almost no rights and little freedom The Underground Girls of Kabul is anchored by vivid characters who bring this remarkable story to life Azita a female parliamentarian who sees no other choice but to turn her fourth daughter Mehran into a boy Zahra the tomboy teenager who struggles with puberty and refuses her parents attempts to turn her back into a girl Shukria now a married mother of three after living for twenty years as a man and Nader who prays with Shahed the undercover female police officer as they both remain in male disguise as adults At the heart of this emotional narrative is a new perspective on the extreme sacrifices of Afghan women and girls against the violent backdrop of America s longest war Divided into four parts the book follows those born as the unwanted sex in Afghanistan but who live as the socially favored gender through childhood and puberty only to later be forced into marriage and childbirth The Underground Girls of Kabul charts their dramatic life cycles while examining our own history and the parallels to subversive actions of people who live under oppression everywhere **Afghanistan, Pakistan and Strategic Change**

The Afghan War of 1879-80: Being a Complete Narrative of the Capture of Cabul, the Siege of Sherpur, the Battle of Ahmed Khel, the Brilliant March to Candahar, and the Defeat of Ayub Khan, with the Operations on the Helmund, and the Settlement with Abdur Rahman Khan Howard Hensman, 2020-09-28

The Treaty of Gundamak had for its chief object the direct representation of the British Government at the Court of the Amir Yakub Khan and in pursuance of the terms of the Treaty Sir Louis Cavagnari K C B C S I was received at Cabul as Resident on July 24th 1879 Mr William Jenkyns of the Indian Civil Service accompanied him as secretary to the Mission An escort of twenty five sowars and fifty sepoy of the Guides Corps was the only means of protection at the Embassy's command implicit faith being placed in the Amir's promise to guard the lives of his guests Lieutenant Hamilton was in command of the escort and Dr Kelly surgeon of the Guides was the medical officer attached to the Mission Including servants and followers there were in all some 200 souls gathered in the Residency in the Bala Hissar from July 24th until the outbreak of the Herat regiments on the morning of September 3rd It would be out of place to describe at length the course of events which culminated in the Massacre but from the tone of Sir Louis Cavagnari's letters there can be no doubt the Amir was never anxious to carry out to the strict letter the terms of the Gundamak Treaty Taking the official diary sent weekly from Cabul to the Indian Government it appears that every outward honour was paid to the Embassy upon its arrival but that Yakub Khan was so suspicious of his Ministers and Nobles that he told off men to watch the Residency These spies furnished the names of all who visited Cavagnari without the Amir's knowledge Then came rumours of petty chiefs having been punished for their friendship to the British during the late campaign although one of the main points of the Treaty was directed against this very contingency The Amir always avoided reference to this subject and as Sir Louis Cavagnari could not obtain direct evidence of the amnesty clauses being departed from no redress could be obtained Apart from palace intrigues which are always rife in Cabul there seemed no direct element of discord at work in the capital until the troops from Herat reached Sherpur Cantonment on August 5th These regiments had not shared in the humiliation of the defeats suffered by the Cabul soldiery at Ali Musjid and the Peiwar Kotal they taunted their comrades in arms with cowardice and boasted of their own prowess and their turbulence soon assumed a dangerous form A rissaldar major of one of our cavalry regiments Nakshband Khan an old and tried soldier was spending his furlough at his village of Aoshahr two miles from Cabul and he seems first to have caught the alarm When the Herat regiments marched or rather swaggered through the streets of Cabul with bands playing many of the soldiers abused the Kafir elchi ambassador by name calling out to the populace Why has he come here and showing too clearly that their passions were dangerously excited Nakshband Khan learned from a fellow countryman in the ranks that the soldiers had been ordered so to shout in the streets Full of this news he went to our Envoy and warned him of the coming storm Sir Louis

Cavagnari was a man notorious for his disregard of personal danger he was brave to a fault and this turbulence among the Afghan soldiery scarcely shook his composure Never fear was the answer to the Ressaldar keep up your heart dogs that bark don't bite But these dogs do bite there is real danger urged Nakshband Khan The reply was characteristic of the man he had taken up his post and nothing could break down his determination to remain at all hazards he quietly said They can only kill the three or four of us here and our death will be avenged

