Offer'd to the consideration of Christians and Deists. The third edition** William LAW (Author of "A Serious Call, " etc.),1821      **Über die Natur und die Nothwendigkeit der Wiedergeburt, oder die Neue Geburt** Law,1822      Aldersgate

Primitive Methodist Magazine ,1907      **A Companion to the Aeneid in Translation: Volume 2** Christopher Tanfield,2025-01-23 With this three volume companion students can access the literary and historical significance of the Aeneid in English through an accessible yet authoritative introduction and line by line commentary Written by a teacher who has taught the Aeneid in both English and Latin for more than twenty years this guide unpicks Virgil s literary techniques structures and historical resonances The line by line commentary in Volume 2 focuses on two widely read translations of the Aeneid Books 1 6 in verse by Robert Fagles and in prose by David West Tanfield helps you understand the Latin behind the choices that translators make as they decide how to craft their own particular readings of the Aeneid Plus this companion includes extensive explanatory notes context and a wide range of scholarly critique to ensure you have everything you need in one place as well as pointers for further research For a broad introduction to the many facets of the poem and to its author Volume 1 is available separately      **Echoes and Reflections** SunHee Kim Gertz,2021-11-01 This study examines tales from The Metamorphoses by the Roman poet Ovid 43 BC 18 AD and from The Lais by the French poet Marie de France fl mid to late twelfth century to explore a paradox how can a vibrant complex and timeless vision be conveyed in convention informed and time bound language Marie plays against Ovid s tales to probe the dilemma thereby echoing Ovid who does the same to the canonical literary monuments of his day Both poets suggest that poetry can avoid the flattening effect of monumental canonizing not only by the creative use of literary echoes but also by shifting perspectives on the conventional which in turn can encourage readers to see reflections of many stories in any given tale Ovid and Marie suggest and encourage in this manner by presenting literary love s topoi and traditional lovers from a variety of metaliterary perspectives thereby eliciting active readerly memory as well as providing the opportunity to see the conventional afresh activity that allows even canonical texts to become living memorials      The Garden of Kama and Other Love Lyrics from India Laurence Hope,1901      **The Oxford Anthology of Roman Literature** Peter E. Knox,J. C. McKeown,2013-10-31 Though the wonders of ancient Roman culture continue to attract interest across the disciplines it is difficult to find a lively accessible collection of the full range of the era s literature in English The Oxford Anthology of Roman Literature provides a general introduction to the literature of the Roman empire at its zenith between the second century BC and the second century AD Two features of this extraordinarily fertile period in literary achievement as evidenced by this anthology are immediately and repeatedly clear how similar the Romans view of the world was to our own and perhaps even more obviously how different it was Most of the authors included in the anthology wrote in Latin but as the anthology moves forward in time relevant Greek texts that reflect the cultural diversity of Roman literary life are also included something no other such anthology has done in the past Roman literature was wonderfully creative and diverse and the texts in this volume were chosen from a broad range of genres drama epic philosophy satire lyric poetry love poetry By its very nature an anthology can abbreviate and thus obscure the most attractive features of even a masterpiece so the two editors have not only selected texts that capture the essence of the

respective authors but also have included accompanying introductions and afterwords that will guide the reader in pursuing further reading The presentations of the selections are enlivened with illustrations that locate the works within the contexts of the world in which they were written and enjoyed The student and general reader will come away from this learned yet entertaining anthology with a fuller appreciation of the place occupied by literature in the Roman world      **Wounds, Flesh, and Metaphor in Seventeenth-Century England** S. Covington,2009-08-31 Wounds Flesh and Metaphor in Seventeenth Century England explores the theme of physical and symbolic woundedness in mid seventeenth century English literature This book demonstrates the ways in which writers attempted to represent the politically and religiously fractured state of the time and re imagined the nation through language and metaphor in the process By examining the creative permutations of the wound metaphor Covington argues for the centrality of the charged imagery and language itself in shaping the self representations of an age      **Overland Monthly and the Out West Magazine** Bret Harte,1923      Love Lyrics from the Carmina Burana P. G. Walsh,2018-02-01 Walsh s book should be a vade mecum for anyone who would teach the Carmina Burana on any level and be of considerable value in general to medievalists comparatists and those in related disciplines New England Classical Newsletter and Journal Teachers students and any reader interested in medieval lyric will find this volume a clear and useful approach to intrinsically interesting texts Renaissance Quarterly The most scholarly and most helpful presentation of a group of these captivating lyrics that has yet appeared in English Peter Dronke University of Cambridge A superb volume fully worthy of these famous but often misunderstood poems P G Walsh s unmatched erudition in Latin literature furnishes lucid grammatical explanations incisive analysis of goliardic literary values and technique and illuminating references to ancient and medieval parallels His prose translations make the poems accessible also to those with little or no Latin Janet M Martin Princeton University      *The Poetry Contest in Six Hundred Rounds (2 vols)* Thomas E. McAuley,2019-12-02 For the monumental Poetry Competition in Six Hundred Rounds Roppyakuban uta awase twelve poets each provided one hundred waka poems fifty on seasonal topics and fifty on love which were matched critiqued by the participants and judged by Fujiwara no Shunzei the premiere poet of his age Its critical importance is heightened by the addition of a lengthy Appeal chinj against Shunzei s judgements by the conservative poet and monk Kensh It is one of the key texts for understanding poetic and critical practice in late twelfth century Japan and of the conflict between conservative and innovative poets The Competition and Appeal are presented here for the first time in complete English translation with accompanying commentary and explanatory notes by Thomas McAuley      Laudes Domini Charles Seymour Robinson,1887
