

## **Tough Choice**

*A girl was in love with a guy but her friends never approved of him. They were not happy with her choice. Her friends judged the guy because of his past. The girl would not listen to her friends as she had fallen for the guy. She used to trust his love ignoring his past. One day her friends asked her to choose between them and her boyfriend. The girl said that her friends and the guy were equally important to her. But if they were her true friends, they would understand her feelings for him. They would never put her in a spot where she had to choose between friends and boyfriend. She left them and said her boyfriend was waiting for her. Her friends were shocked. But the girl knew inside her heart that she made the right choice.*
