His life goes into a tizzy when Kalyna, a beautiful and mysterious European, walks into his life. Nick discovers she also works for her respective government's counterterrorism unit. When Nick and Kalyna are thrown together in a work-related encounter, they fall deeply in love, which is not part of their assignment. Because of their line of work, they can never make their relationship known. They continue to be placed together in professional situations only to be separated again when the work is done. Miraculous happenings against unexpected complications that bring conflict to their newfound love simply fuel the fire of their journey. Dangerous circumstances and life itself rises against the possibility of such a relationship between them. Yet the drive for fulfillment of this personal desire in their lives continues to keep the pages of hope turning for the faint possibility of them finally being together freely. Can love truly conquer all? Can Nick and Kalyna overcome their secret lives in order to be together openly, or will they have to forever keep their love secret? *Undercover Lover* Sally Steward, 1996
