## **Love To Behold:**

**A Love to Behold** Wendy Stross, 2024-10-12 After a brief intense romance Archie ghosts Anne forty three years later Archie returns to tell Anne that she is the love of his life He s dead And then he simply moves into Anne s life a world in which she is already struggling feeling despair Archie explains that he and Anne are twin flames two halves of the same soul and that with his death their soul contract that spanned hundreds of lifetimes is complete with one exception They had promised to write their love story What love story They had dated a mere three months This is the story of Anne and Archie as they come together recall their deep love for each other and forge a ground breaking relationship that bridges the veil and is in two worlds one that allows them to recall reflect and write their love story the one in the past and the one that continues Sounds easy Well no there s no map yet Scattered throughout this narrative are letters dreams excerpts from Anne s Irish journal and snippets of conversation from the couple s personal journals They serve two purposes to ground this love and relationship in Anne s life her world her journey through grief to self love and to offer a first hand glimpse of the love the humour the magic as Anne and Archie venture forth into uncharted territory and discover for themselves how truly profound their connection is in both worlds For those who have loved and lost *A Love to Behold* opens the door to unexplored possibilities of love and connection that transcend the bounds of space and time That transcend death That it is possible to keep loving at all levels and have that love transformed and transformative *Parallel Bible-PR-NASB/Am* Hendrickson Publishers, 2006-07 Precisely Literal Richly Revealing Pairing the most literal English translation available with an illuminating in text exposition of each verse in the Bible this outstanding resource will help strengthen your grasp on God s Word By comparing the precise NASB with the magnified sentence structure of the Amplified Bible readers are better able to appreciate the meaning of the scriptures as understood by their audience in the original languages Known for its word for word literal accuracy the New American Standard Bible updated edition is the 1 choice for in depth inductive Bible study And through its unique use of synonyms and definitions the Amplified Bible both explains and expands the meaning of words in the text by placing amplification in parentheses and brackets after key words or phrases Through multiple expressions greater emphasis is given to the divine message as reflected in the original Greek and Hebrew Now readers can benefit from both translation approaches with this side by side comparison that offers a more enriching experience with God s Word NASB 12 For now we see in a mirror dimly but then face to face now I know in part but then I will know fully just as I also have been fully known 13 But now faith hope love abide these three but the greatest of these is love AMPLIFIED BIBLE 12 For now we are looking in a mirror that gives only a dim blurred reflection of reality s in a riddle or enigma but then when perfection comes we shall see in reality and face to face Now I know in part imperfectly but then I shall know and understand fully and clearly even in the same manner as I have been fully and clearly known and understood by God 13 And so faith hope love abide faith conviction and belief respecting man s relation to God and divine things hope joyful and confident
