Temple Bar ,1900      **Love and Liberty: A Thrilling Narrative of the French Revolution of 1792** Alexandre Dumas, Of all the remarkably interesting events connected with the French Revolution perhaps the one most worthy of notice is the flight of Louis XVI and his capture at Varennes At the time when I determined to take the trip of which I will give you some details and which put me in possession of the memoirs I am about to publish that is to say about the 19th of June 1856 I had read almost all that had been written concerning the above mentioned flight I wish to start from Ch lons because from the fact of the King being recognized there came the train of events which ended at Varennes on the evening of his arrest The capture of Louis at Varennes was the culminating point of royalty For although it took seven hundred and four years to arrive at Varennes it took but nineteen months to descend from Varennes to the Place de la Revolution It is not because the heads of three persons who were in the carriage that took royalty to the precipice fell on the scaffold that we mark out the event as the greatest in the French Revolution and indeed in the whole history of France No It is because the arrest of the King in the little town of Varennes unknown on the 22nd of June and on the morrow fatally immortalized was the source of the political convulsions which have since occurred My resolution to go to Varennes once taken I started from Paris on the 19th of June 1856 and on the 20th of the same month at one o clock next morning I arrived at Ch lons I was as you know in search of details actually seen by eye witnesses I soon discovered two old men who could give me the necessary information One was a Monsieur Ricaise at Ch lons one of the postilions who drove the King the other Monsieur Mathieu notary at St Menehould who had seen the horses changed at the moment that Drouet recognized the King But it was especially necessary to discover some one at Varennes who remembered some incidents connected with the affair because at Varennes occurred the most dramatic part of the whole catastrophe I first asked a keeper of the records whether he knew any one who had seen the King and assisted to arrest him He mentioned Colonel R n Besson I asked him to give me his address I will do better said he I will take you to him At the very moment that we entered by the Rue de l Horloge that place where Louis XVI was arrested which singularly enough has the shape of the axe of the guillotine my guide put his hand on my shoulder Eh said he here is the very man we want And he showed me at the corner of the Place Latry and the Rue de la Basse a fine old man warming himself in the rays of the sun and sitting in a large arm chair before his door It was Colonel R n Besson We drew near to him Imagining that we had some business with him he arranged himself more comfortably in his chair and waited an explanation Ah ah is it you Monsieur Leduc said he Yes Colonel it is I and in good company too as you may see my companion replied Colonel I call

Nicholas,2021-06-07 In *Love and Politics* Jeffery L. Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers. Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses. Nicholas uniquely interprets Alasdair MacIntyre's Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value. However this account cannot address alienation in the form of the oppression of women or people of color. Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life. Alienation must be seen as a separation of the human from nature. Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle's metaphysics to defend a philosophical anthropology based on Eros. *Love and Politics: Persistent Human Desires as a Foundation for Liberation* presents a critical theory that synthesizes MacIntyre's Revolutionary Aristotelianism, Frankfurt School Critical Theory and Social Reproduction Theory. It will be of great interest to political theorists and philosophers. [Love, Freedom, and Evil](#) Thaddeus J. Williams,2011-01-01 The defining premise of the Relational Free Will Defense is the claim that authentic love requires free will. Many scholars including Gregory Boyd and Vincent Brummer champion this claim. Best selling books such as Rob Bell's *Love Wins* echo that love cannot be forced, manipulated or coerced. It always leaves room for the other to decide. The claim that love requires free will has even found expression in mainstream Hollywood films including *Frailty*, *Bruce Almighty* and *The Adjustment Bureau*. The analysis shows convincingly that the claim that authentic love requires free will does not meet the criteria of consistency, compatibility with Scriptural sources and the demands of concrete encounter with problems of moral evil. **The Complete Russian Folktale: v. 6: Russian Tales of Love and Life** Jack V. Haney,2024-11-01 The *Complete Russian Folktale* makes available to English readers a rich folk tradition that has not been easily accessible or well known in the West. Compared to other European traditions the East Slavs have an extremely large number of tale types. Using the Russian version of the Aarne-Thompson index to folktale types and drawing on both archival and written sources dating back to the early sixteenth century J. V. Haney has assembled and translated examples of the full range of tales. Nearly all of these tales will appear here in translation for the first time. Volume 6 presents tales classified 850-999 which describe the travails of young people who are seeking happiness and love. They portray acts of fate, prophecy and even divine justice in a village context of social misery, folk tradition, the aggravations of family life and the heartaches of the lovelorn. J. V. Haney's extensive introduction and annotations explain the structure of the tales, their place in the A-T system and in folklore studies and the specifics of their Russian provenance. **The Disenchantments of Love** María de Zayas,1997-03-06 *The Disenchantments of Love* published in Spain in 1647 by María de Zayas is a stunning collection of stories about women's amorous experiences in a patriarchal and imperialistic society during the turbulent seventeenth century. Now available for the first time in English translation the ten exemplary novellas are set within an encompassing frame story that continues from the first collection *The Enchantments*.

of Love Amorous and Exemplary Novels published in 1637 Both collections of love stories were immediately popular because of the novelty of their plots and the gender of their author What is new in the disenchantments is the deliberately feminist purpose stated in the rules for telling stories only women are to narrate true cases intended to disenchant women about men's deceptions pointedly denying men the opportunity to dominate the storytelling In the frame however the subtly ironic commentaries on the stories highlight the differences between masculine and feminine points of view The conclusion of the frame reiterates the exemplary message that women are safe from men's physical and psychological abuse only in the sisterhood of the convent These ten sensational and bizarre tales focus on the ways lovers deceive women in order to get their way through magic cross dressing as women and rape to the torture and murder of innocent women at the hands of their protectors their fathers brothers and husbands The graphic depictions of women's mutilated bodies are unprecedented in Western literature as is the meticulous description of domestic violence that has traditionally remained private and hidden A fascinating dimension of these fast paced narratives is what they suggest through omission silence and ambiguous detail the untold story that fires the reader's imagination
