Walsh,2012-02-29 A R Ammons was asked if he agreed that the United States has not produced a major poet in the last 30 years I agree The poetry in the country has become sort of a company affair where support for the arts has just about ruined the arts and the system of bureaucrats managing the funds being developed here and there is turning into trade unionism which may be the best way to write poetry but it is unfamiliar to me This comprehensive collection contains 31 interviews in which Southern writers talk about their craft the Southern literary scene and themselves Poets short story writers and novelists include firmly established writers side by side with emerging talent Lee Smith James Dickey Harry Crews Pat Conroy Doris Bett Pulitzer Prize winner Donald Justice and 25 others Instinct for Survival Pat C. Hoy II,2012-04 The essays in Instinct for Survival explore fundamental ideas about the ties of community the trials and tribulations of family life the sacrificial nature of public service the yearnings of the spirit and the tangled joys of teaching From his childhood in Arkansas to his career as both Army officer and professor of literature Pat Hoy uses his rich experiences as departure points in his quest for meaning In Mosaics of

Southern Masculinity Hoy recalls his absent father and develops a multilayered inquiry into male identity that includes memories of his own sons and reflections on the ways other southern writers have grappled with father son relationships The Spirit Was Willing and So Was the Flesh stems from Hoy's attempts to come to terms with the feminine aspects of his own personality and with the apparent dichotomy between the spiritual and the physical Hoy toys with his own personal poetics and philosophy of writing in Conversing with Images where he articulates the unspoken power of images A fascination with life's mysteries informs these essays which together create a transcendent and marvelous mosaic of life

The Jungles of Arkansas Bob Lancaster,1989-07-01 When H L Mencken wrote about the miasmatic jungles of Arkansas he was referring to the relative obscurity and uncertain image that Arkansas has enjoyed or suffered from throughout its history In these entertaining and sometimes quirky essays Lancaster sheds light on that image by analyzing the stereotypes that have characterized the state since its very beginning
