Loose-leaf Version to accompany Managerial Accounting for Managers Eric Noreen, Peter Brewer, Ray Garrison, 2013-01-16 Managerial Accounting for Managers 3rd edition by Noreen, Brewer, Garrison is based on the market-leading managerial accounting solution, Managerial Accounting by Garrison, Noreen, and Brewer. The Noreen solution presents integrated and proven solutions designed to help attain course goals of student readiness, comprehension of content, and application of key concepts in the managerial accounting course while addressing the needs of instructors who do not wish to teach the financial accounting-oriented content that is included in the Garrison solution. Of the three programs in the Garrison franchise, the Brewer solution, the Garrison solution, and the Noreen solution, the Noreen solution is the most pure management accounting content. The other two programs contain greater coverage of financial accounting topics. Managerial Accounting for Managers 3e is geared towards professors who love Garrison's market-leading managerial accounting content but prefer to approach their course by eliminating the debits and credits coverage. The Noreen solution includes the managerial accounting topics such as Relevant Costs for Decision Making, Capital Budgeting, Decisions, and Segment Reporting, and Decentralization; however, the job order costing chapter has been extensively rewritten to remove all journal entries. Furthermore, the chapters dealing with process costing, the statement of cash flows, and financial
