W. Dobbs-Allsopp,2015 On Biblical Poetry considers the characteristics of biblical Hebrew Poetry beyond its currently best known feature parallelism F W Dobbs Allsopp demonstrates the many interesting and valuable interpretations that yield from a series of programmatic essays on major facets of biblical verse careful attention to prosody and close reading *The Canterbury Tales with Other Poems* Geoffrey Chaucer,1870 *Shakespeare's Poems and Sonnets* Harold Bloom,2009 Provides insight into the poems sonnets of William Shakespeare along with a brief biography **The Cambridge Introduction to Shakespeare's Poetry** Michael Schoenfeldt,2010-10-07 Shakespeare's poems aside from the enduring appeal of the Sonnets are much less familiar today than his plays despite being enormously popular in his lifetime This Introduction celebrates the achievement of Shakespeare as a poet providing students with ways of understanding and enjoying his remarkable poems It honours the aesthetic and intellectual complexity of the poems without making them seem unapproachably complicated outlining their exquisite pleasures and absorbing enigmas Schoenfeldt suggests that today's readers are better able to analyze aspects of the poems that were formerly ignored or the source of scandal the articulation of a fervent same sex love for example or the incipient racism inherent in a hierarchy of light and dark By engaging closely with Shakespeare's major poems Venus and Adonis Lucrece The Phoenix and the Turtle the Sonnets and A Lover's Complaint the Introduction demonstrates how much these extraordinary poems still have to say to us **The Image of Christ in Russian Literature** John Givens,2018-05-29 Vladimir Nabokov complained about the number of Dostoevsky's characters sinning their way to Jesus In truth Christ is an elusive figure not only in Dostoevsky's novels but in Russian literature as a whole The rise of the historical critical method of biblical criticism in the nineteenth century and the growth of secularism it stimulated made an earnest affirmation of Jesus in literature highly problematic If they affirmed Jesus too directly writers paradoxically risked diminishing him either by

deploying faith explanations that no longer persuade in an age of skepticism or by reducing Christ to a mere argument in an ideological dispute The writers at the heart of this study understood that to reimage Christ for their age they had to make him known through indirect even negative ways lest what they say about him be mistaken for cliché doctrine or naïve apologetics The Christology of Dostoevsky Leo Tolstoy Mikhail Bulgakov and Boris Pasternak is thus apophatic because they deploy negative formulations saying what God is not in their writings about Jesus Professions of atheism in Dostoevsky and Tolstoy's non-divine Jesus are but separate negative paths toward truer discernment of Christ This first study in English of the image of Christ in Russian literature highlights the importance of apophaticism as a theological practice and a literary method in understanding the Russian Christ It also emphasizes the importance of skepticism in Russian literary attitudes toward Jesus on the part of writers whose private crucibles of doubt produced some of the most provocative and enduring images of Christ in world literature This important study will appeal to scholars and students of Orthodox Christianity and Russian literature as well as educated general readers interested in religion and nineteenth century Russian novels
