From the Renaissance to Jansenism* Pierre Pourrat, 1927      The Martyrdom of the Franciscans Christopher MacEvitt, 2020-03-06 A study of three hundred years of medieval Franciscan

history that focuses on martyrdom While hagiographies tell of Christian martyrs who have died in an astonishing number of ways and places slain by members of many different groups martyrdom in a Franciscan context generally meant death at Muslim hands indeed in Franciscan discourse death by Saracen came to rival or even surpass other definitions of what made a martyr The centrality of Islam to Franciscan conceptions of martyrdom becomes even more apparent and problematic when we realize that many of the martyr narratives were largely invented Franciscan authors were free to choose the antagonist they wanted Christopher MacEvitt observes and they almost always chose Muslims However martyrdom in Franciscan accounts rarely leads to conversion of the infidel nor is it accompanied as is so often the case in earlier hagiographical accounts by any miraculous manifestation If the importance of preaching to infidels was written into the official Franciscan Rule of Order the Order did not demonstrate much interest in conversion and the primary efforts of friars in Muslim lands were devoted to preaching not to the native populations but to the Latin Christians mercenaries merchants and captives living there Franciscan attitudes toward conversion and martyrdom changed dramatically in the beginning of the fourteenth century however when accounts of the martyrdom of four Franciscans said to have died while preaching in India were written The speed with which the accounts of their martyrdom spread had less to do with the world beyond Christendom than with ecclesiastical affairs within MacEvitt contends The Martyrdom of the Franciscans shows how for Franciscans martyrdom accounts could at once offer veiled critique of papal policies toward the Order a substitute for the rigorous pursuit of poverty and a symbolic way to overcome Islam by denying Muslims the solace of conversion

**Franciscan Mariology--Francis, Clare, and Bonaventure** Peter Damian Fehlner, 2023-08-14 In this third volume of Collected Essays Peter Damian Fehlner traces the Franciscan Marian ecclesiological vision and mission back to its sources in Francis and Clare of Assisi Fehlner shows how the quintessentially Franciscan theological themes and their elaboration down the centuries find their roots in the Poverello the Man totally Catholic and Apostolic as well as in Clare the imprint of the Mother of God In thoroughly Trinitarian fashion Fehlner unveils Francis's understanding of Mary type and exemplar mother and member of the church as the firstborn daughter of the Father Mother of the Son and Spouse of the Holy Spirit Mary is therefore primordially the Virgin made Church Flowering out into the Franciscan theological tradition this volume features two studies where Fehlner unpacks this Franciscan Marian ecclesiological tradition in systematic and mystical theology Fehlner takes St Francis Anthony Fasani his Conventual predecessor as his guide in the spiritual exegesis of Scripture and Catholic devotion unveiling the ecclesiological and Marian implications of the Song of Songs In systematics Fehlner analyzes the love song of the Son for his church in his definitive study of Bonaventure's understanding of charity and the divine missions in the church

*Franciscan Prayer* Ilia Delio, 2022-03-08 Masterfully written and intensely enlightening Franciscan Prayer could very well be considered the essential handbook for all those seeking to pray and live the Franciscan way With exquisite execution Franciscan theologian Ilia Delio clearly outlines what it means to pray as a Franciscan Through her

experience as a discalced Carmelite nun and then her transformation into Franciscan scholar Sister Delio brings to light the contemplative cosmic and evangelizing aspects of Franciscan prayer Everyone says Delio seems to know about Francis life his miracles his devotion to evangelization and his dedication to living a simple and humble life yet few know about his prayer life which seemed over the centuries to get lost in the paper shuffle between theologians followers and historical biographers It is through Clare of Assisi Delio asserts that we have insights into the Franciscan path of prayer Clare provides the road map of prayer for evangelical life she was able to do this because she lived under monastic rule while ardently desiring evangelical life Through Clare s letters and actions we find the rudiments of Franciscan prayer Gaze Consider Contemplate Imitate Delio also uses the insights of Saint Bonaventure as well as Saint Francis to fully show the meaning and purpose of prayer in the Franciscan tradition

**Jesus in History, Legend, Scripture, and Tradition** Leslie Houlden, Antone Minard, 2015-06-23 This multifaceted work contextualizes Jesus in religion and culture by bringing together articles on folklore history literature philosophy popular culture and theology Many books have been written about Jesus but this two volume work takes a different approach than most What sets it apart is that it emphasizes Jesus lasting impact on world history and his legacy in the imagination over 2 000 years Written as an introduction the encyclopedia is equally suitable for Christians who wish to better understand the history and philosophy of their religion and for non Christians who wish to grasp Christianity in its historical and social contexts Alphabetically arranged entries cover representations of Jesus in the bible and the writings of key theologians examining the essentials of philosophical and religious views across history The set also includes hundreds of entries that reflect on the role Jesus has played in popular culture and contemporary vernacular religion perspectives that are not usually placed alongside theology Through the encyclopedia students will see how artists writers philosophers church figures and others have imagined Jesus and been influenced by their perceptions of him At the same time primary documents will encourage students to compare and contrast ideas and evaluate arguments that have arisen over 20 centuries
