Love From Heaven Lorna Byrne, 2017-02-14 Lorna Byrne sees angels and speaks to them every day She sees so much more than angels though she sees love as a physical force emanating from those she observes In this book Lorna reveals what angels have taught her about love and how we can unlock the love stored within all of us She has also created a seven day program with exercises you can do each day in order to have more self appreciation *Lovers as Strangers* Akhil Shah, 2018-09-07 *Lovers as Strangers* is a compilation of poetry and short stories circling around the unique emotions humans encompass in life The beauty of our emotions is that they live with us for years regardless of age distance and time Sometimes we feel what we cannot say and that is what gives birth to a suffering in the soul The content of this book draws its strength from such grief and translates into delicate lessons The book has been written from the reader's perspective

keeping in consideration the compassion and sensitivity of many It is split into two phases reflecting equally about the need of light and darkness necessary to win at the sport of life

Love and Christian Ethics Frederick V. Simmons, Brian Sorrells, 2016 At the heart of Christian ethics is the biblical commandment to love God and to love one's neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In Love and Christian Ethics nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research Love and Christian Ethics is sure to become a benchmark resource in the field

Love Is... J. R. Gattis, 2022-03-10 Love is is not your typical one Scripture and a short story type of devotional Love is is an in depth study of the Word of God to analyze the true meaning of love and all of its attributes By using the Bible as a lens the author navigates us through an investigation into the biblical qualities of love from the Old Testament the teachings of Jesus and Paul's famous love verses in Corinthians Each daily devotion is saturated with Scripture and strongly aims toward helping others live a victorious life Providing many wise discernments biblical references and relatable application for the reader Love is helps solidify each concept in their mind and ultimately their spirit Each devotion is completely designed to draw the reader closer in their relationship with the Lord while addressing love from

every angle including faith and hope With daily prayers and Scripture studies and questions for reflections at the end of each devotion the reader can connect to the study as they dive deeper into the depths of a biblically based love Love is is the first devotional book by J R Gattis and a portion of all proceeds will be donated through abidesinlove com to show love in action to aid the addicted homeless and incarcerated to help them draw closer to Jesus in their time of need *Love , Stranger than Fiction* LC Giroux,2015-07-31 Psst I ve got a secret and I want to share it If you join my reader s group I ll send you Pay Back the second book in my Lovers and Other Strangers series and the Lovers and Other Strangers series The Short Stories free To sign up all you have to do is go to my website You can find all of my books listed there along with longer excerpts Hope to see you soon Love was for other people Wren Frey has watched her brother and her best friend get married and live happily ever after For her and her daughter she knows that day will never come Other people he can trust it s himself he can t Ian Wills spent half his life fighting in the marines as a vice principal the battles are different but the victories are more personal This friends to lovers story shows sometimes the sweetest rewards come to those that need them most The Interaction Between Law and Love in the Pauline Writings Pandelani Paul,2015-07-16 There are five chapters of this book The first chapter is the overview of the whole book and how the research was going to be conducted It also gives the summary of law and love in the books of Paul The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity We discovered that the law of God reveals Gods character and that is his love The law of God and his love are one and cannot be separated from each other God gives the law to prove to man that he loves him deeply and eternally The death of Jesus on the cross was the final crown of the proof of how much we mean to God and the length He can go to redeem us He gave his all for our redemption The plan of salvation is the perfect revelation of law and love in Pauline writings Chapter 1 and 2 looks at law and love and the theology and ethics of law and love The plan of salvation is laid bare and how the Jews missed the mark of spreading the Word to the whole world by holding to God as a Jewish God alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God