The EU's Afghan Police Mission Great Britain: Parliament: House of Lords: European Union Committee, 2011-02-16 This report finds that the EU's Police Mission in Afghanistan risks failing in an area where the EU should be showing leadership The Committee found that the Afghan National Police force is in a dire state due to high attrition and illiteracy rates and corruption The mission must pay greater attention to the most basic of policing skills not least reading and writing if it is to succeed The EU is undertaking a vital task in Afghanistan but it must address the reasons why the mission is failing before it is too late Reasons include too few staff the small target of 400 people has never been met demonstrating lack of EU commitment and meaning that the mission cannot cover many important parts of the country the EU and NATO are not working together properly insufficient attention has been paid to the Afghan judiciary where there are problems of capacity and corruption levels which risk making police reform unproductive and seriously limiting prosecution levels The Committee is also concerned that the timetable for building up Afghanistan's ability to police itself does not coincide with the departure of foreign combat troops

Afghanistan Geoffrey Hayes, Mark Sedra, 2008-10-10 By the fall of 2008 seven years after the fall of the Taliban regime the future of Afghanistan's post-conflict transition looks more uncertain than ever Driving this uncertainty is a security

environment that has steadily deteriorated with each passing year creating a level of instability even greater in Iraq according to some indicators However insecurity is not the only dilemma that has threatened to undercut Afghanistan's transition to peace and stability Problems of corruption and poor service delivery in the state coupled with the failure of the internationally supported reconstruction process to improve the quality of life for so many Afghans trapped in grinding poverty has begun to erode public confidence in the new political order *The Church Missionary Gleaner 1858*

approach to Afghanistan and Pakistan Great Britain: Parliament: House of Commons: Foreign Affairs Committee, Richard Ottaway, 2011-03-02 In this report the Foreign Affairs Committee calls on the British Government to use its influence to persuade the US to engage more fully and swiftly with the process of political reconciliation in Afghanistan if the US wishes to disengage its forces there Although the current international emphasis favours intense military pressure aimed at defeating the insurgency it is clear that military pressure alone is not enough to bring security and stability to Afghanistan The evidence presented to the Committee has suggested that the current full scale and highly intensive ISAF counter insurgency campaign is not succeeding The Committee questions the fundamental assumption that success in Afghanistan can be bought through a strategy of clear hold and build The distinction between al Qaeda and the Taliban is crucial to generating appropriate policy responses in Afghanistan The Committee says that despite the significant resources that have been invested in Afghanistan and the enduring wholehearted and admirable commitment and sacrifices of British personnel the UK has not yet achieved its stated goals There is also evidence that the core foreign policy justification for the UK's continued presence in Afghanistan namely that it is necessary in the interests of UK national security may have been achieved some time ago given the apparently limited strength of al Qaeda in Afghanistan The security rationale behind the UK Government's decision to announce the 2015 deadline for the unconditional withdrawal of UK combat forces remains unclear and there are a number of potential risks inherent in such an approach **Assessing the Transition in**

Afghanistan s recent history is a sad one Soviet invasion in 1979 Pakistan backed internal conflict in the 1980s the Taliban regime and then the US invasion and the multi national occupation after the events of 11 September 2001 Why does Afghanistan remain so vulnerable to domestic instability foreign intervention and ideological extremism In reconstructing the tempestuous narrative of modern Afghanistan Amin Saikal provides a sweeping new understanding of its troubled past and present He identifies the country s inability to develop stable political structures as stemming from the inter dynastic rivalry complicated by polygamy that scarred successive royal families from the end of the eighteenth century until the pro Soviet Communist coup of April 1978 all exacerbated by foreign interventions feeding on fragile domestic structures and the rise and fall of different ideological streams Here for the first time is an up to date analysis of the era of the Taliban s rule the effects of US domination in the country and attempts to negotiate a US withdrawal including talks about talks with the Taliban themselves This book which sets the crisis of Afghanistan in the context of the country s modern history and social structures makes a major and highly original contribution towards a better and more nuanced understanding of this ill fated land It is the definitive study of Afghanistan and its troubles in national regional and international contexts from 1747 to the present day
