A former New Yorker editor chronicles her journey to heal old wounds and find comfort in the face of loss through travel friends and family and home cooked meals in this memoir full of warm bracing honesty humor and paradox and sprinkled

liberally with the type of recipes that will make book club members say I could make that Booklist starred review One life changing night reeling from her beloved brother s sudden death a devastating breakup with her handsome engineer fianc and eviction from the apartment they shared Emily Nunn had lost all sense of family home and financial security After a few glasses of wine heartbroken and unmoored Emily an avid cook and professional food writer poured her heart out on Facebook The next morning she woke up with an awful hangover and a feeling she d made a terrible mistake only to discover she had more friends than she knew many of whom invited her to come visit and cook with them while she put her life back together Thus began the Comfort Food Tour Searching for a way forward Emily travels the country cooking and staying with relatives and friends Her wonderfully idiosyncratic family comes to life in these pages all part of the rich Southern story in which past and present are indistinguishable food is a source of connection and identity and a good story is often preferred to a not so pleasant truth But truth pleasant or not is what Emily Nunn craves and with it comes an acceptance of the losses she has endured and a sense of hope for the future In the salty snap of a single Virginia ham biscuit in the sour tang of Great Grandmother s Mean Lemon Cake Nunn experiences the healing power of comfort food and offers up dozens of recipes for the wonderful meals that saved her life The Comfort Food Diaries is nothing less than a tour de force by Emily Nunn our most hilarious and touching food writer You ll laugh you ll cry and you ll get hungry Mark Bittman author of How to Cook Everything

Watterson,2025-07-22 This riveting exploration of a nearly lost first century scripture tells the story of a courageous saint named Thecla and offers us a road map to knowing our worth Meggan Watterson writes with a prophet s vision and a mystic s heart Arianna Huffington founder and CEO Thrive Global A teenage girl named Thecla is sitting at her bedroom window listening to a man share stories nearby Her mother and fianc order her to stop But Thecla trapped in a world that expects her to marry and have children refuses This man Paul is talking about a world she wants to believe in an inner world of freedom to define her own life And he s talking about a kind of love she hasn t known before a love that asks her to be true to who she is within For Meggan Watterson a Harvard trained feminist theologian Thecla s story in The Acts of Paul and Thecla has everything to do with power Thecla s refusal to be controlled as well as the authority she reclaims by baptizing herself reads like a lost gospel for finding our own source of power within a power that allows us to know who we are and to make choices

based on that knowing This hidden scripture suggests that Christianity before the fourth century was about defying the patriarchy not deifying it But early church fathers excluded The Acts of Paul and Thecla along with other sacred texts such as The Gospel of Mary from the New Testament Watterson synthesizes scripture memoir and politics to illuminate a story that has been left out of the canon for far too long one that follows a girl freeing herself from a life predicated on the expectations of others a path that made her feel unworthy Thecla s story offers us a path to take back the power we often give to others and live based on the truth of who we are *The Conservator* ,1896 [The Handbook of Sexuality in Close Relationships](#) John H. The Butler Did It Susan McGeown, 2007-06-04 Adam LeGrande computer genius and billionaire is drifting through the drudgery of his life The highlights of his day revolve around verbal sparing matches with his annoying and shifty butler and refining his skill at strategic alienation Just about everything Kathryn McFadden touches business wise turns to gold which is just as well because the personal side of her life is as vibrant as a burned out forest Miles Bishop is butler chef chauffeur and personal assistant to Adam LeGrande always available with a cup of tea or a bitingly sarcastic observation Which begs the question If nothing is as it appears what's he hiding The Butler Did It illustrates the wonderful truth that through God's love and grace we can become new people no matter what we hide deep down inside
