Denise Levertov Audrey T. Rodgers,1993 Through careful analysis of Levertov's social verse she demonstrates that there is a consistency and pattern in what the artist herself has termed the poems of engagement Denise Levertov began her career in England as a lyric poet in the Romantic mode but even then was touched by the reductive nature of war revealed in her first published poem Listening to Distant Guns During the mid 1960s Levertov's social conscience notably her strong antiwar sentiment was reawakened by the Vietnam War This reawakening resulted in several volumes of poetry that mirrored her concerns with the war and political activism at home and her perplexity at the nature of human beings often great and compassionate but at times cruel and insensitive There exists a common thread in Levertov's pilgrimage from her beginning as a lyric poet to her status as an artist definitively in the world she has always responded to everything within the compass of her experience

Mercurio,2024-07-06 Written during a time when a deadly virus spread fear and despair throughout the world The Light Always Shines in the Dark offers the reader a breath of fresh air with its inspiring message of faith and hope A follow up to At Last I Open My Heart in which the author shared firsthand his remarkable recovery from a forty year battle with addiction this powerful sequel warns of the rapid rise of immorality during the recent COVID 19 pandemic We are made aware in detail of how a multibillion dollar industry corrupts souls destroys relationships and tragically exploits the sad crime of human trafficking Before it is too late we are urged to unite especially as Christians to declare war against the formidable scourge of pornography We are encouraged not to compromise our beliefs and to defend the moral standards and traditional values for which we are far too often disdained and scorned The author not only boldly zooms in on a wide range of social issues but also discusses the genuine power of love the beauty of a woman and the search for happiness The content reflects the labor of significant research and the chosen topics are informative and thought provoking and should stir interest in Christian and secular audiences alike The Light Always Shines in the Dark affirms that each day we celebrate on this earth we must cherish the precious gift of life and the priceless virtues of faith hope and love We are reminded that despite the shadow of darkness that constantly surrounds us we must not grow weary We must take comfort in knowing and genuinely believing that the light will always shine in the dark **Wisconsin Library Bulletin** ,1935 **'Orientalist Jones'** Michael J.
