Love Starts With You:

Shreemad Bhagavad Gita Paramahansa Sri Swami Vishwananda, 2016-05-31 The Shreemad Bhagavad Gita is one of the most ancient scriptures in the world. It contains the direct word of God spoken for all of mankind irrespective of religion or tradition. Its philosophy and teachings are central to human life. It teaches us to live our daily lives in Divinity as a service unto God and His creation. It achieves this by gifting us true knowledge, faith, devotion, surrender, detachment, and a release of expectations and ownership over one's own actions. It comes as a stark contrast to the lives with which we have grown accustomed to leading. Today's world is filled with constant desire for material wealth, sense pleasures, individualism, and egoism. The Gita acts as a lighthouse on the shores of Vaikunta, guiding lost sailors at the sea of illusion to safety. But like any teaching, time and unqualified minds can distort it and misunderstand what is contained within. It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the Gita, to show the simplicity of the message of Bhagavan. One such Master is Paramahansa Sri Swami Vishwananda, and in this book, which is his personal commentary, we hold a treasure chest of spiritual insight. *Loving God's Way* Klaas H Baloyi, 2016-02-29 Love is not an expression but a powerful act to be demonstrated by those who choose to engage in or share it. Society has socialized people into believing love as something they do not have control over. Love continues to be viewed as a sudden occurrence that ambushes those who share it without them giving a deep thought of what they are engaging themselves into. As the phrase falling in love connotes, people have taken it for what it sounds on face value than an expressive phrase; it actually is. Love cannot be a feeling but a choice. It is a conscious decision that one takes at a particular point. This book therefore seeks to demystify how love is not a feeling but a decision. Yes, True love does exist. For one to experience it, it is important to understand its essence and how it unfolds. God's philosophy of love provides a basis from which to understand and experience the beauty of love. That love which regards not of its own but of the other. Love is a peculiar partnership which neither anticipates nor forces a contribution of the other partner. Engaging in a love relationship, however, can set you on a path that determines whether you will experience heaven or hell on earth. Choosing right is therefore vital. Can We Start Again Please? Andrew G Marshall, 2017-06-29 Andrew G Marshall is a marital therapist and author of eighteen books on turning around relationships. He has taken his thirty years' experience and boiled everything he has learnt from three thousand clients into this short book to help you start over. Whether you want to improve what's already good or feel you and your partner are dangerously out of touch, there are tools to diagnose the real issues between you and plenty of practical advice. If your partner is in despair of your relationship, ever improving or has fallen out of love, this book has been created to help you recruit him or her to try again. *Can We Start Over Please?* explains: aaA Why people fall out of loveaaA How to get back the sexual sparkaaA The five love languages and how to learn to speak your partner'saaA Twenty questions to get back that just met buzzaaA The seven most powerful interventions to improve communication. *Pleiadian Principles for Living* Christine

Understanding the Quest Richard Anthony, 2007-05 Religions and doctrines have been around for thousands of years directing and controlling people's lives. When we look at religions and doctrines, there has been a certain failure in them to give mankind complete direction and understanding for their lives. Some have failed more than others, while some have been particularly manipulated by mankind. One thing is for certain: people are taking a closer look at their religious habits and the direction it is taking them. Understanding the Quest takes a look at spiritualism from both a Christian and a non-denominational view. It's not about replacing religion; it's about enhancing our religious experience. It's about being able to figure out some of these issues on our own and enabling us to feel good about the choices we make. **Back Yourself**
