Loves Harvest:

Love's Harvest Peggy J. Herring, 1997-03-01 Deep in the heart of France's majestic wine country the sun-drenched hills and lush vineyards of the Jeton family estate seem like the perfect setting for a passionate affaire de coeur. But the life of workaholic winemaker Nicole Jeton is anything but romantic. From one harvest to the next she runs the world-renowned winery, cares for her invalid father, and bails her no-good brother out of trouble, never stopping long enough to consider her own needs and desires. Until she meets the lovely Camille Cartier. Love's Harvest Linda Shenton Matchett, Noreen Hirsch loses everything, including her husband and two sons. Then her adopted country goes to war with her homeland. Has God abandoned her? Rosa Hirsch barely adjusts to being a bride before she is widowed. She gives up her citizenship to accompany her mother-in-law to her home country. Can Rosa find acceptance among strangers who hate her belligerent nation? Basil Quincey is rich beyond his wildest dreams, but loneliness stalks him. Can he find a woman who loves him and not his money? Three people. One God who can raise hope from the ashes of despair. **Love's Harvest** Judith Keim, 2025-07-08 Sarah Bullard Miller returns to Lilac Lake with her four-year-old twin daughters following the death of her husband. She's always been part of the group of summer kids playing together with the granddaughters of the woman who owned the Lilac Lake Inn, and she loves renewing those friendships. Keeping busy working at her parents' hardware store and taking care of the girls, she begins the healing process following her husband's violent death. Aaron Collister was Sarah's high school boyfriend. They connected with their sensitivity to nature and poetry, which might have seemed strange unless you knew that big, tough Aaron was part Abenaki Indian and had been given many life lessons by his mother. They renew their friendship, but neither is ready to commit to more until a crisis leads them to their answer. This is a spinoff book from the Lilac Lake Inn series, a sweet second-chance small-town romance. Another of Judith Keim's books with strong women facing challenges and finding love and happiness along the way. **Wordbridge** Edward Pizzella, 2015-09-26 This book is about a multitude of outstanding people, places, and events which over a period of years have profoundly impacted the author's very soul and inspired and motivated him to passionately recall and applaud them in poetic form. It contains a vast collection of lyrical poems which, based upon the author's personal experiences, are inspiring, emotional, humorous, perceptive, evocative, and stimulating. And many of them are accompanied by the author's candid comments revealing background details and the intriguing circumstances that inspired their creation. They reflect his innermost hopes, fantasies, and whims, his beliefs, his joys, his loves, and his fears, and like the myriad of pixels in his photo, they combine to fabricate a third-dimensional image of their creator. This book is thus a reversal of the renowned adage that a picture is worth a thousand words. Vocal Repository. [Edited by J. Plumptre.], 1809 To Be Continued Hope Apple, Merle L. Seasons of Love Jack Mooney,2021-10-20 Seasons of Love is a collection of poems centered around love God and pain that is associated with being in love All of the poems are written in the early morning hours before work under candlelight my favorite part of the day There is one central theme or element within the poems that you will identify with which is the moon I believe that when you are in love the moon changes It becomes the one that you are in love with It is something that you can both share while holding hands on a park bench or five hundred miles apart You are never alone at this time because she is always there ever present for you to see From distant doors you can both share the moon as if she is standing next to you whispering in your ear Love is about two inseparable hearts it is about her being the only one in a crowded room and the feeling you are overcome with when she touches your hand The poems are written in the first person to pull you in and bring these elements to life Cover to cover I want the reader to see love from a new perspective where God is always present and love is unabridged So when completed grab her hand and look at the moon and make it yours make it personal The moon will change and your love will grow deeper and God ever present Love becomes more than just a word used to express our feelings It becomes an emotion that will overwhelm you when you touch her stare at the moon look into her eyes and watch her sleep

Belgravia,1866 *A shade of Shakespeare (A book of Sonnets)* RON S KING,2012-10-14 I have entitled this book of some 300 Sonnets A SHADE OF SHAKESPEARE This stems from my admiration for the Bard and his works If it s said that I have

tried to imitate his style then of course I have It is soon noticed that while each sonnet does have three quatrains and an ending couplet while each line has ten syllables to each I do not borrow the need of any iambic pentameters In this light I would call my sonnets Contemporary Sonnets This work covers the three small books of 100 sonnets in each which are already out there in public domain I trust that you read and enjoy this book and find it a delicate company during an evening s read Ron S King The Ridpath Library of Universal Literature ...
